

Slovakia Radio 33

United States. Office of Strategic Services. Foreign Nationalities Branch

Public Broadcasting and the Public Interest Michael P. McCauley, 2003 With contributions from key scholars from a wide variety of disciplines, this volume examines the crisis facing public broadcasting in the US today by analyzing the institution's development, its present-day operations, and its prospects for the future.

Global Information Sources Matthew Claeson, Elaine El Assal, 1996

Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2006-12-08 The Historical Dictionary of Slovakia offers in its second edition an up to date series of entries on Slovak political, social, and economic development since the creation of the second Slovak Republic in 1993 until its admission into the European Union in 2004.

The A to Z of Slovakia Stanislav J. Kirschbaum, 2010-05 The A to Z of Slovakia offers an up to date series of cross-referenced dictionary entries on Slovak political, social, and economic development since the creation of the second Slovak Republic in 1993 until its admission into the European Union in 2004. It includes all of the political actors: the presidents, prime ministers, and party leaders, and many leading academics and cultural personalities, including those from the national minorities. It also contains entries on the various institutions of the Slovak Republic like the judiciary, the armed forces, the media, and parliamentary committees as well as entries that explain Slovakia's position and role in international organizations like NATO and the European Union. The historical survey explains how Slovakia, in its post-Communist transformation, was almost excluded, but in the end became a full member of these two institutions.

Slovakia, 2001 A global report on the state of society.

Daily Report, 1995

Elected Affinities Kevin Deegan-Krause, 2006 Elected Affinities provides a new and comprehensive account of politics in postcommunist Slovakia and the Czech Republic and offers a useful framework for understanding the competing influences of social structure and the contingent decisions of political leaders in new democracies.

Cyprus Blue Book Cyprus, 1932

Ethnic Politics in Europe Judith G. Kelley, 2006-07-23 Judith G. Kelley examines ethnic minority politics to explain when & how European institutions have used norms & incentives to shape domestic policy toward ethnic minorities & why those measures have sometimes failed.

Radio and the Performance of Government Erica Harrison, 2023-09-01 Throughout the Second World War, the Czechoslovak Government-in-Exile broadcast over the BBC from London, hoping to reach out to their former compatriots living in a divided and occupied Europe. As the only way of projecting their authority, President Beneš and his colleagues relied on the radio as a stage on which to perform as the government they wished to be, representing a Czechoslovak state they hoped to recreate after the war. Despite a ban on listening to foreign broadcasts in the German-occupied Protectorate and Slovakia, many tuned in to hear 'London calling' and the broadcasts provided the strongest connection between the London Czechoslovaks and the audience at home. This work examines this government programme for the first time, making use of previously unstudied archival sources to examine how the exiles understood their mission and how their propaganda work was shaped by both British and Soviet influences. This study assesses the strengths, weaknesses, and limitations of the government's radio propaganda as they navigated the complexities of exile, with chapters examining how they used the radio to establish their own authority, how they understood the past and future of a Czechoslovak nation, and how they struggled to include Slovakia and Subcarpathian Ruthenia within it.

