

Simple

Aldo Sohm,Christine Muhlke

Blood Simple Joel Coen,Ethan Coen,1989-03-15 Director Joel Coen's and producer Ethan Coen's *Blood Simple* (1984, River Road Prods/Circle Releasing/Palace) is a contemporary noir thriller set in Texas. A taut, convoluted plot and imaginative direction made the independent release a word-of-mouth hit and established the Coen brothers' reputation for originality. Actors John Getz, Frances McDormand, and Dan Hedaya appear in the story in which a woman commits adultery, and her enraged husband hires a killer for revenge. Blackmail, violence, and mistaken assumptions lead to an edgy, exhilarating climax.

Simple Foods for the Pack Claudia Axcell,Vikki Kinmont Kath,Diana Cooke,2010-07-01 This latest edition of the original—and best—natural foods backpacking cookbook features a wealth of new recipes and mouthwatering classics, as well as the most current information on cooking with today's lightweight foods and high-tech equipment. This unique cookbook brings together the culinary expertise of a Cordon Bleu chef and the wilderness knowledge of a professional backcountry guide to provide more than 180 trail-tested recipes for delicious, natural, and easy-to-prepare meals for backpacking, hiking, and camping. Since Sierra Club Books published the first edition of *Simple Foods for the Pack* in 1976, there has been a revolution in backcountry cooking. Today's lightweight stoves and kitchen tools make cooking in the wild easier than ever before. And with the ubiquitous availability of fast-cooking natural foods, the modern adventurer has tasty alternatives to expensive pre-packaged meals. Focusing on these natural foods and the latest equipment, this newly revised edition offers hikers gourmet taste at every meal—from Oatmeal Hotcakes for breakfast, to homemade nutrition bars for the trail, to Beer Fondue back at camp. The wide variety of menus and the expanded guide to planning, packing, and preparing food makes cooking in the backcountry as easy as High Mountain Pie.

Life Is Simple Book Henry Hamer,2014-06-21 *Life is Simple* is a book for the busy person, who wants to improve their life quickly and easily. *Life is Simple* is a compilation of some thoughts, reminders, and ideas which, if put into practice, will make the readers life easier, increase their happiness and enhance their unique individuality. *Life is Simple* is compiled and written for the majority of people who lives are far too busy to read lengthy self help books. This is a commonsense book. Great for non-readers. There are no stories about people who used the ideas contained in the book to prove they work. This makes it quicker and simpler to read. *Life is Simple* gives you three simple things to do. The rest of the book helps you with those three simple concepts, with ideas, statements and thoughts. The book will make the reader realize what is missing in their life. At the end of the book are few tests that reader may like to take, to judge their weakness and strengths. *Life is Simple* is a self help book which gives you sufficient ideas in a very concise way, to improve your happiness and life. *Life is Simple* is a fun book to use and readers will enjoy the books simple form.

Sam Is Stuck Cigdem Knebel,2017-01-02 Tim and Kim's trip on the ship turns into a rescue mission for Sam, the Cod Fish. This is the perfect first chapter book for dyslexic children, reluctant and early readers and written to improve fluency, comprehension and self-confidence.

Awesomely Simple John Spence,2009-09-08 The six core strategies to elevate any business-and how to implement them-made simple What do the world's most successful companies and organization have in common? And what can you actually take away and use from their examples? Distilling the best fundamental business strategies, trusted advisor and strategist John Spence helps you take a hard look at your business and together develop specific plans and action steps that will allow you to dramatically improve the success of your company. Delivered in Spence's approachable and straightforward

manner, *Awesomely Simple* reveals the six key strategies that create a foundation for achieving business excellence: Vivid Vision, Best People, A Performance-Oriented Culture, Robust Communication, A Sense of Urgency, and Extreme Customer Focus. Filled with case studies and clear action items, includes easy-to-follow guidelines for implementing the strategies in any organization no matter its mission or size After concisely breaking down each strategy, Spence gives specific examples, tips, tools, discussion questions and exercises for how to execute them successfully A perfect resource for business leaders, *Awesomely Simple* will help you turn ideas into positive action and achieve lasting business success.

