I'm Not a Quitter Rob Kelley, 2006-10 Tony Franks was always a natural athlete. He excelled at every sport he ever tried out for. Academics, however, did not come as easy to him. His first conflict came when trying to balance his academic grades for his mama, and his excellence at sports for his father. His poor grades in high school forced him off of three different sports teams. Once he found out he was academically ineligible for any high school sanctioned sports, he turned his attention to boxing, where he met his coach and mentor, Louie Denucci. Dealing with adversity, including an abusive father and the death of the person closest to him, Tony goes on to find solace in his boxing coach and trainer, and to live a successful life-not only as a professional fighter, but as a person. Tony would later find in life what a true family was. It is a truly heart-whelming story of tragedy and triumph.

and the survivors live in artificial domes from which their only escape are the virtual worlds of Second Skin. Trio Theo in the Grip of Terror Polly Hinchliffe, 2003-07-01 It all begins as an innocent adventure, a challenge to explore the cellars of a row of terraced houses, when three intrepid children--known as the Trio Theo--enter a connecting trap door situated in the walls of the basement. Fantasy and mischief turn into an experience of fear and terror as the three find themselves confronting the horrors of the past, through their efforts to release the ghost children, alone and trapped for eternity by the evil power of 'the man in black!' Their first encounter with the supernatural is when they emerge from the cellars to the caves and hovels under the street and discover the wartime ghost orphans, who warn the trio of the perils of the faraway land and its occupants. The book is based on local myths, rumours and history from North Wales.

In Real Life Joey Graceffa, 2015-05-19 A confessional, uplifting memoir from the beloved YouTube personality. It's not where you begin that matters. It's where you end up. Twenty-three year old Joey Graceffa has captured the hearts of millions of teens and young adults through his playful, sweet, and inspirational YouTube presence (not to mention his sparkling eyes and perfect hair). Yet, Joey wasn't always comfortable in his skin, and in this candid memoir, he thoughtfully looks back on his journey from pain to pride, self-doubt to self-acceptance. To his fans, Joey is that best friend who always captures the brighter side of life but also isn't afraid to get real. In the pages of his first book, he opens up about his years of struggling with family hardships and troubles at school, with cruel bullying and the sting of rejection. He tells of first loves and losses, embarrassing moments and surprising discoveries, loneliness, laughter, and life-changing forks in the road, showing us the incalculable value of finally finding and following your true passion in this world. Funny, warm-hearted, and inspiring, Joey Graceffa's story is a welcome reminder that it's not where you begin that matters, but where you end up.

Miss Misery Andy Greenwald, 2006-01-31 Once I started, I couldn't stop. It felt like falling down the stairs.... Meet David Gould: abandoned by his girlfriend, pushing the deadline for his first book, tormented by writer's block, and obsessed with the impossibly sexy, overwhelmingly alive diaries young people keep

online. Outside it's a beautiful, Brooklyn summer. But inside his apartment David is sleeping in, screening calls, draining beer after beer, and dreaming of Miss Misery -- aka twenty-two-year-old provocateur Cath Kennedy -- a total stranger with impeccable music taste and an enviable nightlife. Now meet David Gould online. Here, in his fictional diary, he's a downtown DJ and an inveterate night owl, drinking and charming countless girls until the sun comes up. But when Miss Misery moves to New York City and begins canoodling with an insufferable hipster, David's diary mysteriously begins updating itself. The reason? David Gould has a doppelgänger, an obnoxious shadow set on claiming David's newly glamorous life as his own. Even worse for David, the phone calls from his editor are becoming increasingly desperate, and the voice mails from his girlfriend -- an ocean away -- are becoming more and more distant. And then there are all of the instant messages from seventeen-year-old Ashleigh Bortch, an emo kid in Salt Lake City with an inappropriate crush on David and a knack for showing up at precisely the wrong time. Forced out of his apartment, David Gould is facing the fight of his life. With humor, heart, and a vibrant, genre-jumping soundtrack, Andy Greenwald captures the essence of what it means to be young and struggling with identity in the new century. From cyberspace to nightclub bathrooms, from New York City to Utah, Miss Misery is a fast-paced, funny story about the timeless need to become the main character in your own life.
