The Skeptic's Annotated Bible : Corrected and Explained : the Collegiate Workbook Jason Gastrich, Jesus Christ Saves Ministries (Association), 2004

Drunk with Blood Steve Wells, 2013-07-16 Completely Revised Second Edition with 23 new killings from the Apocrypha. Drunk With Blood includes a separate account for each of God's 158 killings. These stories fill the pages of the Bible, yet they are seldom read in church and are ignored by most Bible believers, which is a shame because God is so proud of his killings: I kill ... I wound ... I will make mine arrows drunk with blood and my sword shall devour flesh. Deuteronomy

32:39-42 You've probably hear of a few of God's killings. Noah's Flood, Sodom and Gomorrah, David and Goliath, maybe. But there are over 150 others that are unknown to pretty much everyone, believer and nonbeliever alike. Did you know, for example, that God: *Forced friends and family to kill each other for dancing naked around Aaron's golden calf? *Burned Aaron's sons to death for offering him strange fire? *Burned complainers to death, forced the survivors to eat quail until it literally came out their noses, sent fiery serpents to bite people for complaining about the lack of food and water, and killed 14,700 for complaining about his killings? *Buried alive those that opposed Moses (along with their families)? *Burned 250 men to death for burning incense? *Rewarded Phinehas for throwing a spear through the bellies of an inter-tribal couple while they were having sex? *Ordered, assisted in, or approved of dozens of complete genocides? *Accepted human sacrifice in the cases of Jephthah's daughter and Saul's seven sons? *Helped Samson murder thirty men for their clothes, slaughter 1000 with the jawbone of an ass, and kill 3000 civilians in a a suicide terrorist attack? *Smote the Philistines of several cities with hemorrhoids in their secret parts? *Killed a man for trying to keep the ark of the covenant from falling and 50,070 for looking into the ark? *Approved when David bought his first wife with 200 Philistine foreskins? *Killed King Saul for not killing every Amalekite as he told him to do? *Slowly killed a baby to punish King David for committing adultery? *Killed 70,000 because David

had a census that he (or Satan) told him to do? *Sent a lion to kill a prophet for believing another prophet's lie, another lion to kill a man for not smiting a prophet, and some more lions to kill people that didn't fear him enough? *Killed 450 religious leaders who lost a prayer contest with Elijah and burned 102 men to death for asking Elijah to come down from his hill? *Sent two bears to rip apart 42 boys for making fun of Elisha's bald head? *Killed 27,000 Syrians by having a wall fall on them, sent an angel to kill 185,000 sleeping soldiers, interfered in human battles to kill a half million Israelite and a million Ethiopian soldiers? *Killed King Ahab for not killing a captured king, and then sent King Jehu on a series of mass murders to kill all of Ahab's family and friends who had ever pissed against a wall? *Killed Jehoram by making his bowels fall out? *Killed Job's ten children in a bet with Satan? *Killed Ezekiel's wife and told him not to mourn her? *Killed Ananias and Sapphira for not giving Peter all their money? *Killed King Herod by feeding him to worms? All of these killings, and more, are found in the Bible, and their stories are told in the 2nd Edition of Drunk With Blood.

Understanding The Bible John Beuhrens, 2010-10-13
A thoughtful, warm, and witty introduction
Understanding the Bible is designed to help empower skeptics, seekers, nonbelievers, and those of a liberal and progressive outlook to reclaim the Bible from literalists. In making accessible some of the best contemporary historical, literary, political, and feminist readings of the Hebrew and

Christian scriptures, it encourages all who would find in the biblical heritage an ally and not an enemy in the quest for a more just and humane world. Brief and to the point, it can easily be used to stimulate group discussions and personal reading of the biblical texts themselves, and is an excellent introduction to the Judeo-Christian tradition for those of other faiths. Understanding the Bible includes four preliminary chapters on the why, who, which, and how of biblical understanding, followed by eight brief thematic chapters covering the core of the Hebrew Bible and six covering the Christian scriptures, plus chronologies, maps, and helpful suggestions for further reading.

