*How the Shopping Cart Explains Global Consumerism* Andrew Warnes,2019-01-29 Picture a familiar scene: long lines of shoppers waiting to check out at the grocery store, carts filled to the brim with the week's food. While many might wonder what is in each cart, Andrew Warnes implores us to consider the symbolism of the cart itself. In his inventive new book, Warnes examines how the everyday shopping cart is connected to a complex web of food production and consumption that has spread from the United States throughout the world. Today, shopping carts represent choice and autonomy for consumers, a recognizable American way of life that has become a global phenomenon. This succinct and accessible book provides an excellent overview of consumerism and the globalization of American culture.

*Homeless Hero* Mike Tapscott,2013-07 Homeless Hero: Understanding the Soul of Home considers the human mission to know the soul and navigate life experiences. When pain and emptiness show up in life, only those who undertake the hero's journey grow into a place of understanding where they can then flourish. Mike Tapscott was watching a movie at a resource center for homeless people when he developed the idea for this book. The movie workshop at Lodestar Day Resource Center in Phoenix, Arizona, teaches life's lessons through the magic of cinema. The lessons manifest through a series of dramatic events: hearing a call to adventure; refusing the call; crossing a threshold; encountering tests, allies and enemies; being unable to turn back; soul searching; finding reward; returning with the story; and experiencing resurrection. These events are what life is all about. The hero's journey through homelessness--just one symptom of the challenge of overcoming emotional pain--is one way to help change individuals and then change tracks, patterns, and less-than-constructive behaviors. Here is a compilation of experiences from Tapscott's 36-hour experimental journey into life on the streets, his own volunteer work and through interviews with employees in the social service system, other volunteers and homeless individuals. Homeless Hero is a case study, an experiment, an adventure, and a multi-layered examination of American society that seeks to help you understand the moving picture of your own hero's journey.
