The Complete Book of Zingers Croft M. Pentz,1990 You could call them one-sentence sermons or one-sentence solutions. Use them to spice up your speeches, sermons, church bulletins--anywhere a quick word of wit or wisdom is needed.

Twisted Fate Jessi Elliott, Capturing the attention of a dangerously sexy fae leader was never part of my plan. I wanted to finish college, get a job, and maybe find a nice guy to date. Instead, I end up forced to work alongside the very fae who gets under my skin like no man ever has. I can't stand him, but I also can't deny the tension that ignites whenever he's close. After surviving my run-in with the fae, I planned to go back to my perfectly mapped future and forget they existed. Silly me, I should have known that silver-tongued Tristan wouldn't leave me alone. And maybe I don't want him to. But when my brother falls ill to a sickness not even fae magic can cure, none of my plans matter anymore. And before I have a moment to catch my breath, both my life and my heart are put in danger when Tristan's fae nemesis emerges and forces me to make a terrible choice. One I don't know I'll survive.

Wonder Girls Paola Gianturco,Musimbi Kanyoro,2017-10-10 Wonder Girls: Changing Our World is the first photographic book to document groups of activist girls (age 10 to 18) globally. It's award winning and inspiring! Paola Gianturco and her eleven-year-old granddaughter documented the work of fifteen girl-led nonprofit groups in thirteen countries in Asia and Central Asia, North and Latin America, the Middle East,

Africa and Oceania. They interviewed and photographed 102 girls. If you think girls are the future, prepare to be dazzled. These girls are changing our world right now. Groups of activist girls age 10-18 are transforming our world: improving education, health, equality and the environment; stopping child marriage, domestic violence, trafficking and war. Their imagination and courage radiate through their stories, all told in their own words. In this book, you will watch girls lobby U.S. senators; see Mexican girls invent mobile phone apps to solve social problems; meet Malawian girls who convinced Parliament to outlaw child marriage. You will eavesdrop on Ugandan girls as they advocate for girls' rights at a UN meeting. And you will meet other girls as they write blogs, petitions, poetry, create radio shows, videos, invent dances, songs and works of art to promote their causes. *Wonder Girls: Changing Our World* is a call to action to help these girls accomplish their important work. Alex Sangster's sections, the finale of each chapter, tell you how. The book's Foreword was written by Musimbi Kanyoro, President and CEO of the Global Fund for Women, the world's largest grant-making organization that benefits women and girls internationally. The Global Fund for Women will receive 100% of the authors' royalties from this book.