The Born Again Skeptic's Guide to the Bible Ruth Hurmence Green, 1999 A mockery of the Bible and Christianity.

King Manasseh and Child Sacrifice Francesca Stavrakopoulou, 2012-10-24 The Hebrew Bible portrays King Manasseh and child sacrifice as the most reprehensible person and the most objectionable practice within the story of 'Israel'. This monograph suggests that historically, neither were as deviant as the Hebrew Bible appears to insist. Through careful historical reconstruction, it is argued that Manasseh was one of Judah's most successful monarchs, and child sacrifice played a central role in ancient Judahite religious practice. The biblical writers, motivated by ideological concerns, have thus deliberately distorted the truth about Manasseh and child sacrifice.

Deceptions and Myths of the Bible Lloyd M.

Graham, 2012-07-16 Lloyd M. Graham is out to show that the Bible, both the Old and New Testaments as we know them, are not "holy" nor are they the "word of God" revealed. The stories of the Bible were set down by power-seeking priests eager to inspire awe and to gather flocks who would take part in their rites and rituals, and they weren't very original, either. In *Deceptions and Myths of the Bible*, Graham reintroduces us to the true origins of Adam and Eve, who were derived from a Babylonian account; to the story of Noah's flood, which was the result of over four hundred years of flood accounts from various ancient civilizations; to the man named Moses who was fashioned after the Syrian story of Mises; and even to the laws of the Bible, which were patterned after the Babylonian Code of Hammurabi. Graham points out the 137 similarities between the story of Jesus and the story of the Egyptian god Horus, and the hundreds and hundreds of similarities between the story of Christ and the Hindu god Krishna. For any reader interested in history or theology, Graham's book is essential, eye-opening, and controversial reading. If you are an atheist, you'll be eager to read these arguments in support of your beliefs. If you are agnostic, you will want to have this evidence at your fingertips as you weigh systems of belief and disbelief. If you are religious, you will want to know how your faith came into being and how a study of history might shake or support your beliefs.

Holy Bible - Best God Damned Version - Genesis Steve Ebling,2015-03-14 Genesis. Every God damned chapter. Because you know it's nonsense, but were never sure why.

Man Jesus Loved Theodore W. Jr. Jennings,Theodore W. Jennings,2009-06-24 Homosexuality has been at the forefront of debate in the church for the last quarter-century, with Biblical interpretation at the heart of this debate. Some biblical passages appear to condemn certain same-sex relationships or erotic practices, resulting in a challenge to clergy as well as laity regarding the preaching and understanding of these Biblical passages. In *The Man Jesus Loved*, Jennings proposes a gay-affirmative reading of the Bible in the hope of respecting the integrity of these texts and making them more clear as well as persuasive. This reading suggests that the exclusion of persons on the basis of their sexual orientation or same-sex practices fundamentally distorts the Bible generally and the traditions concerning Jesus in particular.

The Atheist's Bible Georges Minois,2022-09-16 A comprehensive biography of the Treatise of the Three Impostors, a controversial nonexistent medieval book. Like a lot of good stories, this one begins with a rumor: in 1239, Pope Gregory IX accused Frederick II, the Holy Roman Emperor, of heresy. Without disclosing evidence of any kind, Gregory announced that Frederick had written a

supremely blasphemous book—De tribus impostoribus, or the Treatise of the Three Impostors—in which Frederick denounced Moses, Jesus, and Muhammad as impostors. Of course, Frederick denied the charge, and over the following centuries the story played out across Europe, with libertines, freethinkers, and other “strong minds” seeking a copy of the scandalous text. The fascination persisted until finally, in the eighteenth century, someone brought the purported work into actual existence—in not one but two versions, Latin and French. Although historians have debated the origins and influences of this nonexistent book, there has not been a comprehensive biography of the Treatise of the Three Impostors. In *The Atheist’s Bible*, the eminent historian Georges Minois tracks the course of the book from its origins in 1239 to its most salient episodes in the seventeenth and eighteenth centuries, introducing readers to the colorful individuals obsessed with possessing the legendary work—and the equally obsessive passion of those who wanted to punish people who sought it. Minois’s compelling account sheds much-needed light on the power of atheism, the threat of blasphemy, and the persistence of free thought during a time when the outspoken risked being burned at the stake.