Problem Solving 101 Ken Watanabe,2009-03-05 The fun and simple problem-solving guide that took Japan by storm Ken Watanabe originally wrote *Problem Solving 101* for Japanese schoolchildren. His goal was to help shift the focus in Japanese education from memorization to critical thinking, by adapting some of the techniques he had learned as an elite McKinsey consultant. He was amazed to discover that adults were hungry for his fun and easy guide to problem solving and decision making. The book became a surprise Japanese bestseller, with more than 370,000 in print after six months. Now American businesspeople can also use it to master some powerful skills. Watanabe uses sample scenarios to illustrate his techniques, which include logic trees and matrixes. A rock band figures out how to drive up concert attendance. An aspiring animator budgets for a new computer purchase. Students decide which high school they will attend. Illustrated with diagrams and quirky drawings, the book is simple enough for a middle-schooler to understand but sophisticated enough for business leaders to apply to their most challenging problems.

Insanely Simple Ken Segall,2012-04-26 'Simple can be harder than complex. You have to work hard to get your thinking clean to make it simple. But it's worth it in the end, because once you get there, you can move mountains' Steve Jobs, *BusinessWeek*, May 25, 1998 To Steve Jobs, Simplicity wasn't just a design principle. It was a religion and a weapon. The obsession with Simplicity is what separates Apple from other technology companies. It's what helped Apple recover from near death in 1997 to become the most valuable company on Earth in 2011, and guides the way Apple is organized, how it designs products, and how it connects with customers. It's by crushing the forces of Complexity that the company remains on its stellar trajectory. As creative director, Ken Segall played a key role in Apple's resurrection, helping to create such critical campaigns as 'Think Different' and naming the iMac. *Insanely Simple* is his insider's view of Jobs' world. It reveals the ten elements of Simplicity that have driven Apple's success - which you can use to propel your own organisation. Reading *Insanely Simple*, you'll be a fly on the wall inside a conference room with Steve Jobs, and on the receiving end of his midnight phone calls. You'll understand how his obsession with Simplicity helped Apple perform better and faster.

Simple First Words Let's Talk Roger Priddy,Robert Tainsh,2011-09-27 Ideal for babies and toddlers Tough, sturdy construction Push-button sound bar with ten words or numbers to hear and say Teaches basic vocabulary and counting skills

A Simple Book of Financial Wisdom Danny Kofke,2011 A guide to reducing debt and saving money.

Artisan Sourdough Made Simple Emilie Raffa,2017-10-24 The easy way to bake bread at home—all you need is FLOUR, WATER and SALT to get started! Begin your sourdough journey with the bestselling beginner's book on sourdough baking—100,000 copies sold! Many bakers speak of their sourdough starter as if it has a magical life of its own, so it can be intimidating to those new to the sourdough world; fortunately with *Artisan Sourdough Made Simple*, Emilie Raffa removes the fear and proves that baking with sourdough is easy, and can fit into even a working parent's schedule! Any new baker is inevitably hit with question after question. Emilie has the answers. As a professionally trained chef and avid

home baker, she uses her experience to guide readers through the science and art of sourdough. With step-by-step master recipe guides, readers learn how to create and care for their own starters, plus they get more than 60 unique recipes to bake a variety of breads that suit their every need. Featured recipes include: - Roasted Garlic and Rosemary Bread - Cinnamon Raisin Swirl - Blistered Asiago Rolls with Sweet Apples and Rosemary - Multigrain Sandwich Bread - No-Knead Tomato Basil Focaccia - Raspberry Gingersnap Twist - Sunday Morning Bagels - and so many more! With the continuing popularity of the whole foods movement, home cooks are returning to the ancient practice of bread baking, and sourdough is rising to the forefront. Through fermentation, sourdough bread is easier on digestion—often enough for people who are sensitive to gluten—and healthier. Artisan Sourdough Made Simple gives everyone the knowledge and confidence to join the fun, from their first rustic loaf to beyond. This book has 65 recipes and 65 full-page photographs.

Coaching Plain & Simple: Solution-focused Brief Coaching Essentials Kirsten

Dierolf, Daniel Meier, Peter Szabó, 2009-03-30 An easy-to-read, pocket-sized primer on brief coaching basics. This is a highly practical and condensed introduction to solution-focused coaching, offering a simple and clear structure for coaching sessions that is easy to learn. Content is illuminated through exemplary dialogues from real coaching sessions and bullet-point toolboxes for greater variety of choice. Narrative explanations create a helpful framework for understanding the general idea of coaching and the practicalities of the solution focused approach. Several illustrating graphs and symbols give the book an easy to read, light touch. The book targets beginners in coaching who are looking for simple guidance and step-by-step ideas in their learning process. Topics include: What is coaching? • Coaching—simple, concise and effective • Overview: Major elements of the coaching conversation • Contracting—before you start • Coaching agreement for the first session • Preferred Future • Resources and forerunners of solutions • Small steps and clues of upcoming progress • Session conclusion • Follow-up sessions • Brief coaching of executives—three examples • Beyond technique—continuous learning as a coach

