A Most Clever Girl: How Jane Austen Discovered Her Voice Jasmine A. Stirling,2021-03-30 For fans of *I Dissent* and *She Persisted* -- and Jane Austen fans of all ages -- a picture book biography about the beloved and enduring writer and how she found her unique voice. Witty and mischievous Jane Austen grew up in a house overflowing with words. As a young girl, she delighted in making her family laugh with tales that poked fun at the popular novels of her time, stories that featured fragile ladies and ridiculous plots. Before long, Jane was writing her own stories-uproariously funny ones, using all the details of her life in a country village as inspiration. In times of joy, Jane's words burst from her pen. But after facing sorrow and loss, she wondered if she'd ever write again. Jane realized her writing would not be truly her own until she found her unique voice. She didn't know it then, but that voice would go on to capture readers' hearts and minds for generations to come.

Costa Rica - Culture Smart! Jane Koutnik, 2012-10-01 Costa Rica is renowned for its tropical beauty, the warmth and charm of the Ticos—its people's own name for themselves—and its political stability. This Switzerland of the Americas is widely regarded as an oasis of democracy in turbulent Central America. Since the first edition of Culture Smart! Costa Rica was published in 2005, however, there have been some important changes and, with rapid economic development, some growing pains. Over the past few years there has been a movement of population to the towns of the Central Valley. Higher education is now the norm for young Ticos, and the middle class has expanded—but so has the gap between rich and poor. Tourism took a dive after the 2009 recession, and the national debt has grown, while the arrival of multinationals and significant Chinese investment has been welcomed. Unemployment has risen, people are prepared to go on strike more readily, and there is a general disillusionment with politicians. In the face of mounting difficulties the Ticos remain remarkably peaceable, relaxed, and fun-loving. Their enthusiasm for life is seen as much in their passion for soccer as in their demonstrations in support of human and political rights. Culture Smart! Costa Rica explores and explains the complex human realities of modern Costa Rican life. Armed with this

information, you will be better equipped to understand your hosts and to enjoy your visit to this beguiling and beautiful country to the full.