Self-Contradictions of the Bible William Henry Burr, 19??

The Atheist's Bible Joan Konner, 2007-06-12 All thinking men are atheists, Ernest Hemingway famously wrote. True? Here are quips, quotes, and questions from a distinguished assortment of geniuses and jokers, giving readers a chance to

decide for themselves.... When I think of all the harm [the bible] has done, I despair of ever writing anything to equal it. Oscar Wilde SAINT, n. A dead sinner revised and edited. Ambrose Bierce There ain't no answer. There ain't going to be any answer. There never has been an answer. That's the answer. Gertrude Stein Do not let yourself be deceived: great intellects are skeptical. Friedrich Nietzsche Millions long for immortality who don't know what to do with themselves on a rainy Sunday afternoon. Susan Ertz God is love, but get it in writing. Gypsy Rose Lee Nothing is at last sacred but the integrity of our own mind. Ralph Waldo Emerson The fact that a believer is happier than a skeptic is no more to the point than the fact that a drunken man is happier than a sober one. George Bernard Shaw

A Manual for Creating Atheists Peter

Boghossian, 2014-07-01 For thousands of years, the faithful have honed proselytizing strategies and talked people into believing the truth of one holy book or another. Indeed, the faithful often view converting others as an obligation of their faith—and are trained from an early age to spread their unique brand of religion. The result is a world broken in large part by unquestioned faith. As an urgently needed counter to this tried-and-true tradition of religious evangelism, *A Manual for Creating Atheists* offers the first-ever guide not for talking people into faith—but for talking them out of it. Peter Boghossian draws on the tools he has developed and used for more than 20 years as a philosopher and educator to teach how to engage the faithful in conversations that will

help them value reason and rationality, cast doubt on their religious beliefs, mistrust their faith, abandon superstition and irrationality, and ultimately embrace reason.

The Anti-Bible Ivan Green, 2016-03-15 Are you an Atheist who is fed up with watching christians waving their bibles around to promote bigotry, hatred, violence, and oppression? Are you a christian who has realized that the entire religion is based on lies, superstition, and lack of knowledge about the world and the universe? Have you ever wondered exactly what is wrong with every single piece of both testaments of the bible? This is the book for you! Now you will have something to wave right back in the faces of uneducated religious nuts. Now you will have factual arguments to make with the church and its followers when they try to shove (or continue to shove) their doctrine down your throat. Now you can see every lie, direct contradiction, flaw, and falsehood this so-called holy book is filled with. There is a movement, folks, a fast-growing and passionate movement against the ideas of this religion and its enslavement of the human race for millennia. Whatever your beliefs, background, or life situation, read this book and join the movement!

From Jesus to Christianity L. Michael White, 2016-04-12 L. Michael White, one of the

world's foremost scholars on the origins of Christianity, provides the complete, astonishing story of how Christianity grew from the personal vision of a humble Jewish peasant living in a remote province of the Roman Empire into the largest organized religion in the world. Rather than reading the New Testament straight through in its traditional, or "canonical" order, *From Jesus to Christianity* takes a historical approach. Looking at the individual books chronologically, in the sequence in which they were actually written, readers can see what they divulge about the disagreements, shared values, and unifying mission of the earliest Christian communities. White digs through layers of archaeological excavations, sifts through buried fragments of largely unknown texts, and examines historical sources to discover what we can know of Jesus.