East Central European Migrations During the Cold War Anna Mazurkiewicz, 2019-05-06 An extremely useful and much needed survey. Over eleven chapters, authors from eight countries cover the complex history of migration from the perspective of Central and Eastern Europe between 1945 and 1993. Following in the footsteps of Klaus Bade's Encyclopedia of European Migrations, the authors make extensive use of sources in national languages, while providing an extensive overview of population movements in the region between the Baltic, Black, and Adriatic Seas. The individual chapters shed light on phenomena overlooked in other volumes, including individual state reactions to various migratory phenomenon, and the political, economic, and ideological consequences of human movement. The chapters of this volume are uniform not only in their informative nature, but also in suggesting new pathways for in-depth research. Adam Walaszek, Jagiellonian University, Kraków, Poland Eastern Europe is an emblematic space of mobility and its Cold War history cannot be told without considering migration from and into the countries of the region. This volume comes at a timely moment and provides a uniquely comprehensive account, full with useful information for further research. It will be a must-read both for migration studies scholars and for area specialists. Ulf Brunnbauer, Leibniz Institute for East and Southeast European Studies, Regensburg, Germany The Handbook is a gift to students of migration on three counts. It gathers the expertise of scholars fluent in the languages - and familiar with the archives - of Eastern and Central Europe. Thus it brings the multi-layered and complex histories of movement beyond the flat descriptor of Soviet bloc or Eastern European migrations. The Handbook is both rich and lucid, presenting in-depth materials on the European twentieth-century, on one hand, and organizing each chapter in a similar way, offering the reader transparently comparable histories. From Estonia south to Albania, and from the USSR west to the GDR, each chapter elucidates a complex migration history distinguished by national politics, ethnic composition, and economics - moving from the cataclysmic impacts of World War II to the international migrations and politics of Cold War movement, as well as the politics of Cold War emigrants themselves. Each chapter ends with an epilogue on post-1989 international migrations and a valuable addendum on published and archival sources. Finally, the Handbook models the kind of high quality work produced by international scholarly cooperation at its best. Leslie Page Moch, Michigan State University Table of contents Introduction (Anna Mazurkiewicz) Albania (Agata Domachowska) Baltic States: Estonia, Latvia and Lithuania (Pauli Heikkilä) Bulgaria (Detelina Dineva) Czechoslovakia (Michael Cude and Ellen Paul) Germany (Bethany Hicks) Hungary (Katalin Kádár Lynn) Poland (Sławomir Łukasiewicz) Romania (Beatrice Scutaru) Ukraine (Anna Fiń) USSR (Alexey Antoshin) Yugoslavia (Brigitte Le Normand)

The East European Economy in Context David Turnock, 2003-09-02 Since 1989 the former communist countries of Eastern Europe have witnessed a profound and dramatic upheaval. The economic coherence of this region, formerly maintained through the adoption of the Soviet system of government, has fractured. In *The East European Economy in Context: Communism and Transition*, David Turnock examines the transition from communist to free-market economies, both within and between the states of Eastern Europe. As well as containing an informative survey of the impact of communism, *The East European Economy in Context* provides * Political profiles of individual countries * A clear study of the contrasts between northern and balkan groups * Summaries of regional variations in the transition process * An exploration of the new state structures and resources * Discussion of political stability, inter-ethnic tensions and progress in economic change

Nuclear Science Abstracts, 1976

Slovakia Since Independence Minton F. Goldman, 1999-01-30 Since becoming an independent country after its split from Czechoslovakia in January 1993, Slovakia's development from communism to political and economic democracy, underway when it was part of post-Communist Czechoslovakia, has been difficult and halting. Goldman starts with an analysis of the influence of a strong ethnic-based nationalism on Slovak relations with Czechs from 1918 through the Second World War and the years of Communist rule through to the breakaway from Czechoslovakia and the creation of an independent state. Goldman then examines the political, economic, socio-cultural problems and international difficulties the new Slovak state experienced as it tried to develop a democratic political system, move toward a free market economy, achieve societal unity and cohesion, and protect its interests abroad. In showing how a strong Slovak nationalism rooted in recent history has had an impact on policymaking in almost every sphere of national life, Goldman examines the roots and causes of Prime Minister Meciar's authoritarian leadership, the

halting and uncertain transformation of the Slovak economy to a free market, the difficulties of governing the country's minorities, and the development of new relationships with areas of strategic as well as economic importance to Slovakia's well being as an independent state. This comprehensive and up-to-date analysis will be of great importance to scholars, students, and other researchers involved with Eastern European Studies.

