Microsoft Azure Essentials Azure Machine Learning Jeff Barnes, 2015-04-25 Microsoft Azure Essentials from Microsoft Press is a series of free ebooks designed to help you advance your technical skills with Microsoft Azure. This third ebook in the series introduces Microsoft Azure Machine Learning, a service that a developer can use to build predictive analytics models (using training datasets from a variety of data sources) and then easily deploy those models for consumption as cloud web services. The ebook presents an overview of modern data science theory and principles, the associated workflow, and then covers some of the more common machine learning algorithms in use today. It builds a variety of predictive analytics models using real world data, evaluates several different machine learning algorithms and modeling strategies, and then deploys the finished models as machine learning web services on Azure within a matter of minutes. The ebook also expands on a working Azure Machine Learning predictive model example to explore the types of client and server applications you can create to consume Azure Machine Learning web services. Watch Microsoft Press's blog and Twitter (@MicrosoftPress) to learn about other free ebooks in the Microsoft Azure Essentials series.

You Were Always Mom's Favorite! Deborah Tannen, 2010-09-07 NEW YORK TIMES BESTSELLER Conversations between sisters reveal a deep and constant tug between two dynamics—an impulse toward closeness and an impulse toward competition. It takes just a word from your sister to start you laughing, or to summon up a past you both share. But it also takes just a word to send you into an emotional tailspin. For many women, a sister is both a devoted friend and a fierce rival. Wise and witty, *You Were Always Mom's Favorite!* will leave you with a profound new understanding of the unique and precious sister bond, as well as provide practical advice that will open up communication, dispel tensions, and make a vital connection even stronger, deeper, and more resilient.
