Read it yourself with Ladybird is one of Ladybird's best-selling series. For over thirty-five years it has helped young children who are learning to read develop and improve their reading skills. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. Sleeping Beauty is a Level 2 Read it yourself title, ideal for children who have received some initial reading instruction and can read short, simple sentences with help.

All seems lost, and it falls to one young woman with a strong heart, aided by strange companions, to find her way to the castle at the heart of the enchanted forest. Once there, it will take a genuine act of love to break the curse and free the kingdom. A story about friendship, drawing on myth and folklore, Sleeping Beauty is an exciting and enchanting new adaptation of the well-loved story.
