Hayley Nolan

Woman at Point Zero Nawal El Saadawi, 2024-07-11 Firdaus is on death row. Her crime, the murder of a man. Born to poverty in a rural Egyptian village, her childhood dreams and ambitions had been met with neglect and abuse by the world and the men who rule it. Driven to sex work to support herself, she is faced with the moral outrage of society and the bitter knowledge that for a woman, true freedom comes only when all hope is abandoned. In Nawal El Saadawi's landmark novel, *Woman at Point Zero*, published here with a new foreword, Firdaus tells her unforgettable story.

Finding Latinx Paola Ramos, 2020-10-20 Latinos across the United States are redefining identities, pushing boundaries, and awakening politically in powerful and surprising ways. Many—Afrolatino, indigenous, Muslim, queer and undocumented, living in large cities and small towns—are voices who have been chronically overlooked in how the diverse population of almost sixty million Latinos in the U.S. has been represented. No longer. In this empowering cross-country travelogue, journalist and activist Paola Ramos embarks on a journey to find the communities of people defining the controversial term, “Latinx.” She introduces us to the indigenous Oaxacans who rebuilt the main street in a post-industrial town in upstate New York, the “Las Poderosas” who fight for reproductive rights in Texas, the musicians in Milwaukee whose beats reassure others of their belonging, as well as drag queens, environmental activists, farmworkers, and the migrants detained at our border. Drawing on intensive field research as well as her own personal story, Ramos chronicles how “Latinx” has given rise to a sense of collectivity and solidarity among Latinos unseen in this country for decades. A vital and inspiring work of reportage, *Finding Latinx* calls on all of us to expand our understanding of what it means to be Latino and what it means to be American. The first step towards change, writes Ramos, is for us to recognize who we are.

Great North Road Peter F. Hamilton, 2013-01-01 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY New York Times bestselling author Peter F. Hamilton’s riveting new thriller combines the nail-biting suspense of a serial-killer investigation with clear-eyed scientific and social extrapolation to create a future that seems not merely plausible but inevitable. A century from now, thanks to a technology allowing instantaneous travel across light-years, humanity has solved its energy shortages, cleaned up the environment, and created far-flung colony worlds. The keys to this empire belong to the powerful North family—composed of successive generations of clones. Yet these clones are not identical. For one thing, genetic errors have crept in with each generation. For another, the original three clone “brothers” have gone their separate ways, and the branches of the family are now friendly rivals more than allies. Or maybe not so friendly. At least that’s what the murder of a North clone in the English city of Newcastle suggests to Detective Sidney Hurst. Sid is a solid investigator who’d like nothing better than to hand off this hot potato of a case. The way he figures it, whether he solves the crime or not, he’ll make enough enemies to ruin his career. Yet Sid’s case is about to take an unexpected turn: because the circumstances of the murder bear an uncanny resemblance to a killing that took place years ago on the planet St. Libra, where a North clone and his entire household were slaughtered in cold blood. The convicted slayer, Angela Tramel, has

always claimed her innocence. And now it seems she may have been right. Because only the St. Libra killer could have committed the Newcastle crime. Problem is, Angela also claims that the murderer was an alien monster. Now Sid must navigate through a Byzantine minefield of competing interests within the police department and the world's political and economic elite . . . all the while hunting down a brutal killer poised to strike again. And on St. Libra, Angela, newly released from prison, joins a mission to hunt down the elusive alien, only to learn that the line between hunter and hunted is a thin one. **BONUS:** This edition includes an excerpt from Peter F. Hamilton's *The Abyss Beyond Dreams*. Praise for *Great North Road* "A mesmerizing page-turner."—Publishers Weekly (starred review) "A gripping saga that blends wilderness survival, police procedural, political and social intrigue, and dynastic sf into a mammoth tale featuring believable characters and exceptionally skilled storytelling."—Library Journal (starred review) "A perfect introduction to [Hamilton's] gifts for character design, dialogue, and sheer, big-idea-driven storytelling."—Booklist (starred review) "Compelling and original . . . an awesome novel [with] plenty of action."—SFRevu "One very compelling and entertaining science fiction novel."—SF Site "Simply brilliant . . . an astonishing achievement."—Tor.com

