Brother's Keeper Elizabeth Finn,2012-10-22 Trapped in a web of hate with no escape, a young woman discovers her attraction to the man determined to protect her may be her undoing. Will time run out, or will he find a way to protect her before her abusive father kills her?When Rowan is awarded a ballet scholarship to Michigan State University during her senior year of high school, her life's dream is finally realized. Having lost her mother at an early age and being subjected to the abuse of a destitute drunken father, she has known unimaginable loss and heartache and been left wanting for a better life-a life now within her grasp. But with one ill-fated phone call, her life is turned upside down.Logan is Rowan's best friend's older brother whose career is taking off as he prepares to graduate law school and move cross-country to the prestigious law firm that has offered him a very lucrative contract. When Rowan finds herself at Logan's mercy after he inadvertently learns of the abuse she has suffered at the hands of her father, their lives become intertwined in a way neither ever imagined nor wanted.In an effort to protect her, but with his own hands tied by her unwillingness to report the abuse, Logan strikes a deal requiring Rowan to stay with him whenever there is a chance her father might be on a drunken binge-which is often. For her agreement and cooperation, he will keep her secret. Soon, their time together weighs on them both, and they find themselves constantly tempted to step outside the bounds of their supposed platonic relationship. But there is no point. The devastating fact of the matter is their lives are moving in opposite directions-a relationship destined to die before it even has a chance to live.The ever present clock plagues them both as it ticks off the days until they are parted. But one all important question remains-after he leaves, how will he protect her from a father intent on hating her until the day he dies ... or the day he kills her?

Castro's Daughter Alina Fernandez,1998-10-15 Mommy, mommy, call him. Tell him to come here right away. I have so many things to tell him! I had a ton of things to tell him. I wanted him to find a solution to all the shortages of clothes; of meat, so it would again be distributed through the ration books. I also wanted to ask him to give our Christmas back. And to come live with us. I wanted to let him know how much we really needed him... Fidel didn't answer my letter. I kept writing him letters from a sweet and well-behaved child, a brave but sad girl. Letters resembling those of a secret, spurned lover... As a girl growing up in Cuba, Alina Fernandez found nothing abnormal in the fact that Fidel Castro would occasionally visit her house bearing gifts just for her. At the age of ten, her mother finally told her the truth: she was Castro's Daughter.

The INFJ Writer: Cracking the Creative Genius of the World's Rarest Type Lauren Sapala,2016-05-09 After years of coaching writers who struggled with procrastination issues, high sensitivity to criticism, and crippling self doubt, Lauren Sapala realized that almost every one of her clients was an INFJ or INFP. Using the insights gleaned from these clients, as well as her own personal story, Sapala shows us how the experience of the intuitive writer can be radically different from the norm. INFJ writers don't think like anyone else, and their highly creative brains take a toll on them that they rarely share with the outside world. The INFJ Writer discusses such topics as: How an INFJ writer's physical health is tied to their creative output Why INFJ writers are more likely to fall prey to addictions When an INFJ writer should use their natural psychic ability to do their best creative work Whether looking to start writing again or to finish the novel/memoir they started so long ago, any writer with the self-awareness to identify themselves as highly sensitive and intuitive will benefit from this book that helps them to find their own magic, and to finally use it to build the creative life that actually works for them.

The torture, violence, and death caused by the carnage will have the entire MC reeling from the loss. When Shadow finally decides to stop denying his feelings for Tatiana, he discovers it may be too late. The Breakneck family loss is far too great for Tatiana to think about her own feelings for the one man who has constantly resisted her. And when Winter gets an unexpected visitor, it throws Tatiana in a fit of rage and rebellion. Welcome back to the real world of Breakneck... where bloodshed and mayhem are to be expected.
