### **Advanced Marketing Management** Nikolaos

Dimitriadis, Neda Jovanovic Dimitriadis, Jillian Ney, 2018-11-03  
Marketing as a practice is facing unprecedented challenges: a changing media landscape, an increasingly complex customer journey, innovative technologies, start-ups which disrupt traditional channels and a new generation of tech-savvy clients. How should students and practitioners adapt to this shifting landscape and address the skills gap that many of today's marketers face? Advanced Marketing Management prepares students for this new world of marketing. Since traditional marketing approaches fail to provide convincing solutions to modern business realities, a new approach is urgently needed if marketers are to regain trust within their organizations. Using contemporary examples, business case studies and supporting pedagogy, Advanced Marketing Management will provide a critical exploration into the more advanced aspects of marketing management, including the gap that exists between formal marketing literature and real-world practice, discussion of multidisciplinary tools, and the crucial evolution of the '4Ps'. Summarizing a large body of literature and academic research on new developments, this book is the go-to guide for students, lecturers and practitioners, wanting to succeed as modern marketers. Online resources include lecture slides and further questions for group discussion.

*Singapore* International Monetary Fund. Monetary and Capital Markets Department,2013-12-05 This paper discusses the findings of the Detailed Assessment of Implementation on the International Organization of Securities Commissions (IOSCO) Objectives and Principles of Securities Regulation on Singapore. Overall compliance with IOSCO principles is generally high,

although the assessors identified some vulnerabilities that need to be resolved. The Monetary Authority of Singapore's (MAS) enforcement philosophy as regards securities markets and the financial intermediaries active therein is cogent, with outcomes focused and well developed. The Securities and Futures Act (Cap. 289) provides an effective framework to enable the sharing of information and cooperation between MAS and foreign regulators on supervisory and enforcement matters.