Chicken and Rice Shu Han Lee, 2016-05-05 Southeast Asian food is fresh, easy and full of unforgettable flavours: *Chicken and Rice* will show you just how simple it is to make at home. Shu Han Lee moved to London from Singapore as a student. Homesick and hungry, she started teaching herself to cook the food she'd grown up with - Singaporean and Malaysian dishes, with a strong Chinese influence from her mother. *Chicken and Rice* features the perfect midweek suppers rustled up in less time than it takes to order a takeaway (that are healthier and better tasting too), including FENNEL AND MINCED PORK STIR-FRY or TOM YUM SOUP WITH MUSSELS. Or for weekends, there are more adventurous projects such as lessons in making your own STEAMED BUNS and EGG NOODLES! With a seasonal approach to the very best of UK produce, these are recipes you'll return to time and time again. 'A feel-good blend of simple recipes and touching memories' Diana Henry, *Telegraph* 'A really tempting 'discovery' cuisine book . . . there's loads you'll want to cook' Ed Smith, *Rocket & Squash*

Late, Late at Night Rick Springfield, 2010-10-12 Features four bonus videos! Watch Rick discuss the events that have shaped his life; step inside his recording studio to hear him discuss his music, his acting career, coming to America, and his love of dogs; and watch Rick's "What's Victoria's Secret?" music video and his unplugged version of "I Get Excited." In a searingly candid memoir which he authored himself, Grammy Award-winning pop icon Rick Springfield pulls back the curtain on his image as a bright, shiny, happy performer to share the startling story of his rise and fall and rise in music, film, and television and his lifelong battle with depression. In the 1980s, singer-songwriter and actor Rick Springfield seemed to have it all: a megahit single in "Jessie's Girl," sold-out concert tours, follow-up hits that sold more than 17 million albums and became the pop soundtrack for an entire generation, and 12 million daily viewers who avidly tuned in to *General Hospital* to swoon over his portrayal of the handsome Dr. Noah Drake. Yet lurking behind his success as a pop star and soap opera heartthrob and his unstoppable drive was a moody, somber, and dark soul, one filled with depression and insecurity. In *Late*,

Late at Night, the memoir his millions of fans have been waiting for, Rick takes readers inside the highs and lows of his extraordinary life. By turns winningly funny and heartbreakingly sad, every page resonates with Rick's witty, wry, self-deprecating, brutally honest voice. On one level, he reveals the inside story of his ride to the top of the entertainment world. On a second, deeper level, he recounts with unsparing candor the forces that have driven his life, including his longtime battle with depression and thoughts of suicide, the shattering death of his father, and his decision to drop out at the absolute peak of fame. Having finally found a more stable equilibrium, Rick's story is ultimately a positive one, deeply informed by his passion for creative expression through his music, a deep love of his wife of twenty-six years and their two sons, and his life-long quest for spiritual peace.

Let the Great World Spin Colum McCann, 2009-06-23 NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (*San Francisco Chronicle*), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. BONUS: This edition includes an excerpt from Colum McCann's *TransAtlantic*. "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed."—Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves."—USA Today

Portnoy's Complaint Philip Roth, 1994-09-20 The groundbreaking novel from the Pulitzer Prize-winning author of American Pastoral that originally propelled its author to literary stardom: told in a continuous monologue from patient to psychoanalyst, this masterpiece draws us into the turbulent mind of one lust-ridden young Jewish bachelor named Alexander Portnoy. Deliciously funny...absurd and exuberant, wild and uproarious...a brilliantly vivid reading experience. –The New York Times Book Review Touching as well as hilariously lewd.... Roth is vibrantly talented. –New York Review of Books Portnoy's Complaint n. [after Alexander Portnoy (1933-)] A disorder in which strongly-felt ethical and altruistic impulses are perpetually warring with extreme sexual longings, often of a perverse nature. Spielvogel says: 'Acts of exhibitionism, voyeurism, fetishism, auto-eroticism and oral coitus are plentiful; as a consequence of the patient's morality, however, neither fantasy nor act issues in genuine sexual gratification, but rather in overriding feelings of shame and the dread of retribution, particularly in the form of castration.' (Spielvogel, O. The Puzzled Penis, Internationale Zeitschrift für Psychoanalyse, Vol. XXIV, p. 909.) It is believed by Spielvogel that many of the symptoms can be traced to the bonds obtaining in the mother-child relationship.

Dune Messiah Frank Herbert, 2020-07-07 Book Two in the Magnificent Dune Chronicles—the Bestselling Science Fiction Adventure of All Time Dune Messiah continues the story of Paul Atreides, better known—and feared—as the man christened Muad'Dib. As Emperor of the known universe, he possesses more power than a single man was ever meant to wield. Worshipped as a religious icon by the fanatical Fremmen, Paul faces the enmity of the political houses he displaced when he assumed the throne—and a conspiracy conducted within his own sphere of influence. And even as House Atreides begins to crumble around him from the machinations of his enemies, the true threat to Paul comes to his lover, Chani, and the unborn heir to his family's dynasty...

