**Building PowerPoint Templates Step by Step with the Experts** Echo Swinford, Julie Terberg, 2012-09-28 Building PowerPoint Templates Supercharge your PowerPoint® presentations with custom templates and themes! Want to create presentations that are more consistent and cost-effective? Presentations that fully reflect your branding? Then don't settle for Microsoft's "out-of-the-box" templates and themes: create your own! In this easy, hands-on guide, two PowerPoint MVPs teach you every skill and technique you'll need to build the perfect template—from planning and design, through theme building, custom layouts, colors, and deployment. Echo Swinford and Julie Terberg have distilled their immense PowerPoint knowledge into simple, step-by-step techniques you can use right now, whether you're using PowerPoint 2010 or 2007 for Windows, or PowerPoint 2011 for Mac. Well-built templates are the backbone of great presentations—whether building them for your own use or designing for thousands of users, this book will guide you through the process of creating the most effective templates. Important Note: Upgrading from older versions of PowerPoint, such as PowerPoint 2003? Your old templates may no longer work. This book will help you make the transition painlessly! • Plan new templates and themes to maximize their business value for years to come • Understand the differences between templates and themes, and how they work together • Make better choices about color, fonts, and slide layouts • Create efficient templates for individual users, teams, and large organizations • Incorporate Notes and Handout Masters into your presentation templates • Provide example slides and default settings that lead to better presentations • Use Microsoft's little-known Theme Builder to create effects and background styles • Work around hidden quirks in PowerPoint's advanced template and theme features Echo Swinford, a Microsoft PowerPoint MVP since 2000, has been a featured speaker at the Presentation Summit (formerly PowerPoint Live) since its inception. She is the expert voice and instructor behind PowerPoint 2010 LiveLessons (Video Training), the author of *Fixing PowerPoint Annoyances* and co-author of *The PowerPoint 2007 Complete Makeover Kit*. Julie Terberg is a Microsoft PowerPoint MVP and featured speaker at the Presentation Summit. She is the owner of Terberg Design and has been designing presentations since the mid-1980s. She is co-author of *Perfect Medical Presentations*. As contributing author for *Presentations Magazine*, she won awards for her Creative Techniques columns.

**Fixing PowerPoint Annoyances** Echo Swinford, 2006-02-17 If you're vexed and perplexed by PowerPoint, pick up a copy of *Fixing PowerPoint Annoyances*. This funny, and often opinionated, guide is chock full of tools and techniques for eliminating all the problems that drive audiences and presenters crazy. There's nothing more discouraging than an unresponsive audience—or worse, one that snickers at your slides. And there's nothing more maddening than technical glitches that turn your carefully planned slide show into a car wreck. Envious when you see other presenters effectively use nifty features that you've never been able to get to work right? Suffer no more! *Fixing PowerPoint Annoyances* by Microsoft PowerPoint MVP Echo Swinford rides to the rescue. Microsoft PowerPoint is the most popular presentation software on the planet, with an estimated 30 million presentations given each day. So no matter how frustrated you get, you're not about to chuck the program in the Recycle Bin. *Fixing PowerPoint Annoyances*, presents smart solutions to a variety of all-too-familiar, real-world annoyances. The book is divided into big categories, with annoyances grouped by topic. You can read it cover to cover or simply jump to the chapter or section most relevant to you. Inside its pages you'll learn how to create your own templates, work with multiple masters and slide layouts, and take advantage of various alignment and formatting tools. You'll also learn how to import Excel data; insert graphics, PDF, and Word content; create, edit, and format organization charts and diagrams; use action settings and hyperlinks to jump to other slides; and add sound, video, and other types of multimedia to spark up your presentations. Entertaining and informative, *Fixing PowerPoint Annoyances* is filled with humorous illustrations and packed with sidebars, tips, and tricks, as well as links to cool resources on the Web.

**Taming the Nueces Strip** George Durham, Clyde Wantland, 2010-03-01 "Durham's account is modest and straightforward . . . has many lessons for anyone interested in the history of the Old West, leadership or law enforcement." —American West Review Only an extraordinary Texas Ranger could have cleaned up bandit-plagued Southwest Texas, between the Nueces River and the Rio Grande, in the years following the Civil War. Thousands of raiders on horseback, some of them Anglo-Americans, regularly crossed the river from Mexico to pillage, murder, and rape. Their main objective? To steal cattle, which they herded back across the Rio Grande to sell. Honest citizens found it almost impossible to live in the Nueces Strip. In desperation, the governor of Texas called on an extraordinary man, Captain Leander M. McNelly, to take command of a Ranger company and stop these border bandits. One of McNelly's recruits for this task was George Durham, a Georgia farm boy in his teens when he joined the "Little McNellys," as the Captain's band called themselves. More than half a century later, it was George Durham, the last surviving "McNelly Ranger," who recounted the exciting tale of taming the Nueces Strip to San Antonio writer Clyde Wantland. In Durham's account, those long-ago days are brought vividly back to life. Once again the daring McNelly leads his courageous band across Southwest Texas to victories against incredible odds. With a boldness that overcame their disarmingly small number, the McNellys succeeded in bringing law and order to the untamed Nueces Strip—succeeded so well that they antagonized certain "upright" citizens who had been pocketing surreptitious dollars from the bandits' operations. "The reader seems to smell the acrid gunsmoke and to hear the creak of saddle leather." —Southwestern Historical Quarterly
