Frances Cha

**If I Had Your Face** Frances Cha, 2020-04-21 A riveting debut novel set in contemporary Seoul, Korea, about four young women making their way in a world defined by impossible standards of beauty, after-hours room salons catering to wealthy men, ruthless social hierarchies, and K-pop mania “Powerful and provocative . . . a novel about female strength, spirit, resilience—and the solace that friendship can sometimes provide.”—The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • Esquire • Bustle • BBC • New York Post • InStyle Kyuri is an achingly beautiful woman with a hard-won job at a Seoul “room salon,” an exclusive underground bar where she entertains businessmen while they drink. Though she prides herself on her cold, clear-eyed approach to life, an impulsive mistake threatens her livelihood. Kyuri’s roommate, Miho, is a talented artist who grew up in an orphanage but won a scholarship to study art in New York. Returning to Korea after college, she finds herself in a precarious relationship with the heir to one of the country’s biggest conglomerates. Down the hall in their building lives Ara, a hairstylist whose two preoccupations sustain her: an obsession with a boy-band pop star, and a best friend who is saving up for the extreme plastic surgery that she hopes will change her life. And Wonna, one floor below, is a newlywed trying to have a baby that she and her husband have no idea how they can afford to raise in Korea’s brutal economy. Together, their stories tell a gripping tale at once unfamiliar and unmistakably universal, in which their tentative friendships may turn out to be the thing that ultimately saves them.

*The World Book Encyclopedia*, 2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

**It's OK, Slow Lizard** Yeorim Yoon, 2021-09-28 In a lush, sun-dappled forest, animal friends discover the advantages of living slowly, in this soothing picture book from beloved South Korean author and illustrator Yeorim Yoon and Jian Kim. Little Bird is all aflutter--too many things to do. Elephant cries with frustration when a shoelace breaks. Rabbit tries so hard and loses the race anyway. But what about Slow Lizard? Just like my name, I live a slow, relaxed life. And because I live a slow life, I see many things, I hear many things, and I have lots of time to help my friends. Meandering through a sunny forest, Slow Lizard's friends learn how wonderful it is to slow down together. Filled with blooming trees and fluffy flower beds, *It's OK, Slow Lizard* glows with the beauty of a hidden magic world, where we take the time to help each other enjoy life--even when the rain comes.

Between the World and Me Ta-Nehisi Coates, 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME’S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH’S “BOOKS THAT HELP ME THROUGH” • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as “required reading,” a bold and personal literary exploration of America’s racial history by “the most important essayist in a generation and a writer who changed the national political conversation about race” (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE’S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • 0: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation’s history and current crisis. Americans have built an empire on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

*Between Jobs* W.R. Gingell, 2022-05-10 When you get up in the morning, the last thing you expect to see is a murdered guy hanging outside your window. Things like that tend to draw the attention of the local police, and when you’re squatting in your parents’ old house until you can afford to buy it, another thing you can’t afford is the attention of the cops. Oh yeah. Hi. My name is Pet. It’s not my real name, but it’s the only one you’re getting. Things like names are important these days. And it’s not so much that I’m Pet. I am a pet. A human pet: I belong to the two Behindkind fae and the pouty vampire who just moved into my house. It’s not weird, I promise—well, it is weird, yeah. But it’s not weird weird, you know?

*The Immortalists* Chloe Benjamin, 2018-01-09 A BEST BOOK OF THE YEAR: Washington Post • NPR • Entertainment Weekly • Real Simple • Marie Claire • New York Public Library • LibraryReads • The Skimm • Lit Hub • Lit Reactor AN INSTANT NEW YORK TIMES BESTSELLER “A captivating family saga.”—The New York Times Book Review “This literary family saga is perfect for fans of Celeste Ng and Donna Tartt.”—People Magazine (Book of the Week) If you knew the date of your death, how would you live your life? It's 1969 in New York City's Lower East Side, and word has spread of the arrival of a mystical woman, a traveling psychic who claims to be able to tell anyone the day they will die. The Gold children—four adolescents on the cusp of self-awareness—sneak out to hear their fortunes. The prophecies inform their next five decades. Golden-boy Simon escapes to the West Coast, searching for love in '80s San Francisco; dreamy Klara becomes a Las Vegas magician, obsessed with blurring reality and fantasy; eldest son Daniel seeks security as an army doctor post-9/11; and bookish Varya throws herself into longevity research, where she tests the boundary between science and immortality. A sweeping novel of remarkable ambition and depth, *The Immortalists* probes the line between destiny and choice, reality and illusion, this world and the next. It is a deeply moving testament to the power of story, the nature of belief, and the unrelenting pull of familial bonds.

