**Bloomsbury Publishing**

Court of the Grandchildren Michael Muntisov, Greg Finlayson, 2021-03-23 A man from today and a woman from tomorrow. How will she judge him? Lily Miyashiro lives much as any twenty-nine-year-old in 2050's America. Her job is busy, resettling climate refugees from the coastal cities. Then she gets a call. She has family she never knew about. And they want something from her she doesn't want to give. Lily is one of the young, reliant on artificial intelligence and facing an uncertain future. David Moreland was a bigwig during the world's golden age. He is old and almost forgotten...until he is drawn into the realm of the Climate Court. Now a whole generation seeks to condemn him. When Lily meets David, she is forced to confront events from her past that she would prefer to forget. Feeling trapped, she hires a young lawyer. Is it to defend David, or to deny the past? In a world that seems comfortably like the present, hints of sinister differences begin to emerge, and the stakes are raised beyond David's fate.

Subject to Change Deirdre Boyle, 1997 This is a history of guerilla television, a form of TV which was part of an alternative media tide sweeping the United States in the 1960s. Inspired by the fracturing issues of the decade and the theories and writings of various exponents, guerilla television put forth utopian programming.

**Remarks / by Bill Nye.** Bill Nye, 1891

**One World, One Earth** Merryl Hammond, Rob Collins, 1993 One World, One Earth is a handbook for adults who want to work with children to explore peace, environmental and social justice issues. It features sensitive discussions about how to co-learn and co-lead with young people, and detailed suggestions for organizing a group within existing institutions (schools, scout troops, churches), creating a cooperative learning environment, involving the wider community, and

sustaining enthusiasm.

Amnesty Aravind Adiga, 2020-02-18 An “urgent and significant book [that] speaks to our times” (The New York Times Book Review) from the bestselling, Man Booker Prize-winning author of *The White Tiger* and *Selection Day* about a young illegal immigrant who must decide whether to report crucial information about a murder—and thereby risk deportation. Danny—formerly Dhananjaya Rajaratnam—is an illegal immigrant in Sydney, Australia, denied refugee status after he fled from Sri Lanka. Working as a cleaner, living out of a grocery storeroom, for three years he’s been trying to create a new identity for himself. And now, with his beloved vegan girlfriend, Sonja, with his hidden accent and highlights in his hair, he is as close as he has ever come to living a normal life. But then one morning, Danny learns a female client of his has been murdered. The deed was done with a knife, at a creek he’d been to with her before; and a jacket was left at the scene, which he believes belongs to another of his clients—a doctor with whom Danny knows the woman was having an affair. Suddenly Danny is confronted with a choice: Come forward with his knowledge about the crime and risk being deported? Or say nothing, and let justice go undone? Over the course of this day, evaluating the weight of his past, his dreams for the future, and the unpredictable, often absurd reality of living invisibly and undocumented, he must wrestle with his conscience and decide if a person without rights still has responsibilities. “Searing and inventive,” *Amnesty* is a timeless and universal story that succeeds at “illuminating the courage of displaced peoples and the cruelties of those who conspire against them” (Star Tribune, Minneapolis).

**The Ill-Made Mute** Cecilia Dart-Thornton, 2015-08-25 In a dark and perilous realm, a nameless outcast seeks a voice, a past, and a future: “A dazzling debut” (Jennifer Roberson). In all of Erith, there is perhaps no one as wretched as the nameless mute foundling confined to the lowest depths

of Isse Tower. Abused by many and despised by all, the pathetic creature lives without memories in the shadows. The amnesiac longs to escape—to roam the wild landscape in search of a past, a name, a destiny—but dangers surround the tower. Only flying ships and majestic winged horses carrying important visitors can reach the castle safely, landing high above the ground on its battlements. The local servants whisper about malevolent creatures that roam the forests and bear no love for humankind. Escape seems impossible in this treacherous world of wights and monsters. Praised as Australia's J. R. R. Tolkien, Cecilia Dart-Thornton has set a towering new standard for fantasy fiction, earning the respect and acclaim of readers, reviewers, and some of the world's most renowned fantasists. With roots firmly embedded in the ancient folklore of the British Isles, *The Ill-Made Mute*—the opening volume of Dart-Thornton's magnificent *Bitterbynde Trilogy*—introduces fantasy lovers to an unforgettable character whose remarkable adventures rival the epic trials of the Bagginses and the tales of *The Silmarillion*.

**The Winter of Our Discontent** John Steinbeck, 2008-08-26 The final novel of one of America's most beloved writers—a tale of degeneration, corruption, and spiritual crisis A Penguin Classic In awarding John Steinbeck the 1962 Nobel Prize in Literature, the Nobel committee stated that with *The Winter of Our Discontent*, he had “resumed his position as an independent expounder of the truth, with an unbiased instinct for what is genuinely American.” Ethan Allen Hawley, the protagonist of Steinbeck's last novel, works as a clerk in a grocery store that his family once owned. With Ethan no longer a member of Long Island's aristocratic class, his wife is restless, and his teenage children are hungry for the tantalizing material comforts he cannot provide. Then one day, in a moment of moral crisis, Ethan decides to take a holiday from his own scrupulous standards. Set in Steinbeck's contemporary 1960 America, the novel explores the tenuous line between private and

public honesty, and today ranks alongside his most acclaimed works of penetrating insight into the American condition. This Penguin Classics edition features an introduction and notes by leading Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Encyclopedia of Recorded Sound in the United States** Guy A. Marco, Frank Andrews, 1993  
This alphabetical reference covers the entire spectrum of the recording of sound, from Edison's experimental cylinders to contemporary high technology. The major focus is on the recorded sound industry in the US, with additional material on Canada, Europe, Australia, and New Zealand. The coverage is particularly strong on the earliest periods of recorded sound history--1877-1948, the 78 rpm era and 1949-1982, the LP era. In addition to performers and their work, entries also cover important commercial organizations, individuals who made significant technical contributions, societies and associations, sound archives and libraries, magazines, catalogs, award winners, technical topics, special and foreign terms, copyright laws, and other areas of interest. Annotation copyright by Book News, Inc., Portland, OR

