**The Wind Rose** B. Roman,2022-11-07 In this third and final adventure of the Moon Singer trilogy, the prophecy of the Moon Singer is realized. But it all revolves around the answer to one question: Can music actually create and destroy life? If David Nickerson, whose deafness still eludes treatment, cannot hear it, will he be able to tap into music's power to save the planet from catastrophe? Only if he is able to reunite the three sacred artifacts: the Singer crystal, the Rose Crystal pendant, and the Wind Rose compass. Their Triune energy is critical if David is to re-harmonize the destructive discordant music created by a vengeful music master bent on manipulating weather systems to bring about climate disasters. The mystical clipper ship Moon Singer is David's transport to the Source of his paranormal abilities, but only through his complete understanding of the Power of Three to Become One can he decipher the cryptic musical codes that have been created for evil purposes. In unraveling these codes David will come to know his own soul's song, the one that allows his disability to become his greatest gift.