Mean Baby Selma Blair, 2023-05-09 Selma Blair has played many roles: Ingenue in Cruel Intentions. Preppy ice queen in Legally Blonde. Muse to Karl Lagerfeld. Advocate for the multiple sclerosis community. But before all of that, Selma was known best as ... a mean baby. In a memoir that is as wildly funny as it is emotionally shattering, Blair tells the captivating story of growing up and finding her truth. Blair is a rebel, an artist, and it turns out: a writer.—Glennon Doyle, Author of the #1 New York Times Bestseller Untamed and Founder of Together Rising The first story Selma Blair Beitner ever heard about herself is that she was a mean, mean baby. With her mouth pulled in a perpetual snarl and a head so furry it had to be rubbed to make way for her forehead, Selma spent years living up to her terrible reputation: biting her sisters, lying spontaneously, getting drunk from Passover wine at the age of seven, and behaving dramatically so that she would be the center of attention. Although Selma went on to become a celebrated Hollywood actress and model, she could never quite shake the periods of darkness that overtook her, the certainty that there was a great mystery at the heart of her life. She often felt like her arms might be on fire, a sensation not unlike electric shocks, and she secretly drank to escape. Over the course of this beautiful and, at times, devastating memoir, Selma lays bare her addiction to alcohol, her devotion to her brilliant and complicated mother, and the moments she flirted with death. There is brutal violence, passionate

love, true friendship, the gift of motherhood, and, finally, the surprising salvation of a multiple sclerosis diagnosis. In a voice that is powerfully original, fiercely intelligent, and full of hard-won wisdom, Selma Blair's *Mean Baby* is a deeply human memoir and a true literary achievement.

Critical Theory Today Lois Tyson, 2012-09-10 *Critical Theory Today* is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

Feed M.T. Anderson, 2012-07-17 Identity crises, consumerism, and star-crossed teenage love in a futuristic society where people connect to the Internet via feeds implanted in their brains. This new edition contains new back matter and a refreshed cover. A National Book Award finalist.

No Logo Naomi Klein, 2000-01-15 What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands. Billy Bragg from the bookjacket.

Anne Boleyn Hayley Nolan, 2019-12 A bold new analysis of one of history's most misrepresented women. History has lied. Anne Boleyn has been sold to us as a dark figure, a scheming seductress who bewitched Henry VIII into divorcing his queen and his church in an unprecedented display of passion. Quite the tragic love story, right? Wrong. In this electrifying exposé, Hayley Nolan explores for the first time the full, uncensored evidence of Anne Boleyn's life and relationship with Henry VIII, revealing the shocking suppression of a powerful woman. So leave all notions of outdated and romanticised folklore at the door and forget what you think you know about one of the Tudors' most notorious queens. She may have been silenced for centuries, but this urgent book ensures Anne Boleyn's voice is being heard now. #TheTruthWillOut

That's the Joint! Murray Forman, Mark Anthony Neal, 2004 Spanning 25 years of serious writing on hip-hop by noted scholars and mainstream journalists, this comprehensive anthology includes observations and critiques on groundbreaking hip-hop recordings.

Tell Me How It Ends Valeria Luiselli, 2017-03-13 Part treatise, part memoir, part call to action, *Tell Me How It Ends* inspires not through a stiff stance of authority, but with the curiosity and humility Luiselli has long since established. —Annalia Luna, Brazos Bookstore Valeria Luiselli's extended essay on her volunteer work translating for child immigrants confronts with compassion and honesty the problem of the North American refugee crisis. It's

a rare thing: a book everyone should read. –Stephen Sparks, Point Reyes Books Tell Me How It Ends evokes empathy as it educates. It is a vital contribution to the body of post-Trump work being published in early 2017. –Katharine Solheim, Unabridged Books While this essay is brilliant for exactly what it depicts, it helps open larger questions, which we're ever more on the precipice of now, of where all of this will go, how all of this might end. Is this a story, or is this beyond a story? Valeria Luiselli is one of those brave and eloquent enough to help us see. –Rick Simonson, Elliott Bay Book Company Appealing to the language of the United States' fraught immigration policy, Luiselli exposes the cracks in this foundation. Herself an immigrant, she highlights the human cost of its brokenness, as well as the hope that it (rather than walls) might be rebuilt. –Brad Johnson, Diesel Bookstore The bureaucratic labyrinth of immigration, the dangers of searching for a better life, all of this and more is contained in this brief and profound work. Tell Me How It Ends is not just relevant, it's essential. –Mark Haber, Brazos Bookstore Humane yet often horrifying, Tell Me How It Ends offers a compelling, intimate look at a continuing crisis—and its ongoing cost in an age of increasing urgency. –Jeremy Garber, Powell's Books

