Silly Stories for Silly Kids Silly Willy,2019-04-27 This original short story collection is a great book for kids who love to giggle! Each story is easy to read with fun illustrations to help entertain younger readers! Kids will love sharing these silly stories! Be warned! These stories are really silly! So silly, in fact, that it is hard not to laugh! Silly Willy has returned with a new book to the popular Silly series. This collection of short stories is perfect for children who love a silly tale and are starting to grow their reading skills into chapter books. The collection of 12 original silly stories features a wide range of themes and adventures. Story 1: My Super Hero Diary, featuring an unlucky superhero and his bullying villain roommate. Story 2: A story featuring an ancient Egyptian pharaoh and his wish to build a pyramid. Story 3: A story about a boy who has built a castle. But not a well-constructed one! Story 4: A girl clones herself with unexpected results. Story 5: A tall tale about a nose picker and his passionate hobby. Story 6: An entertaining adventure to find a mysterious horribly bad smell. Where is it coming from? Story 7: A dog and his owner have an embarrassing mix up! Story 8: A clever inventor has a not-so-clever idea! Story 9: A fairy tale involving an innocent baby and a greedy troll monster. Story 10: A schoolboy visits the doctor after a homework incident. Story 11: A talentless unicorn courageously enters a talent contest! She can't sing, dance, tell jokes or draw! How will she win the most talented award? Story 12: Erik and his Viking friends discover an island with some 'strange' animals. The book has been written to include a few challenging words that will help expand a child's vocabulary. Parents will cherish reading these short tales to their younger ones. This book is ideal as a short read before bedtime, or in between games and activity time. Older children will also love reading these funny stories quietly or acting as the storyteller reading aloud. Each story is fast-paced and varies in length. The tales themselves contain good family-style humor acceptable for kids and adults. If your kids love fiction stories like Captain Underpants, Diary of a Wimpy Kid, or Big Nate, then these silly stories will soon become their favorite, too! The book is hilariously illustrated. This book is a perfect gift for kids who need a break from video games, TV screens, movies, and other media. Or when it is too wet and cold for outside sport play! These silly stories are also a great travel companion or an ideal birthday, holiday, or get well gift for kids! Ages: 4 & up. / Ideal for Pre-K and first graders through to the 5th grade.

Funny Stories for Kids Joe King,2017-02-03 Are you tired of reading the same old fairy tales to your kids at bedtime? Are you tired of bed time stories being pages upon pages long? Are you tired of being so bored when you are reading to your kids, or having them read to you? Well, be bored no more! This collection of children's stories is designed with the whole family in mind. These stories are funny to read out loud to your kids, or even curl up with yourself if you are looking for a laugh. The best part is that you do not have to read twenty pages to finish a story. If you have five minutes, your child can have a meaningful bedtime story that will leave them giggling and full of wonder in order to ward off bad dreams. These stories are great for families that always seem to be in a hurry, but still want to spend time, and read with, their kids. These stories are full of easy to read paragraphs with just enough larger words to help build a child's vocabulary with tons of context clues and structure surrounding these words. So whether you are reading to your child, or your child is reading to you, there will not be that frustrating struggle that often happens when a large word is thrown in out of nowhere, interrupting the flow of the sentences and the structure of the paragraph. Sit back, relax, and enjoy a few good laughs with your little ones. Whether they are three or thirteen. People of all ages will enjoy these silly stories, and carry them with them wherever they go. Enjoy!

Mr. Funny Pants Michael Showalter, 2011-02-22 I was at my wit's end. I'd had enough of this job, this life, and my relationship had broken up. Should I eat chocolate, or go to India, or fall in love? Then I had a revelation: Why not do all three, in that order? And so it was that I embarked on a journey that was segmented into three parts and was then made into a major motion picture. Later, I woke up on an airplane with a hole in my face and a really bad hangover. I was ushered brusquely off the plane by my parents who took me to a rehab where I tested positive for coke, classic coke, special k (the drug), Special K (the cereal), mushrooms, pepperoni, and Restless Leg Syndrome. It was there that I first began painting with my feet. But rewind...the year was 1914. I was just a young German soldier serving in the trenches while simultaneously trying to destroy an evil ring with some help from an elf, a troll, and a giant sorcerer, all while cooking every recipe out of a Julia Child cookbook. What I'm trying to say is that there was a secret code hidden in a painting and I was looking for it with this girl who had a tattoo of a dragon! Let me clarify, it was the 1930s and a bunch of us were migrating out of Oklahoma, and I was this teenage wizard/CIA operative, okay? And, um then I floated off into the meta-verse as a ball of invisible energy that had no outer edge... Ugh, okay. None of this is true. I'm just kind of a normal guy from New Jersey who moved to New York, got into comedy, wrote this book about trying to write this book, and then moved to Alaska, became the mayor of a small town, spent \$30,000 on underwear, and now I'm going to rule the world!!!
