Swallows & Amazons (ALL 12 Adventure Novels) Arthur Ransome,2023-12-21 The Swallows and Amazons is a series of twelve adventure novels set in the interwar period, involving group adventures by children, mainly in the school holidays and mainly in England. They revolve around outdoor activities, especially sailing. The series begins with the Walker children from London, who stay at a lakeside farm in the school holidays, sail a dinghy named Swallow, while the local Blackett girls, living on the opposite shore, have one named Amazon. The Walkers see themselves as explorers, while the Blacketts declare themselves pirates. They clash on an island in the lake, make friends, and have a series of adventures that weave tales of pirates and exploration into everyday life in rural England.
