Kafka and the Universal Arthur Cools,Vivian Liska,2016-07-25 Kafka's work has been attributed a universal significance and is often regarded as the ultimate witness of the human condition in the twentieth century. Yet his work is also considered paradigmatic for the expression of the singular that cannot be subsumed under any generalization. This paradox engenders questions not only concerning the meaning of the universal as it manifests itself in (and is transformed by) Kafka's writings but also about the expression of the singular in literary fiction as it challenges the opposition between the universal and the singular. The contributions in this volume approach these questions from a variety of perspectives. They are structured according to the following issues: ambiguity as a tool of deconstructing the pre-established philosophical meanings of the universal; the concept of the law as a major symbol for the universal meaning of Kafka's writings; the presence of animals in Kafka's texts; the modernist mode of writing as challenge of philosophical concepts of the universal; and the meaning and relevance of the universal in contemporary Kafka reception. This volume examines central aspects of the interplay between philosophy and literature.

Judaean-Christian Intellectual Culture in the Seventeenth Century A.P. Coudert,S. Hutton,R.H. Popkin,G.M. Weiner,1999-06-30 MURIEL MCCARTHY This volume originated from a seminar organised by Richard H. Popkin in Marsh's Library on July 7-8, 1994. It was one of the most stimulating events held in the Library in recent years. Although we have hosted many special seminars on such subjects as rare books, the Huguenots, and Irish church history, this was the first time that a seminar was held which was specifically related to the books in our own collection. It seems surprising that this type of seminar has never been held before although the reason is obvious. Since there is no printed catalogue of the Library scholars are not aware of its contents. In fact the collection of books by late seventeenth and early eighteenth century European authors on, for example, such subjects as biblical criticism, political and religious controversy, is one of the richest parts of the Library's collections. Some years ago we were informed that of the 25,000 books in Marsh's at least 5,000 English books or books printed in England were printed between 1640 and 1700.

Stories of Faith Fabian Vogt,2023-02-10 - Nach Und Gott chillte ... nun endlich ein Wegweiser zum christlichen Glauben – gepostet im Stil von Social-Media-Stories - Das ideale Geschenk zu Konfirmation und Firmung - Ein humorvoller Katechismus für das 21. Jahrhundert Kurztext Von A wie Abendmahl bis Z wie Zölibat: Nach der Bibel in Kurznachrichten gibt's jetzt die Basics des Glaubens – gepostet im Stil von Social-Media-Stories. Die Posts sind nicht nur kurz und knackig, sondern auch witzig und kreativ, wie sich das für gute Insta-Stories gehört. Darf man denn so frech über Glaubensdinge sprechen? Äh ... Ja! Darf man. Die Geschichte Jesu vor 2000 Jahre hat schließlich auch keinerlei konservativen Normen entsprochen. In 153 Posts bringt der Theologe und Kabarettist Fabian Vogt zentrale Glaubensbegriffe auf den Punkt. Das macht unglaublich viel Spaß und lässt selbst komplexe Themen auf spielerische Weise verständlich werden. Vielleicht das vergnüglichste Lexikon seit der Auferstehung – und das erste, das man direkt am Stück durchlesen möchte. Zum Autor Fabian Vogt, Theologe, Germanist, Theaterwissenschaftler und Sänger, erzählt Geschichten – in Büchern, auf Kabarettbühnen, auf Kanzeln, im Radio (hr3), in großen Inszenierungen und jetzt in den Stories of Faith. Als Mitarbeiter des kirchlichen ThinkTank midi in Berlin (www.mi-di.de), befasst er sich unter anderem damit, wie man im 21. Jahrhundert so von Gott erzählen kann, dass Menschen sich neu begeistern lassen. Leseprobe » Abendmahl Der Name trägt: Abend-Mahl gibt's meist morgens – und ohne Kalorien. Und wenn dabei verkündet wird: Schmeckt und seht, wie freundlich der Herr ist (Ps. 34,9) wundern sich viele. Schmeckt Gott (-> Gott) wirklich wie eine pappige Oblate und ein Frühburgunder vom Discounter? ... » Auferstehung Diese Story ist der Knaller und das i-Tüpfelchen des christlichen Glaubens (-> Glauben): Drei Tage nach seinem Tod am Kreuz singt Jesus (-> Jesus): Hello again! ... » Jesus Was für eine Story! Ein Engel erscheint dem Teenager Maria und sagt sinngemäß: Gott (-> Gott) möchte gerne Mensch werden, um besser mit den Menschen kommunizieren zu können – und dazu mit dir einen Sohn auf die Welt bringen. Wäre schön, du würdest ihn Jesus nennen. Maria (-> Maria) ist ein bisschen verdutzt, sagt dann aber: O.k.! ...

Literary Translation, Reception, and Transfer Norbert Bachleitner,2020-09-21 The three concepts mentioned in the title of this volume imply the contact between two or more literary phenomena; they are based on similarities that are related to a form of 'travelling' and imitation or adaptation of entire texts, genres, forms or contents. Transfer comprises all sorts of 'travelling', with translation as a major instrument of transferring literature across linguistic and cultural barriers. Transfer aims at the process of communication, starting with the source product and its cultural context and then highlighting the mediation by certain agents and institutions to end up with inclusion in the target culture. Reception lays its focus on the receiving culture, especially on criticism, reading, and interpretation. Translation, therefore, forms a major factor in reception with the general aim of reception studies being to reveal the wide spectrum of interpretations each text offers. Moreover, translations are the prime instrument in the distribution of literature across linguistic and cultural borders; thus, they pave the way for gaining prestige in the world of literature. The thirty-eight papers included in this volume and dedicated to research in this area were previously read at the ICLA conference 2016 in Vienna. They are ample proof that the field remains at the center of interest in Comparative Literature.