**The Immortal Game** Talia Rothchild, A. C. Harvey, 2021-05-25  
An exiled goddess goes on a quest to clear her name and save Mount Olympus in Talia Rothchild & A C Harvey's action-packed young adult debut, *The Immortal Game!* Galene, daughter of Poseidon, desperately wants to earn her place among the gods. But when a violent attack leaves Mount Olympus in chaos and ruins, she

is accused of the crime. Banished from Olympus, Galene sets out to prove her innocence and discovers a more deadly plot—one that threatens even the oldest of Immortals. Fortunately, she has allies who willingly join her in exile: A lifelong friend who commands the wind. A defiant warrior with deadly skill. A fire-wielder with a hero's heart. A mastermind who plays life like a game. All-out war is knocking at the gates. Galene and her friends are the only ones who can tip the scales toward justice, but their choices could save Olympus from total annihilation, or be the doom of them all.

Crossword Lists Anne Stibbs, 2005

**Anagram Solver** Bloomsbury Publishing, 2009-01-01 Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

*Insincerely Yours* Manasi Singh, 2021-06 All Ray wanted was to have some fun. Little did she know that what began as a harmless midnight adventure would soon end up being the most terrifying night of her life. Shuttling back and forth between the States and whichever obscure Indian town her civil servant father was transferred to, Atreya 'Ray' Sen's life has always been on the move. When she comes down to sleepy old Visakhapatnam and befriends Mira, Ray hopes she could be a successful means of whiling away her summer. When Mira invites her to a late-night adventure with Mira's boyfriend and his pals, Ray jumps at the chance for some excitement. When one of the boys suggests they take a detour to one of Vizag's most famous haunted houses, the night takes a turn for the dark. The spirit of a mean old man seems to be following them, killing them off one by

one. A near-death experience reveals to Ray that she is the only one who can bring peace to him. Now, Ray must race against time to find a way to save her family and friends, or else the once-peaceful town of Vizag would witness a bloodbath like never before. An old Victorian mansion with a dark history...a spirit with a vengeance...a girl with no memory of her past... Will Ray be able to stop the killings in time? Or will she be left with no friends and no family yet again?

**Milo's Moonlight Mission** Kathleen McAlpin Blasi, 2021-06-15 Outer space is out there for exploring, and Captain Milo is ready for takeoff! If only he didn't have to wait for his Second-in-Command-or as he also calls her, Mom-to report for duty. Yet Mom's list of daily tasks grows ever longer, and she can't launch until they're done. So, like any good captain, Milo offers to help! Work? Check. Dinner? Check. Cleanup? Check. When the weather forecast predicts a middle-of-the-night meteor storm, Captain Milo wants desperately to witness it. But will his Second-in-Command have enough time to accomplish this magical mission with him? In lyrical prose and charming illustrations, Kathleen M. Blasi and Petronela Dostalova capture how the most spectacular night skies are revealed when we plan for the perfect moment-with loved ones by our sides. This heartwarming tale is perfect for space fans and young budding astronauts!

**Pataphilology: An Irreader** ,2018 What do the bizzare etymologies of Jean-Pierre Brisset, made-up languages for literary fiction, The Dialectic of Enlightenment, Latin grammarians, Horace's Epodes, and the Papyrus of Ani have in common? Absolutely nothing. Yet, taken together they provide an unusually coherent picture of a hitherto unacknowledged non-tradition of linguistic investigation. At these moments, particularly within the traditions of European writing which can loosely be termed avant-garde, philology goes rogue, hearkening to unearthly imperatives and barely comprehended intimations, and producing results well beyond those generated by more

respectable - and supposedly more grounded - philological endeavors. 'Pataphilology: An Irreader seeks to document and analyze such moments of philological speculation, invention, and détournement. In using the term 'pataphilology, Gurd and van Gerven Oei are not proposing a facile analogy with 'pataphysics, where 'pataphilology would be philology's wacky twin, always out for a lark, never doing anything real. This would presuppose an operation (even if parenthetical) on philology analogous to a shift from physics to 'pataphysics, something which Alfred Jarry, to whom this volume owes the latter neologism, appears to contradict in his initial definition: Pataphysics [...] is the science of that which is superinduced upon metaphysics, whether within or beyond the latter's limitations, extending as far beyond metaphysics as the latter extends beyond physics. Any way you cut it, 'pataphysics is a physics that demands -- or, better, that relies on -- an utmost philological sensitivity to writing, unheard etymologies, unstable translations, incomplete formalizations, and haphazard decryptions. This volume seeks, then, to document how philological practices -- no matter how non-standard, disreputable, or academically useless -- have played a role in the production of avant-garde literature and knowledge, as well as forgotten, alternative, or fictitious scholarly projects. Ranging from the papyrus of Ani to the future languages of speculative fiction, from the fictional tablets of Armand Schwerner to the Attic Nights of Aulus Gellius, from Horace to Lacan, 'Pataphilology: An Irreader is a cabinet of philological curiosity -- and a map of the ever-changing constellations that emerge when human language loses its chains.