*The Anatomy of Dreams* Chloe Benjamin, 2014-09-16 Discover the award-winning debut novel by the New York Times bestselling author of *The Immortalists*, a “majestic collision of sci-fi thriller and love story” (Bustle) about a young woman struggling with questions of love, trust, and ethics as the line between dreams and reality dangerously blurs. When Sylvie Patterson, a bookish student at a Northern California boarding school, falls in love with a spirited, elusive classmate named Gabe, they embark on an experiment that changes their lives. Their headmaster, Dr. Adrian Keller, is a charismatic medical researcher who has staked his career on the therapeutic potential of lucid dreaming: by teaching his patients to become conscious during sleep, he believes he can relieve

stress and trauma. Over the next six years, Sylvie and Gabe become consumed by Keller's work, following him across the country. But when an opportunity brings the trio to the Midwest, Sylvie and Gabe stumble into a tangled relationship with their mysterious neighbors—and Sylvie begins to doubt the ethics of Keller's research. As she navigates the hazy, permeable boundaries between what is real and what isn't, who can be trusted and who cannot, Sylvie also faces surprising developments in herself—an unexpected infatuation, growing paranoia, and a new sense of rebellion. With stirring, elegant prose, "Chloe Benjamin has crafted an eerie, compelling first novel which, like the lingering effects of a vivid dream, resonates long past its finish" (Karen Brown, *The Longings of Wayward Girls*).

*Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*The Story Of An Hour* Kate Chopin, 2014-04-22 Mrs. Louise Mallard, afflicted with a heart condition, reflects on the death of her husband from the safety of her locked room. Originally published in *Vogue* magazine, "The Story of an Hour" was retitled as "The Dream of an Hour," when it was published amid much controversy under its new title a year later in *St. Louis Life*. "The Story of an Hour" was adapted to film in *The Joy That Kills* by director Tina Rathbone, which was part of a PBS anthology called *American Playhouse*. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

*It's Complicated* Danah Boyd, 2014-02-25 Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

*Life After You* Lucie Brownlee, 2015-09-03 'He crashed on to the pillow next to me, heavy as a felled oak. I slapped His face and told Him to wake up. Our daughter, B, appeared in the doorway, woken up by the screaming – I must have been screaming but I don't remember – and she was crying and peering in. I told her the ultimate adult lie; that everything was all right.' Sudden death is rude. It just wanders in and takes your husband without any warning; it doesn't even have the decency to knock. At the impossibly young age of 37, as they were making love one night, Lucie Brownlee's beloved husband Mark dropped dead. As Lucie tried to make sense of her new life – the one she never thought she would be living – she turned to writing to express her grief. *Life After You* is the stunning, irreverent and heartbreakingly honest result.

*October Child* Linda Boström Knausgård, World Editions LLC, 2021-04-06

*Clinical Case Studies for the Family Nurse Practitioner* Leslie Neal-Boylan, 2011-11-28 *Clinical Case Studies for the Family Nurse Practitioner* is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

*Everything Belongs to Us* Yoojin Grace Wuertz, 2017-02-28 Two young women of vastly different means each struggle to find her own way during the darkest hours of South Korea's "economic miracle" in a striking debut novel for readers of Anthony Marra and Chimamanda Ngozie Adichie. Seoul, 1978. At South Korea's top university, the nation's best and brightest compete to join the professional elite of an authoritarian regime. Success could lead to a life of rarefied privilege and wealth; failure means being left irrevocably behind. For childhood friends Jisun and Namin, the stakes couldn't be more different. Jisun, the daughter of a powerful business mogul, grew up on a mountainside estate with lush gardens and a dedicated chauffeur. Namin's parents run a tented food cart from dawn to curfew; her sister works in a shoe factory. Now Jisun wants as little to do with her father's world as possible, abandoning her schoolwork in favor of the underground activist movement, while Namin studies tirelessly in the service of one goal: to launch herself and her family out of poverty. But everything changes when Jisun and Namin meet an ambitious, charming student named Sunam, whose need to please his family has led him to a prestigious club: the Circle. Under the influence of his mentor, Juno, a manipulative social climber, Sunam becomes entangled with both women, as they all make choices that will change their lives forever. In this sweeping yet intimate debut, Yoojin Grace Wuertz details four intertwining lives that are rife with turmoil and desire, private anxieties and public betrayals, dashed hopes and broken dreams—while a nation moves toward prosperity at any cost. Praise for *Everything Belongs to Us* "The intertwined lives of South Korean university students provide intimacy to a rich and descriptive portrait of the country during the period of authoritarian industrialization in the late 1970s. Wuertz's debut novel is a Gatsby-esque takedown, full of memorable characters."—*The New York Times* Book Review (Editors' Choice) "Wuertz's masterful novel traces the paths of two friends who come from very different backgrounds, but whose trajectories have taken them to the same point in time. This is a story of love

and passion, betrayal and ambition, and it is an always fascinating look at a country whose many contradictions contribute to its often enigmatic allure.”—Nylon

