Shotgun Weddings Lloyd Billingsley, 2015-10-26 Double-Barreled Death in the Sierra Foothills I think I shot my husband, said the voice on the 911 call. Is he dead? The date was July 27, 1985. The caller was Colleen Batten of Placerville, California. Colleen had shot her husband Jim Batten. She shot him twice with a shotgun, and he was dead. Colleen Batten claims her husband was a violent predator, and that she has no memory of shooting him. A jury believes her, and Colleen Batten walks free. Colleen marries Bob Harris of the U.S. Forest Service. They live happily for more than 20 years, but when things start to go south, Bob becomes wary. On January 6, 2013, a 911 call reports a homicide at the residence of Bob and Colleen Harris. He looks so beautiful, Colleen tells police. In the bedroom officers find Bob Harris dead from a shotgun blast to the head. Colleen taps the same lawyer from 1985 and stands trial for murder in the same courthouse. Again she claims to have no memory of shooting her husband, but this time will the jury believe her? Will she again walk free? Author Lloyd Billingsley attended the trial and probed every corner of the cases. Shotgun Weddings tells the whole story.

Shotgun's (B)Ride (Men of Valor MC) Frankie Love, After nearly losing my life on a Marine mission, I learned that every moment matters. Every day counts. To take nothing for granted. Now I'm living in Valor, WY, with my bulldog Bones, part of an ex-military motorcycle club. My life has meaning - but I want more. I want a woman to share it with. When Tulip steps into the tattoo parlor, reminding me of a spring day - I know she's the only flower I ever want to pick. I may be the opposite of this sweet thing, but we match in the ways that really matter. But after one night of passion and pleasure, tragedy strikes. I want her more than anything but first I have to make this woman more than my ride - I need to make her my bride. Might be easier if there wasn't someone standing in our way. Good thing I'm no regular man. I'm a man of Valor - which means I won't back down from what is rightfully mine. This month

While her granddaughter is held, Margaret devises a plan to free her, but a new danger presents itself within Camp 193. Along with Max, many of the other survivors have been infected with an unknown illness. Can she free her only granddaughter and lead her family to safety? Or will they all fall victim to the same fate. While Camp 193 is thrown into disarray, Tyler and his unit continue to struggle to survive the horrors faced at the Callaway Nuclear Plant. Will they succeed in their mission and be able to hold together the last strands of hope in their region? Or will they doom thousands and fall prey to the zombie hordes within the facility?

Free Women, Free Men Camille Paglia, 2017-03-14 From the fiery intellectual provocateur— and one of our most fearless advocates of gender equality—a brilliant, urgent essay collection that both celebrates modern feminism and challenges us to build an alliance of strong women and strong men. Ever since the release of her seminal first book, *Sexual Personae*, Camille Paglia has remained one of feminism’s most outspoken, independent, and searingly intelligent voices. Now, for the first time, her best essays on the subject are gathered together in one concise volume. Whether she’s calling for equal opportunity for American women (years before the founding of the National Organization for Women), championing a more discerning standard of beauty that goes beyond plastic surgery’s quest for eternal youth, lauding the liberating force of rock and roll, or demanding free and unfettered speech on university campuses and beyond, Paglia can always be counted on to get to the heart of matters large and small. At once illuminating, witty, and inspiring, these essays are essential reading that affirm the power of men and women and what we can accomplish together.

Shotgun Grandma Evan Grant, 2017-06-06 The living fear the dead, and the dead fear grandma...Margaret McDaniel is a stand-up citizen; she pays her taxes, donates when she can, and is in the church pew every Sunday. She was a great wife, still is a great mother, but most of all, she is an excellent grandmother. Now that her husband has passed on, all she wishes to do is spend a few more good years with her granddaughter before punching out her time clock for good. She had been fulfilling that wish up until the zombie apocalypse decided to happen. With a horde of zombies threatening the well-being of her family, she has no option but to show them the righteous end of her double barrel.

