Hush Little Baby Sylvia Long,2010-07-01 Hush little baby, don't say a word, Mama's going to show you a hummingbird. If that hummingbird should fly, Mama's going to show you the evening sky. From award-winning artist Sylvia Long comes a touching version of the well-known lullaby, Hush Little Baby. Each spread reveals a tender scene as a mama bunny lulls her baby bunny to sleep by enlisting a parade of bedtime wonders—the beauty of a hummingbird in flight; the magic of a harvest moon; the reassurance of a parent's hug, all these and more combine to create a classic volume sure to be treasured for generations to come.

Go the Fk to Sleep** Adam Mansbach,2011-06-14 The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f**k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

family in this visually stunning debut. As the moon rises, a family steps into the night on a journey toward a new beginning. Along the way, their little girl delights in the wonders of nature, saying good night--lilah tov--to the creatures and landscapes they pass. Wherever she looks--on land, in the sky above and even, eventually, in the water below her boat--there are marvels to behold. Lilah tov to the birds in the trees, lilah tov to the fish in the sea. Then, when their travels are finally over, her parents tuck her in tight, safe and ready for dreams in their new home. This lyrical lullaby celebrates the beauty of our world and the spirit of resilience in a refugee family.

All My Friends Are Fast Asleep David Weinstone,2017-09-05 Parents Magazine's Best Bedtime Story of 2017! From David

Weinstone, the popular children's musician and creator of the Music for Aardvarks program, comes *All My Friends Are Fast Asleep*, a rhythmic, cheerily illustrated bedtime story sure to smooth the way to sleep for young insomniacs everywhere. After tossing and turning in his bed, a little boy embarks on a nighttime quest to find a cozy place to rest. He visits one animal friend after another, from a lark in its nest to a mole in its hole. But while all the animals he meets are happily dozing off, this tuckered-out wanderer remains wide-awake—until he finally finds the perfect spot to lay his head.

Goodnight Bubbala Sheryl Haft, 2019-10-15 This festive parody reimagines a classic bedtime book as a lively Jewish family gathering complete with bubbies and zeydes—a perfect gift or read aloud that includes an exclusive latke recipe by Ina Garten, TV's Barefoot Contessa! In the small blue room there was a bubbala, and a little shmatta, and then—oy vey!—came the whole mishpacha! This zesty parody of one of America's favorite picture books offers a very different bedtime routine: one that is full of family exuberance and love. Instead of whispers of “hush,” this bedtime includes dancing and kvelling, and of course, noshing—because this little bunny is a Jewish bunny, and this joyous book celebrates the Jewish values of cherishing your loved ones, expressing gratitude, and being generous. Filled with Yiddish words, the book includes a phonetic glossary and even an easy latke recipe by beloved cookbook author Ina Garten, who calls the book “brilliant, beautiful, important, and so much fun!”

The Big Bed Bunmi Laditan, 2018-02-06 From Bunmi Laditan, the creator of the Honest Toddler blog, *The Big Bed* is a humorous picture book about a girl who doesn't want to sleep in her little bed, so she presents her dad with his own bed—a camping cot!—in order to move herself into her parents' big bed in his place. A twist on the classic

parental struggle of not letting kids sleep in their bed.