**Learn Korean - Must-Know Korean Slang Words & Phrases** Innovative Language Learning, KoreanClass101.com, Do you want to learn Korean the fast, fun and easy way? And do you want to master daily conversations and speak like a native? Then this is the book for you. *Korean American* Eric Kim, 2022-03-29 NEW YORK TIMES BESTSELLER • An homage to what it means to be Korean American with delectable recipes that explore how new culinary traditions can be forged to honor both your past and your present. IACP AWARD FINALIST • ONE OF THE TEN BEST COOKBOOKS OF THE YEAR: Simply Recipes ONE OF THE BEST COOKBOOKS OF THE YEAR: Bon Appétit, The Boston Globe, Saveur, NPR, Food & Wine, Salon, Vice, Epicurious, Publishers Weekly “This is such an important book. I savored every word and want to cook every recipe!”—Nigella Lawson, author of *Cook, Eat, Repeat* New York Times staff writer Eric Kim grew up in Atlanta, the son of two Korean immigrants. Food has always been central to his story, from Friday-night Korean barbecue with his family to hybridized Korean-ish meals for one—like Gochujang-Buttered Radish Toast and Caramelized-Kimchi Baked Potatoes—that he makes in his tiny New York City apartment. In his debut cookbook, Eric shares these recipes alongside insightful, touching stories and stunning images shot by photographer Jenny Huang. Playful, poignant, and vulnerable, *Korean American* also includes essays on subjects ranging from the life-changing act of leaving home and returning as an adult, to what Thanksgiving means to a first-generation family, complete with a full holiday menu—all the while teaching readers about the Korean pantry, the history of Korean cooking in America, and the importance of white rice in Korean cuisine. Recipes like Gochugaru Shrimp and Grits, Salt-and-Pepper Pork Chops with Vinegared Scallions, and Smashed Potatoes with Roasted-Seaweed Sour Cream Dip demonstrate Eric's prowess at introducing Korean pantry essentials to comforting American classics, while dishes such as Cheeseburger Kimbap and Crispy Lemon-Pepper Bulgogi with Quick-Pickled Shallots do the opposite by tinging traditional Korean favorites with beloved American flavor profiles. Baked goods like Milk Bread with Maple Syrup and Gochujang Chocolate Lava Cakes close out the narrative on a sweet note. In this book of recipes and thoughtful insights, especially about his mother, Jean, Eric divulges not only what it means to be Korean American but how, through food and cooking, he found acceptance, strength, and the confidence to own his story.

**Learn Japanese: Must-Know Japanese Slang Words & Phrases** Innovative Language Learning, JapanesePod101.com, Do you want to learn Japanese the fast, fun and easy way? **The End** Fernanda Torres, 2017-07-11 *The End* centers on five friends in Rio de Janeiro who, nearing the end of their lives, are left with memories—of parties, marriages, divorces, fixations, inhibitions, bad decisions—and the physical indignities of aging. Alvaro lives alone and spends his time going from doctor to doctor and bemoaning the evils of his ex-wife. Silvio is a junkie who can’t give up the excesses of sex and drugs even in his old age. Ribeiro is an athletic beach bum enjoying a prolonged sex life thanks to Viagra. Neto is the square member of the group, a faithful husband until his last days. And Ciro is the Don Juan envied by all—but the first to die, struck down by cancer. For all of them, successful careers, personal revelations, and Zen serenity are out of the question, blocked by a seemingly insurmountable wall of frustrations. Orbiting around them are a priest questioning his vocation and a cast of complicated women, neglected and embattled by these self-involved men. Edgy and wise, this tragicomic debut delves into taboo subjects—death, infidelity, impotence, the difficulties of marriage—with unsentimental honesty, and brings Rio and these characters to life in full color.

**Hangeul Master** Talk To Me In Korean, 2020-04-06 We cover all the 한글 letters in detail and give you tips on how to easily read Korean handwriting or fonts. This is why we believe you will find this book super useful even if you already know how to read Hangeul.

*The Interpreter* Suki Kim, 2004-01-01 A striking first novel about the dark side of the American Dream Suzy Park is a twenty-nine-year-old Korean American interpreter for the New York City court system. Young, attractive, and achingly alone, she makes a startling and ominous discovery during one court case that forever alters her family's history. Five years prior, her parents--hardworking greengrocers who forfeited personal happiness for their children's gain--were brutally murdered in an apparent robbery of their fruit and vegetable stand. Or so Suzy believed. But the glint of a new lead entices Suzy into the dangerous Korean underworld, and ultimately reveals the mystery of her parents' homicide. An auspicious debut about the myth of the model Asian citizen, *The Interpreter* traverses the distance between old worlds and new, poverty and privilege, language and understanding.

Whispering the Techniques of Language: An Emotional Quest through **Sms Smile Korean Keyboard 11**

In a digitally-driven world where screens reign supreme and immediate conversation drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within words frequently go unheard.
