5 Things Every Parent Needs to Know about Their Kids and Sex Anne Marie Miller,2016-05-17 Real Help for the Toughest Talks Most parents dread talking about sex with their children. Anne Marie Miller loves giving the talk. As she has shared her personal story and talked about God's gift of sex with almost half a million young people, she's noticed some disturbing patterns: · Google is how kids learn about sex · Kids are learning about sex and viewing pornography earlier than parents think · The sexually abused often don't tell anyone for fear of getting in trouble · Sexual messages are being consumed daily through mainstream and social media · Most parents think their child is the exception Instead of sweeping this topic under the rug, Miller wants to change the narrative. In this immensely practical and well-researched book, she equips parents to have meaningful and age-appropriate conversations with their children about sex, pornography, and sexual abuse. She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears, struggles, and mistakes. Most important, she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God.

Savage Chickens Doug Savage,2011-03-01 As a vegan, the only chickens I consume are Savage's. I never miss a meal.-Dan Piraro, cartoonist of Bizarro We've all been forced to endure jobs we don't like. We get up, go to work, go to bed, and do it again. No one knows these pains better than Doug Savage, whose dream of being a cartoonist was eclipsed by his ho- hum office job. That is, until he started doodling chicken cartoons on Post-its and turned them into one of the Internet's most popular cartoon blogs. Savage Chickens is a collection of cartoons starring Doug's beloved chickens and their officemates that will get a laugh out of even the most jaded number-crunching colleague. Doug blends cynicism, optimism, and interactive activities to create a portable pep talk for the overworked and underappreciated that will keep you sane-and amused- during the morning bus ride, the meeting-filled Monday, the tenth load of laundry, the bathroom break, or the red-eye to the coast.
