

Snowman Snowman

Diane Muldrow

The Christmas Snowman Margery Cuyler, 2011-09-22 Two weeks before Christmas, Kevin and Sally decide to build a snowman. One night they look out the window and are amazed to see Mr. Snow—their snowman—making snow angels, sledding, and even skating on the pond. But when the weather warms up just before Christmas and Mr. Snow starts to melt, Kevin and Sally come up with a plan to save their friend by imploring the help of Santa Claus. Johanna Westerman's elegant drawings compliment Margery Cuyler's touching story to create a book that is perfect for children and parents to share during the holiday season. Ages 4-8.

The Snowman Jo Nesbø, 2010 The night the first snow falls a young boy wakes to find his mother gone. He walks through the silent house, but finds only wet footprints on the stairs. In the garden looms a solitary figure: a snowman bathed in cold moonlight, its black eyes glaring up at the bedroom windows. Round its neck is his mother's pink scarf.

Snowman Magic Katherine Tegen, 2012-10-09 When George stays home from school for a snow day, he finds himself staring out the window, bored. But when he sees the beautiful white slopes in his yard, he gets himself dressed to face the cold weather. George starts rolling the snow into balls and assembling them into a snowman. After his snowman is made, something unexpected happens! How long will George's enchanted fun with his new friend last? In this original tale, Katherine Tegen has captured all the magic of the snowman, while Brandon Dorman's lush illustrations truly bring him to life.

The Snowman Raymond Briggs, Gail Ellis, 1995-01-01 Ideal for the weeks leading up to Christmas.

The History of the Snowman Bob Eckstein, 2007-10-30 Who made the first snowman? Who first came up with the idea of placing snowballs on top of each other, and who decided they would use a carrot for a nose? Most puzzling of all: How can this mystery ever be solved, with all the evidence long since melted? The snowman appears everywhere on practically everything -- from knickknacks to greeting cards to seasonal sweaters we plan to return. Whenever we see big snowballs our first impulse is to deck them out with a top hat. Humorist and writer Bob Eckstein has long been fascinated by this ubiquitous symbol of wintertime fun -- and finally, for the first time, one of the world's most popular icons gets his due. A thoroughly entertaining exploration, *The History of the Snowman* travels back in time to shed light on the snowman's enigmatic past -- from the present day, in which the snowman reigns as the King of Kitsch, to the Dark Ages, with the creation of the very first snowman. Eckstein's curiosity began playfully enough, but soon snowballed into a (mostly) earnest quest of chasing Frosty around the world, into museums and libraries, and seeking out the advice of leading historians and scholars. The result is a riveting history that reaches back through centuries and across cultures -- sweeping from fifteenth-century Italian snowballs to eighteenth-century Russian ice sculptures to the regrettable white-trash years (1975-2000). The snowman is not just part of our childhood memories, but is an integral part of our world culture, appearing -- much like a frozen Forrest Gump -- alongside dignitaries and celebrities during momentous events. Again and again, the snowman pops up in rare prints, paintings, early movies, advertising and, over the past century, in every art form imaginable. And the jolly snowman -- ostensibly as pure as the driven snow -- also harbors a dark past full of political intrigue, sex, and violence. With more than two hundred illustrations and a special section of the best snowman cartoons, *The History of the Snowman* is a truly original winter classic -- smart, surprisingly enlightening, and quite simply the coolest book ever.

The only problem is, their snowman is too huge to move, so they can't enter it in a competition at the park. But when the boys wake up the next day, their snowman is missing. And when they get to the park, they get another surprise: Their snowman has reappeared and won first prize—but someone else is taking credit. Now Frank and Joe have to prove that they made the snowman—and put the deep freeze on a major phony!

The Dirty Snowman C. W. Sparklet,2016-01-21 The Dirty Snowman is about a snowman who has no confidence in himself after becoming dirty. He also was worried that the boys who made him would not like him anymore. As a Pre-K teacher I dealt with children that were not liked because of what they wore or what they looked like. This behavior continues today in children which is now called Bullying. After his walk through the town of Tisssmini he is helped to see he is wonderful by a very little snow girl who was friendly and happy. We all must be taught and accepted as we are and not by what people want us to be.

Froggy Builds a Snowman Jonathan London,2020-01-07 Froggy has a rollicking good time at his first Winter Carnival! It's Winter Carnival day, and Froggy can't wait to build a snowman. But school principal Mr. Mugwort says there is a lot to do first. Skating! Sledding! A snow fort! Finally it's time to build a snowman, but Froggy builds a snow dinosaur instead. And of course the day wouldn't be complete without a wild snowball fight. That was my best winter carnival ever! says Froggy. That was your only winter carnival ever! says his friend Max.

Encountering Everest-like conditions, mystical trolls and a hilarious snowman named Olaf, Anna and Kristoff battle the elements in a race to save the kingdom. Children ages 4-6 will love this Step 1 Step into Reading leveled reader based on Disney Frozen.

Snowmen at Work Caralyn Buehner, 2012-10-16 If you were a snowman, what job would you choose? Ten years ago, on the publication of *Snowmen at Night*, we discovered the secret lives of snowmen. While we humans sleep, the snowmen go sledding, play baseball, and drink cocoa. But now it's revealed that snowmen don't just play all night--they have jobs to do, just like the parents of human kids. Dentists replace missing coal from snowman smiles while pet store owners help pair snowkids with their very own snowpuppy or snowfish to love. The pizza man delivers frozen pizza, and factory workers make the coolest toys in town. This fourth book in the New York Times bestselling *Snowmen* series is a gleeful, goofy delight. Kids will love spotting the silly details in each illustration, and the hidden pictures too. (They can look on the back side of the book jacket for a key to all that's concealed within.)
