**The Double Disappointment** Moses Mendez,2018-07-03 The double disappointment by Moses Mendez The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Western literary study flows out of eighteenth-century works by Alexander Pope, Daniel Defoe, Henry Fielding, Frances Burney, Denis Diderot, Johann Gottfried Herder, Johann Wolfgang von Goethe, and others. Experience the birth of the modern novel, or compare the development of language using dictionaries and grammar discourses. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Gumnuts at the races, at the ballet, and dancing at balls are some of May's exquisitely illustrated scenes that have delighted us all. This beautiful new edition has been produced to mark the Centenary of GUMNUT BABIES and contains the stories of Gum-Blossom Babies, Flannel Flowers and Other Bush Babies, Boronia Babies, Wattle Babies, plus Nuttybub and Nittersing and Chucklebud and Wunkydoo. **Feisty Pets - Get Feisty!** Samantha Garland,2019-01-05 The Feisty Pets are a moody bunch. The gang may seem like lovable furry creatures, but watch out ... their sweet smiles and doofy grins can turn to snarky snarls at any moment. Their adorable faces can lure in new friends with ease, but evidence shows the Feisty Pets are indeed mischievous troublemakers. This guide is the rulebook they live by. Proceed with caution!
