*Everything the Instructors Never Told You About Mogul Skiing* Dan DiPiro, 2005-09-02 The real mogul skiing instruction you're looking for. Whether you want to ski gentle moguls with comfort and confidence, turn heads on your local mogul run, or compete in mogul contests, this book will give you the specialized techniques you need to reach your goal. In this how-to classic, former competitor Dan DiPiro reveals techniques that have remained largely unknown or misunderstood outside of competitive mogul skiing circles. Most skiers try to ski moguls using only groomed-trail techniques, says DiPiro. But the bumps require a special set of techniques that have little to do with groomed-trail skiing. With an understanding of these special techniques, most fit, expert skiers can become good mogul skiers, and some can become excellent mogul skiers and even mogul competitors. For the aspiring mogul skier, this book is full of invaluable instruction. For the seasoned bumper, it's an ideal tune-up guide and a refreshing affirmation. For all skiers interested in broadening their understanding of downhill skiing excellence, it's an original, eye-opening read.

**Snow Guns Before Sunrise** Patrick Torsell, 2017-12-15 Ever wonder what it's like to operate a snowcat, or even run the whole show as a ski resort General Manager? Get ready to lift the veil on your favorite sport, and discover how every other business venture is made boring in the shadow of the ski resort industry! *Snow Guns Before Sunrise* will let you in on all the secrets as you walk, and ski, in the boots of ski industry insiders to see what really goes on behind the scenes. Complete with job descriptions, a-day-in-the-life-of details, and anecdotes from industry professionals, you'll discover everything you wanted to know, and then some, about the inner workings of a ski resort. Get a glimpse of the complexity of the ski operation and its many moving parts, and explore the mystique of working in the mountains for the sake of skiing. You'll learn the metrics by which a ski area measures success, and read about the unsung heroes behind the scenes. For skiers who want to know more about what it takes to deliver their favorite sport to the masses, *Snow Guns Before Sunrise* answers all the questions that come to mind on a quiet and thoughtful lift ride, or in a spirited online discussion: Why aren't they making snow on my favorite trail? How is corduroy made? What does it take to be a ski area manager? With these kind of lift ticket prices, ski areas must be flush with cash, right? If they just let me run the place, it would be so much better. Or would it? *Snow Guns Before Sunrise* is where you'll find out! For anyone thinking of a career in the ski industry, *Snow Guns Before Sunrise* is your primer. Regardless of your particular area of interest in ski area operations, having a big-picture understanding will make you a better employee, and provide you with the insight it takes to get noticed as a potential leader. For professionals already working in the industry, *Snow Guns Before Sunrise* offers you a fresh perspective and refines your literacy of different areas of the ski area operation. You'll catch yourself chuckling as you relate on many levels from your own ski resort experience! *Snow Guns Before Sunrise* is the book to read if you like to ski and want to know more about how ski areas actually operate, so boot up and get ready to load the lift that takes you inside the resort operation!

**Everything the Instructors Never Told You About Mogul Skiing** Dan DiPiro, 2005-08-01 This is a story about a modern day pirate, the most ruthless gangster and feared crime boss to ever come off the streets of Boston. Some readers would no doubt recognize this man, so his name and the other characters in this story have been changed to protect the dead-- and those who could become the dead. For twenty-five years, he ruled the Boston underworld, controlling illegal gambling, loan sharking, and drug dealing in Boston, up and down the East Coast from Maine to Rhode Island. He was the Don of Boston's Irish Mafia. Who is this modern day pirate? What was his secret deal with the FBI? Where is this man now? Only The Phantom Pirate knows

*White Planet* Leslie Anthony, 2010-09-27 Writer and adventurer Leslie Anthony has spent his life on two planks, racing down hills, searching for the next perfect ride. His real baptism, however, began in the early nineties when Alaska emerged as the ski world's Next Big Thing. Steep faces and vast tracks of powder snow, were captured on film and beamed to audiences around the world. The result was a freeskiing revolution. With insight and humor, *White Planet*, traces an arc through the new ski culture, in a rock 'n' roll adventure that follows a diaspora to far-flung corners of the globe. Along the way, Anthony introduces many of the daredevils, visionaries and entrepreneurs who are bringing the sport to such unexpected places as Mexico, China, Lebanon and India.

**Skiing the Great Resorts of North America** Wendy Williams, 1978

Skiing Sun Valley: A History from Union Pacific to the Holdings John W. Lundin, 2020 Union Pacific Railroad's Averell Harriman had a bold vision to restore rail passenger traffic decimated by the Great Depression: create ski tourism in Idaho's remote Wood River Valley. A \$1.5 million investment opened Sun Valley in December 1936 with a lavish lodge, luxury shopping, Austrian ski instructors and extensive backcountry skiing. Prestigious tournaments featured the world's best skiers. Chairlifts invented by Union Pacific engineers serviced skiers quickly and comfortably. Ski instructor and filmmaker Otto Lang recalled that seemingly overnight, it became a magnet for the 'beautiful people,' a meeting place for movie stars and moguls, chairmen and captains of industry, Greek shipping tycoons, and peripatetic playboys--and playgirls--of the international social set. After World War II and Harriman's departure, Union Pacific's willingness to pay the \$500,000 yearly subsidy waned. Bill Janss purchased it in 1964 and reimagined it as a year-round resort but lacked the capital for growth. Sinclair Oil owners Earl and Carol Holding acquired it in 1977, revitalizing it into a premier resort with international status. Award-winning ski historian John W. Lundin celebrates America's first destination ski resort using unpublished Union Pacific documents, oral histories, contemporaneous accounts and more than 150 historic images.

Also included are maps and information on cross-country skiing and other winter sports available in each area.
