Could it be a familiar place? Could it be a familiar sound? Could it be a familiar telephone number or street? Carty is on a mission to find his way back to the Supermarket. Will Carty find his way back to the supermarket? Shopping carts are very important to the stores where they belong. This book delivers a message for children and adults alike. America Is Not the Heart Elaine Castillo,2019-04-02 Named one of the best books of the year by NPR, Real Simple, Lit Hub, The Boston Globe, San Francisco Chronicle, The New York Post, Kirkus Reviews, and The New York Public Library A saga rich with origin myths, national and personal . . . Castillo is part of a younger generation of American writers instilling literature with a layered sense of identity. --Vogue How many lives fit in a lifetime? When Hero De Vera arrives in America--haunted by the political upheaval in the Philippines and disowned by her parents--she's already on her third. Her uncle gives her a fresh start in the Bay Area, and he doesn't ask about her past. His younger wife knows enough about the might and secrecy of the De Vera family to keep her head down. But their daughter--the first American-born daughter in the family--can't resist asking Hero about her damaged hands. An increasingly relevant story told with startling lucidity, humor, and an uncanny ear for the intimacies and shorthand of family ritual, *America Is Not the Heart* is a sprawling, soulful debut about three generations of women in one family struggling to balance the promise of the American dream and the unshakeable grip of history. With exuberance, grit, and sly tenderness, here is a family saga; an origin story; a romance; a narrative of two nations and the people who leave one home to grasp at another.

Today, shopping carts represent choice and autonomy for consumers, a recognizable American way of life that has become a global phenomenon. This succinct and accessible book provides an excellent overview of consumerism and the globalization of American culture.
