Smile: A Graphic Novel Raina Telgemeier,2014-07-29 Raina Telgemeier's #1 New York Times bestselling, Eisner Award-winning graphic memoir based on her childhood! Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so friendly.

Looking for Smile Ellen Tarlow,2020-09-29 In this sweet and gentle picture book, Bear wakes one day to find his Smile gone and enlists his friends to help him find it. Bear and Smile are always together. They wake up together, swim by the waterfall together, and eat honey together. But one day, Bear wakes up and Smile is nowhere to be found. With the help of his woodland friends, will Bear be able to find his Smile again? This tender and special debut picture book explores sadness with a light touch and shows that sometimes a good friend can make all the difference.

Birdy's Smile Book Laurie Keller,2010-09-28 Birdy starts every day by smiling at herself in the mirror. She says you can smile while doing just about anything--brushing your teeth, taking out the garbage, or eating broccoli. Okay, maybe not while eating broccoli. Even people with bad teeth (like our first president, George Washington) should show their toothy grins because there's no such thing as a bad smile. So heed Birdy's advice and practice your smile—you'll need it while reading this book! This title has Common Core connections

The Smile Shop Satoshi Kitamura,2021-04-06 Acclaimed author-illustrator Satoshi Kitamura (Hat Tricks) celebrates human connection and community in this hopeful story about a boy, a benevolent shopkeeper, and a shared smile. A small boy has saved all his pocket money, and today's the day he'll buy something special just for himself! There's lots to see and smell at the market, from tasty pies to colorful toys and noisy instruments. But before he can even make up his mind, disaster strikes, and he loses his money down a drain. Oh no! But wait, what's this? A store called the Smile Shop? Could he buy a smile? A small one, perhaps, to cheer himself? Featuring charming, classic illustrations reminiscent of Maurice Sendak and Tomie dePaola, Satoshi Kitamura's The Smile Shop is an absorbing story of community, self-worth, and the effect of a smile shared between two people. An apt parable for a time when smiles and expressions of warmth are in high demand.

SMILE Dr Dinesh Kapur,2019-06-03 Smile aims is to promote health and ease sufferings and offers sensible solutions for life’s problems! If understood with an open mind, may upgrade one to any level. The mind takes initiative in all activities and the body follows that! Emotions are stronger than physical matter. Corrections of emotional misbalance lead to harmony on the physical level. Smile is the strength that stays in the very moment like the verses of imagination whenever one perceives in the interaction with another and the joy becomes an infinite spirit of living. In religion, one remains as a Hindu, Mohammedan or Christian and so on, as we are afraid because our religion is based on beliefs. So, everybody is trying to protect their flock by encountering others. When anyone feels, there is religious fragrance but no religion as such; that is total freedom. Liberation is practically possible in the ‘smile’ state, beyond any belief.
