The barrels. The lighthouse. Its beaches have been the setting for iconic moments in the history of the Eastern Surfing Association. Local surfing historian Tony Lillis chronicles the rich history of surfing along Virginia Beach and the Outer Banks from the early twentieth century, when world travelers brought home tales of Hawaiian surfing, through the heyday of the 1960s and into the twenty-first century.

Guitarists are walked through these skill sets with a hands-on approach, and are shown connections to the monster players who employ the technique. With this book, guitarists can switch gears from careful chord progressions by unleashing their inner shredder, ready to blister the paint right off the walls and annihilate any nonbelievers.