The Swastika Malcolm Quinn, 2005-07-26 Despite the enormous amount of material about Nazism, there has been no substantial work on its emblem, the swastika. This original contribution examines the popular appeal of the archaic image of the swastika: the tradition of the symbol.

Zen and the Art of Motorcycle Maintenance Robert M. Pirsig, 1979 With a new introduction by the author--Jacket.

Jim Crow Guide to the U.S.A. Stetson Kennedy, 2011-03-15 Jim Crow Guide documents the system of legally imposed American apartheid that prevailed during what Stetson Kennedy calls the long century from Emancipation to the Overcoming. The mock guidebook covers every area of activity where the tentacles of Jim Crow reached. From the texts of state statutes, municipal ordinances, federal regulations, and judicial rulings, Kennedy exhumes the legalistic skeleton of Jim Crow in a work of permanent value for scholars and of exceptional appeal for general readers.

Past the Shallows Favel Parrett, 2013-02-26 PAST THE SHALLOWS is the award-winning, bestselling debut novel from Favel Parrett recently named on Oprah's Book Club 2.0 as a 'Can't Miss New Paperback' and now including bonus material from her new book, WHEN THE NIGHT COMES. Everyone loves Harry. Everyone except his father. Three brothers, Joe, Miles and Harry, are growing up on the remote south coast of Tasmania. The brother's lives are shaped by their father's moods - like the ocean he fishes, his is wild and unpredictable. He is a bitter man, warped by a devastating secret. Miles tries his best to watch out for Harry, the youngest, but he can't be there all the time. Often alone, Harry finds joy in the small treasure he discovers, in the shark eggs and cuttlefish bones. In a kelpie pup, a big mug of Milo, and a secret friendship with a mysterious neighbour. But sometimes small treasures, or a brother's love, are not enough. Winner, Newcomer of the Year, Australian Book Industry Awards (ABIA), 2012 Winner, Dobbie Literary Award, 2012 PRAISE for PAST THE SHALLOWS: 'that rare thing, a finely crafted literary novel that is genuinely moving and full of heart' THE AGE 'an understated and beautifully penned story set on the Tasmanian coast, gives voice to two brothers as their lives are influenced by unpredictable

forces....Parrett's writing is exquisite in its simplicity and eloquence, and her narrative is heart-rending.This poignant story resonates.' KIRKUS REVIEWS, USA 'Beautiful, stripped-back prose...there is magic here. Like Cormac McCarthy, Parrett packs a huge emotional punch thanks to the elegant brevity of her style. Stark, but unforgettable...' MARIE CLAIRE, UK 'If you read only one book this year make sure it's this.' THE SUNDAY TIMES, Tasmania 'Wintonesque' HERALD SUN 'I loved Past the Shallows' Kevin Powers, author of THE YELLOW BIRDS

From Caligari to Hitler Siegfried Kracauer,2019-04-02 An essential work of the cinematic history of the Weimar Republic by a leading figure of film criticism First published in 1947, From Caligari to Hitler remains an undisputed landmark study of the rich cinematic history of the Weimar Republic. Prominent film critic Siegfried Kracauer examines German society from 1921 to 1933, in light of such movies as The Cabinet of Dr. Caligari, M, Metropolis, and The Blue Angel. He explores the connections among film aesthetics, the prevailing psychological state of Germans in the Weimar era, and the evolving social and political reality of the time. Kracauer makes a startling (and still controversial) claim: films as popular art provide insight into the unconscious motivations and fantasies of a nation. With a critical introduction by Leonardo Quaresima which provides context for Kracauer's scholarship and his contributions to film studies, this Princeton Classics edition makes an influential work available to new generations of cinema enthusiasts.

When people should go to the ebook stores, search start by shop, shelf by shelf, it is in fact problematic. This is why we give the books compilations in this website. It will totally ease you to see guide **Skin Your Icon Free Home Screen Iconsicon Skinpimp** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections.