King's Ring Cigdem Knebel, 2021-06-09 A man in black robs King Chid's ring when the ring goes on display. Luckily, Mick and Liv are at the display on a class trip at the right time. But they get tricked while they try to help the cops with the theft. Mick does not believe the legend of King Chid's ring. Liv does not understand why a ring that brings bad luck would sell for \$35,000,000. If the legend is true, who will get this toxic ring's bad luck next?

Simple Alan Siegel, Irene Etzkorn, 2013-04-02 For decades, Alan Siegel and Irene Etzkorn have championed simplicity as a competitive advantage and a consumer right. Consulting with businesses and organizations around the world to streamline products, services, processes and communications, they have achieved dramatic results. In SIMPLE, the culmination of their work together, Siegel and Etzkorn show us how having empathy, striving for clarity, and distilling your message can reduce the distance between company and customer, hospital and patient, government and citizen—and increase your bottom line. Examining the best and worst practices of an array of organizations big and small—including the IRS, Google, Philips, Trader Joe's, Chubb Insurance, and ING Direct, and many more—Siegel and Etzkorn recast simplicity as a mindset, a design aesthetic, and a writing technique. In these illuminating pages you will discover, among other things: Why the Flip camera became roadkill in the wake of the iPhone What SIMPLE idea allowed the Cleveland Clinic to improve care and increase revenue How OXO designed a measuring cup that sold a million units in its first 18 months on the market Where Target got the idea for their ClearRX prescription system How New York City simplified its unwieldy bureaucracy with three simple numbers By exposing the overly complex things we encounter every day, SIMPLE reveals the reasons we allow confusion to persist, inspires us to seek clarity, and explores how social media is empowering consumers to demand simplicity. The next big idea in business is SIMPLE.

Never Simple Liz Scheier, 2022-03-01 This gripping and darkly funny memoir “is a testament to the undeniable, indestructible love between a mother and a daughter” (Isaac Mizrahi). Liz Scheier’s mother was a news junkie, a hilarious storyteller, a fast-talking charmer you couldn’t look away from, a single mother whose devotion crossed the line into obsession, and—when in the grips of the mental illness that plagued her—a masterful liar. On an otherwise uneventful afternoon when Scheier was eighteen, her mother sauntered into the room and dropped two bombshells. First, that she had been married for most of the previous two decades to a man Liz had never heard of and, second, that the man she had claimed was Liz’s dead father was entirely fictional. She’d made him up—his name, the stories, everything. Those big lies were the start, but not the end; it had taken dozens of smaller lies to support them, and by the time she was done she had built a fairy-tale, half-true life for the two of them. Judith Scheier’s charm was more than matched by her eccentricity, and Liz had always known there was something wrong in their home. After all, other mothers didn’t raise a child single-handedly with no visible source of income, or hide their children behind fake Social Security numbers, or host giant parties in a one-bedroom Manhattan apartment only to throw raging tantrums when the door closed behind the guests. Now, decades later, armed with clues to her father’s identity—and as her mother’s worsening dementia reveals truths she never intended to share—Liz attempts to uncover the real answers to the mysteries underpinning her childhood. Trying to construct a “normal” life out of decidedly abnormal roots, she navigates her own circuitous path to adulthood: a bizarre breakup, an unexpected romance, and the birth of her son and daughter. Along the way, Liz wrestles with questions of what we owe our parents even when they fail us, and of how to share her mother’s hilarity, limitless love, and creativity with children—without passing down the trauma of her mental illness. *Never Simple* is the story of enduring the legacy of a hard-to-love parent with compassion, humor, and, ultimately, self-preservation.

The Simple Life David E. Shi, 2007 Looking across more than three centuries of want and prosperity, war and peace, Shi introduces a rich cast of practitioners and proponents of the simple life, among them Thomas Jefferson, Henry David Thoreau, Jane Addams, Scott and Helen Nearing, and Jimmy Carter.