The Author of Himself Marcel Reich-Ranicki,2020-09-08 Marcel Reich-Ranicki is remarkable for both his unlikely life story and his brilliant career

as the pope of German letters. His sublimely written autobiography is at once a fascinating adventure tale, an unusual account of German-Jewish relations, a personal rumination on who's who in German culture, and a love letter to literature. Reich-Ranicki's life took him from middle-class childhood to wartime misery to the heights of intellectual celebrity. Born into a Jewish family in Poland in 1920, he moved to Berlin as a boy. There he discovered his passion for literature and began a complex affair with German culture. In 1938, his family was deported back to Poland, where German occupation forced him into the Warsaw Ghetto. As a member of the Jewish resistance, a translator for the Jewish Council, and a man who personally experienced the ghetto's inhumane conditions, Reich-Ranicki gained both a bird's-eye and ground-level view of Nazi barbarism. Written with subtlety and intelligence, his account of this episode is among the most compelling and dramatic ever recorded. He escaped with his wife and spent two years hiding in the cellar of Polish peasants—an incident later immortalized by Günter Grass. After liberation, he joined and then fell out with the Communist Party and was temporarily imprisoned. He began writing and soon became Poland's foremost critical commentator on German literature. When Reich-Ranicki returned to Germany in 1958, his rise was meteoric. In short order, he claimed national celebrity and notoriety as the head of the literary section of the leading newspaper and host of his own television program. He frequently flabbergasted viewers with his bold pronouncements and flexed his power to make or break a writer's career. His list of friends and enemies rapidly expanded to include every influential player on the German literary scene, including Grass and Heinrich Böll. This, together with his keen critical instincts, makes his memoir an indispensable guide to contemporary German culture as well as an absorbing eyewitness history of some of the twentieth century's most important events.

Right-Wing Women Paola Bacchetta,Margaret Power,2013-01-11 An oft-neglected subject, right-wing women are an important component in understanding the many racist, fascist, and anti-feminist movements of the 20th century. Providing original research on an array of right-wing groups around the world, the contributors paint a disturbing and complicated portrait of the women involved in these movements. From Mussolini supporters to Klanswomen, this collection provides an eye-opening look at extremist women.

Sears, Roebuck & Co. Sears, Roebuck & Co.,2013-01-03 It was massive beyond all comprehension, it was incredibly cheap, it had everything in stock—it was Sears, Roebuck & Co. at the turn of the twentieth century. Oh, and it had a few kinks to work out. As one customer reportedly complained: “For heaven's sake, quit sending me sewing machines. Every time I go to the station I find another one there. You have shipped me five already.” But the company would gain a handle on its rapid growth and develop a reputation for efficiency and customer satisfaction. The catalog selection exploded to include all sorts of categories, from watches and jewelry to sporting goods, firearms, furniture, shoes, clothes, toiletries, toys, and almost anything else imaginable—including, of course, Dr. Hammonds Nerve and Brain Tablets, billed as the “Great Remedy for Weak Men,” for all those neurological disturbances men may have sought to cure in conjunction with ordering a sewing machine throughout the ages. With merchandise ranging from ordinary to fantastical (all priced at the pennies-on-the-dollar rate of yore), browsing through this vintage collection is sure to be an enjoyable experience. Now if only it came with a time machine . . .

The Leonard Bernstein Letters Leonard Bernstein,2013-10-29 “With their intellectual brilliance, humor and wonderful eye for detail, Leonard Bernstein’s letters blow all biographies out of the water.”—The Economist (2013 Book of the Year) Leonard Bernstein was a charismatic and versatile musician—a brilliant conductor who attained international superstar status, and a gifted composer of Broadway musicals (West Side Story), symphonies (Age of Anxiety), choral works (Chichester Psalms), film scores (On the Waterfront), and much more. Bernstein was also an enthusiastic letter writer, and this book is the first to present a wide-ranging selection of his correspondence. The letters have been selected for the insights they offer into the passions of his life—musical and personal—and the extravagant scope of his musical and extra-musical activities. Bernstein’s letters tell much about this complex man, his collaborators, his mentors, and others close to him. His galaxy of correspondents encompassed, among others, Aaron Copland, Stephen Sondheim, Jerome Robbins, Thornton Wilder, Boris Pasternak, Bette Davis, Adolph Green, Jacqueline Kennedy Onassis, and family members including his wife Felicia and his sister Shirley. The majority of these letters have never been published before. They have been carefully chosen to demonstrate the breadth of Bernstein’s musical interests, his constant struggle to find the time to compose, his turbulent and complex sexuality, his political activities, and his endless capacity for hard work. Beyond all this, these writings provide a glimpse of the man behind the legends: his humanity, warmth, volatility, intellectual brilliance, wonderful eye for descriptive detail, and humor. “The correspondence from and to the remarkable conductor is full of pleasure and insights.”—The New York Times Book Review (Editors’ Choice) “Exhaustive, thrilling [and] indispensable.”—USA Today (starred review)

Congregational Studies Worldwide Thorsten Latzel,Gerhard Wegner,2017-05-01 In the Christian churches, and in Protestantism in particular, the local gatherings of the faithful - parish and non-territorial free congregations - are of crucial importance. Viewed from a global perspective, they offer an extremely popular format and are growing, as for example in China and Latin America. In central and northern Europe, on the other hand, the Protestant parish and its congregation tend rather to be in decline. What is the current situation of church parishes and congregations? This book presents research into this topic from all over the world. China is among the countries represented, as are the United States (as the 'motherland' of the autonomous congregation), Switzerland, Germany and Scandinavia. The researchers have identified and defined a number of different lines of development. Ecclesiastical sociologists, sociologists of religion, and indeed everybody who is interested in the future of Protestantism will find some new insights into an old topic here.