Red Tape Rosamund Johnston,2024-03-26 In socialist Eastern Europe, radio simultaneously produced state power and created the conditions for it to be challenged. As the dominant form of media in Czechoslovakia from 1945 until 1969, radio constituted a site of negotiation between Communist officials, broadcast journalists, and audiences. Listeners' feedback, captured in thousands of pieces of fan mail, shows how a non-democratic society established, stabilized, and reproduced itself. In Red Tape, historian Rosamund Johnston explores the dynamic between radio reporters and the listeners who liked and trusted them while recognizing that they produced both propaganda and entertainment. Red Tape rethinks Stalinism in Czechoslovakia—one of the states in which it was at its staunchest for longest—by showing how, even then, meaningful, multi-directional communication occurred between audiences and state-controlled media. It finds de-Stalinization's first traces not in secret speeches never intended for the ears of ordinary listeners, but instead in earlier, changing forms of radio address. And it traces the origins of the Prague Spring's discursive climate to the censored and monitored environment of the newsroom, long before the seismic year of 1968. Bringing together European history, media studies, cultural history, and sound studies, Red Tape shows how Czechs and Slovaks used radio technologies and institutions to negotiate questions of citizenship and rights.

Cognitive Infocommunications, Theory and Applications Ryszard Klempous,Jan Nikodem,Péter Zoltán Baranyi,2018-08-25 The book gathers the chapters of Cognitive InfoCommunication research relevant to a variety of application areas, including data visualization, emotion expression, brain-computer interfaces or speech technologies. It provides an overview of the kind of cognitive capabilities that are being analyzed and developed. Based on this common ground, it may become possible to see new opportunities for synergy among disciplines that were heretofore viewed as being separate. Cognitive InfoCommunication begins by modeling human cognitive states and aptitudes in order to better understand what the user of a system is capable of comprehending and doing. The patterns of exploration and the specific tools that are described can certainly be of interest and of great relevance for all researchers who focus on modeling human states and aptitudes. This innovative research area provides answers to the latest challenges in influence of cognitive states and aptitudes in order to facilitate learning or generally improve performance in certain cognitive tasks such as decision making. Some capabilities are purely human, while others are purely artificial, but in general this distinction is rarely clear-cut. Therefore, when discussing new human cognitive capabilities, the technological background which makes them possible cannot be neglected, and indeed often plays a central role. This book highlights the synergy between various fields that are perfectly fit under the umbrella of CogInfoCom and contribute to understanding and developing new, human-artificial intelligence hybrid capabilities. These, merged capabilities are currently appearing, and the importance of the role they play in everyday life are unique to the cognitive entity generation that is currently growing up.

Political Change in Post-Communist Slovakia and Croatia: From Nationalist to Europeanist S. Fisher,2006-09-03 Revealing how the quest for independence and challenges of democratization created a contest between nationalists and Europeanists, two powerful forces in domestic politics, after the collapse of communism, Fisher sheds light on the nationalism and post-communist transitions.

OSS Foreign Nationalities Branch Files, 1942-1945 United States. Office of Strategic Services. Foreign Nationalities Branch,1988 Documents consist of departmental memos and reports, correspondence with individuals, and press clippings and press reports which deal with American Jewish groups during 1942-1945, as well as issues relating to Palestine, Jews and Jewish refugees during World War II.

Phonographic Bulletin ,1971

Slovakia in History Mikuláš Teich,Dušan Kováč,Martin D. Brown,2011-02-03 Until the dissolution of Czechoslovakia, Slovakia's identity seemed inextricably linked with that of the former state. This book explores the key moments and themes in the history of Slovakia from the Duchy of Nitra's ninth-century origins to the establishment of independent Slovakia at midnight 1992-3. Leading scholars chart the gradual ethnic awakening of the Slovaks during the Reformation and Counter-Reformation and examine how Slovak national identity took shape with the codification of standard literary Slovak in 1843 and the subsequent development of the Slovak national movement. They show how, after a thousand years of Magyar-Slovak coexistence, Slovakia became part of the new Czechoslovak state from 1918-39, and shed new light on its role as a Nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989. There is no comparable book in English on the subject.

Decoding **Slovakia Radio 33**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Slovakia Radio 33 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Slovakia Radio 33 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slovakia Radio 33 has opened up a world of possibilities. Downloading Slovakia Radio 33 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slovakia Radio 33 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slovakia Radio 33. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slovakia Radio 33. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Slovakia Radio 33, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slovakia Radio 33 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Slovakia Radio 33 Books

What is a Slovakia Radio 33 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Slovakia Radio 33 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Slovakia Radio 33 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Slovakia Radio 33 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Slovakia Radio 33 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