Simple Matters Erin Boyle, 2016-01-12 More than a decluttering guide, this book “speaks to the heart and soul of the minimalist lifestyle . . . a must-have manual for serenity in the modern world!” (Anne Sage, author of *Sage Living*). For anyone looking to declutter, organize, and simplify, author Erin Boyle shares practical guidance and personal insights on small-space living and conscious consumption. At once pragmatic and philosophical, *Simple Matters* is an essential manual for anyone who wants to bring more purpose and sustainability to their daily lives. Boyle demonstrates how the benefits of “living small” are accessible to us all—whether we’re renting a tiny apartment or purchasing a three-story house. Filled with personal essays, projects, and helpful advice on how to be inventive and resourceful in a tight space, *Simple Matters* shows that living simply is about making do with less and ending up with more: more free time, more time with loved ones, more savings, and more things of beauty.

Simple Money, Rich Life Bob Lotich, 2022-04-26 A hope-filled money guide to increase savings, earnings, and giving and actually enjoy it all while designing a life of freedom and eternal impact, from the founder of SeedTime Money. Broken down and stranded 1,000 miles from home with only \$7 left in his bank account, Bob Lotich had reached his breaking point. He was stuck in a dead-end job, living paycheck-to-paycheck, and overwhelmed by debt. Bob had been following the world’s advice with money and this was the fruit of it. In desperation, he cried out to God for wisdom, for a different way. The answer was a simple four-part formula, one based on timeless biblical principles, and, most important, it worked. After applying this simple formula, Bob discovered that his financial

stress melted away and he finally felt fully in control of his money. As he continued to follow the four steps, he paid off over \$400,000 in debt, reached a personal goal of giving \$1 million by age 40, and achieved a level of financial freedom he never dreamed possible. In his casual and approachable style, Bob (along with his fun-loving wife, Linda) shares everything he learned about achieving true financial freedom, including: • How to create a money system so you can spend less time and get better results • The One-Category Budget: get 80% of the results with 20% of the work • The four keys to earning more in the digital era • How to automate your way to financial success in less than 10 minutes • The secrets of a six-figure giver • Three credit card rules that banks don't want you to know • How to save \$100s each month while still buying what you love • And much more! Whether you are doing "fine" or are in a financial crisis, the included 21-day kick-start will leave you with specific action items to guide you to success. You can have financial security, peace, significance, and eternal impact. Let Bob show you how to reimagine money as it was meant to be: simple.

Wine Simple Aldo Sohm, Christine Muhlke, 2019-11-19 From the world-renowned sommelier Aldo Sohm, a dynamic, essential wine guide for a new generation NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD52 Aldo Sohm is one of the most respected and widely lauded sommeliers in the world. He's worked with celebrated chef Eric Ripert as wine director of three-Michelin-starred Le Bernardin for over a decade, yet his philosophy and approach to wine is much more casual. Aldo's debut book, *Wine Simple*, is full of confidence-building infographics and illustrations, an unbeatable depth of knowledge, effusive encouragement, and, most important, strong opinions on wine so you can learn to form your own. Imbued with Aldo's insatiable passion and eagerness to teach others, *Wine Simple* is accessible, deeply educational, and lively and fun, both in voice and visuals. This essential guide begins with the fundamentals of wine in easy-to-absorb hits of information and pragmatic, everyday tips—key varietals and winemaking regions, how to taste, when to save and when to splurge, and how to set up a wine tasting at home. Aldo then teaches you how to take your wine knowledge to the next level and evolve your palate, including techniques on building a "flavor library," a cheat sheet to good (and great) vintages (and why you shouldn't put everything on the line for them), tips on troubleshooting tricky wines (corked? mousy?), and, for the daring, even how to saber a bottle of champagne. This visual, user-friendly approach will inspire readers to have the confidence, curiosity, and enthusiasm to taste smarter, drink boldly, and dive headfirst fearlessly into the exciting world of wine.

The Simple Home Charles Augustus Keeler, 1979

The Kid's Book of Simple Everyday Science Kelly Doudna, 2013-10-14 These 40 simple science activities will have young kids searching the house for everyday items to learn about temperature, pressure, water, air, heat, and plants! Each easy and fun activity includes how-to photos, simple instructions, short explanations, and introduces beginning math principles. With tips and extra information to extend the scientific experience, this book will get kids thinking like scientists in no time at all! Book includes: supply & tool lists, visual and text-based explanations, step-by-step instructions and photos, and safety information.--