Laird Cregar Gregory William Mank, 2019-02-07 In 1944, Laird Cregar played Jack the Ripper in *The Lodger*, giving one of the most haunting performances in Hollywood history. It was the climax of a strange celebrity that saw the young American actor—who stood 6’ 3” and weighed more than 300 pounds—earn distinction as a portrayal of psychopaths and villains. Determined to break free of this typecasting, he desperately desired to become “a beautiful man,” embarking on an extreme diet that killed him at 31. This first biography of Cregar tells the heartbreaking story of the brilliant but doomed actor. Appendices cover his film, theatre, and radio work. Many never before published photographs are included.

Gun Digest Ken Warner,1986

The Autumn of the Gun Ralph Compton,1996-12-01 A gunslinger goes up against his own kin in this western from USA Today bestselling author Ralph Compton. Nathan Stone is a living legend in the West as a lawman, an outlaw, a gambler, and a wanderer through the wildest towns and terrain. He has blazed a vengeance trail, giving no quarter and asking for none. Fearlessly, he plays his cards and uses his Colt .45s as best he can in games of chance, skill, and savagery, for stakes of life or death. Now he's riding on a course that will test his rawhide nerves and lightning draw against the likes of Doc Holliday, Pat Garrett and Billy the Kid, the fleeing James brothers, and the incredible John Wesley Hardin as he heads toward a fateful rendezvous with the one gunfighter as fast and deadly as he: a teenage kid who kills like a man—Nathan's own son... More Than Six Million Ralph Compton Books In Print!

Free-Range Kids Lenore Skenazy,2021-06-03 Learn to raise independent, can-do kids with a new edition of the book that started a movement In the newly revised and expanded Second Edition of *Free-Range Kids*, New York columnist-turned-movement leader Lenore Skenazy delivers a compelling and entertaining look at how we got so worried about everything our kids do, see, eat, read, wear, watch and lick -- and how to bid a whole lot of that anxiety goodbye. With real-world examples, advice, and a gimlet-eyed look at the way our culture forces fear down our throats, Skenazy describes how parents and educators can step back so kids step up. Positive change is faster, easier and a lot more fun than you'd believe. This is the book that has helped millions of American parents feel brave and optimistic again - and the same goes for their kids. Using research, humor, and feisty common sense, the book shows: How parents can reject the media message, "Your child is in horrible danger!" How schools can give students more independence -- and what happens when they do. (Hint: Teachers love it.) How everyone can relax and successfully navigate a judge-y world filled with way too many warnings, scolds and brand new fears Perfect for parents and guardians of children of all ages, *Free-Range Kids* will also earn a place in the libraries of K-12 educators who want their students to blossom with newfound confidence and cheer.

The American Shotgun Charles Askins,1930

Free-Range Kids Lenore Skenazy,2009-05-26 FREE RANGE KIDS has become a national movement, sparked by the incredible response to Lenore Skenazy's piece about allowing her 9-year-old ride the subway alone in NYC. Parent groups argued about it, bloggers, blogged, spouses became uncivil with each other, and the media jumped all over it. A lot of parents today, Skenazy says, see no difference between letting their kids walk to school and letting them walk through a firing range. Any risk is seen as too much risk. But if you try to prevent every possible danger or difficult in your child's everyday life, that child never gets a chance to grow up. We parents have to realize that the greatest risk of all just might be trying to raise a child who never encounters choice or independence.

Vintage Guns for the Modern Shot Diggory Hadoke,2007 At the back of many a gun cabinet lurks a neglected old shotgun. This book will encourage its owner to bring it back into use. It also provides practical advice on buying the right gun for restoration. It describes the steps and potential pitfalls on the path to renovation so the gun can be used and enjoyed. The author's passion is for old guns and for their continued use in the field. He argues that the quality of craftsmanship in many old guns, as well as the sheer pleasure of handling them, makes them superior to the machine-made over/unders of the modern shooting field. Hadoke covers all aspects of collecting and restoring shotguns for use - on an affordable budget. He writes for the shooter rather than the engineer or historian, and his fascinating book is presented in an easy-to-read style.
