

# Soccer League

Michael J. Agovino

**The American Soccer League** Colin Jose,1998-06-25 Soccer was one of the most popular sports in the United States during the 1920s, often drawing huge crowds in relatively small towns to see the world's best players compete. Documented through thousands of newspaper clippings, hundred of written inquiries, memoirs, and personal accounts, this book faithfully records not only the results, the goalscorers, the lineups of teams that made up the American Soccer League from 1921 to 1931, but uncovers as much information as possible about the teams and players and their unique biographies.

**American Soccer League, 1921-1931** Colin Jose,1998 It was the American Menace according to the Scottish and English newspapers of the 1920s. The best players in the Scottish leagues were being drawn to American companies that offered good jobs in return for playing on the company soccer team. The resulting squads, many of them ethnic, beat the best teams in the world at that time. This period from 1921 to 1931 were the Golden Years of American Soccer. With the skyrocketing economic prosperity of the United States and its corollary flood of new immigrants to America's shores, came interest in soccer as a new form of sports entertainment. It grew rapidly around Northeastern industrial towns like Fall River, Massachusetts, and Bethlehem, Pennsylvania. As with the popular North American Soccer League of the 1970s and 80s and its imported stars like Pele, the American Soccer League of the 1920s bid for the best soccer players in the world, creating a competitive, fertile environment for the growth of soccer. Unfortunately, few detailed records remain about these great teams and players. League records were lost after W.W. II and newspaper coverage was concentrated in smaller cities. Many of the League's heretofore unknown players possess no first name in print, and the unfortunate losers of matches and league championship games often went unreported altogether. During the later, tougher years of the Depression, many of the foreign players hunkered down in jobs or returned to their native countries. The disbanded American Soccer League was revived under the same name but very different circumstances in 1933, but never reached the same level of skill as during the 1920s. American Soccer League 1921-1931 is the result of Colin Jose's tireless determination to provide accurate history of soccer's evolution in the United States. Soccer was one of the most popular sports in the United States during the 1920s, often drawing huge crowds in relatively small towns to see the world's best players compete. Documented through thousands of newspaper clipp

*The Rebirth of Professional Soccer in America* Dennis J. Seese,2015-03-06 The history of soccer in the United States is far richer and more complex than many people realize. Leagues competed in the U.S. as far back as the late 1800s, and in 1919 Bethlehem Steel became the first American professional soccer team to play in Europe when they toured Sweden. Multiple leagues existed during the early 1900s, but after the American Soccer Association folded in 1933, the country did not see a rebirth of professional soccer until 1967. It was a painful, hostile revival that saw dueling groups of American sports entrepreneurs fracture into two separate professional leagues, The United Soccer Association (USA) and the National Professional Soccer League (NPSL). The Rebirth of Professional Soccer in America: The Strange Days of the United Soccer Association tells the story of this largely forgotten chapter in the sport's history. The USA and NPSL were ragged, misshapen pieces of a puzzle that refused to fit together, two leagues competing directly for fans and revenue. While the USA was a league sanctioned by FIFA but absent from the nation's airwaves, the NPSL was considered an "outlaw" league by FIFA but it held an exclusive television contract with CBS. This would have been strange enough, but the USA league imported entire teams from Great Britain, Italy, and South America, including Stoke City, Wolverhampton Wanderers, Cagliari Calcio, and Bangu. This book recounts soccer riots in Yankee Stadium, teams with dual identities, World Cup winners on the pitch, and a cast of characters featuring the likes of Phil Woosnam, Lamar Hunt, Derek Dougan, and Gordon Banks. Drawing on meticulous research and interviews, this book reveals the little-known story that unfolded on the field, in the boardroom, and across the country during this single strange season of professional soccer. Featuring an impressive group of global soccer legends, this book delivers a fascinating piece of soccer history for the growing legions of American soccer supporters, as well as for soccer fans around the world.

*US Men's Professional Soccer* Jon Marthaler,2019-01-01 Learn more about the different men's professional soccer leagues in the United States over the years along with the stars that played in them. This book includes informative sidebars, high-energy photos, and a glossary. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

*Black Pioneers of the North American Soccer League (1968-84)* Patrick Horne,2019-04-10 They are the Forgotten Figures! They came from Africa, the Caribbean, the Americas, and the United Kingdom and showed America how to play soccer. They exhibited highly technical skills of the game, taught the youths in communities across the USA and Canada, and were their role models. They crusaded the game's uniqueness and its beauty. They were the black pioneers of the (original) North American Soccer League (1968-'84). Among them were the first MVPs of the league and the very first NASL Rookie of the Year; they were among the leading scorers and led their teams to NASL titles. In the process, they played a significant role in making the NASL a world-respected league, which led to the 1994 World Cup in the USA and now the successful MLS. Their efforts made soccer an American sport, and among them were Alberto, Archibald, Auguste, Best, Cannon, Charles, Coker, Cole, Cubillas, Cummings, David, De Leon, Eusebio, Evans, Fowles, Gamaldo, Grell, Horne, Horton, Ingram, Kapengwe, Knight, Lamptey, Largie, Lewis, Lichaba, Lindsay, Mathieu, Mfum, Mokgojoa, Motaung, Mwila, Ntsoelengoe, Odoi, Pearce, Phillips, Sanon, Scott, Sono, St. Lot, St. Vil, St. Vil, Steadman, Valentine, Welch, Welch, Whalen, and Pele. It all started with them; now they will be forgotten no more. This book is their tribute!

**Long-Range Goals** Beau Dure,2010 All over the world, soccer is known as the Beautiful Game and is the most popular sport. But in the United States, professional soccer still has a hard time catching on. It has had some successes here. The American Soccer League of the 1920s, Pelé and other international stars in the North American Soccer League's glamorous 1970s, the indoor soccer phenomenon of the 1980s, and the U.S. women's win in the Women's World Cup of 1999 all hinted that the American public is ready to embrace pro soccer. In its short history, Major League Soccer (MLS) has survived and even started to thrive, drawing steady crowds and loyal fans. In Long-Range Goals, Beau Dure profiles teams and players, including D.C. United, the Los Angeles Galaxy, Landon Donovan, Freddy Adu, and Coach Bruce Arena, who are all vital to MLS. Some of the triumphs include an expansion of the league and its ownership group, the contribution of MLS players to a strong U.S. World Cup showing in 2002, and the construction of soccer stadiums nationwide. At the same time, MLS has occasionally stumbled, during costly legal battles with players and seeing two teams fold, but its investors have remained strong, figured out how to make money, and support the league. From the league's formation in 1993 to the David Beckham era, this book reveals all the action on and off the pitch: the politics, the lawsuits, the management of its teams, and the savvy business deals that helped MLS rebound. It also revels in the big personalities of its stars, the grace of its utility players, and the obstacles the league faces in meeting its long-range goals.

*Minnesota United FC* Kaitlyn Duling,2019-09-04 Who knew that soccer is played up north? Minnesota has a long history of soccer, and it has only gotten more exciting in recent years. The state is becoming a soccer destination! In 2017, the Twin Cities of Minneapolis-Saint Paul got their own Major League Soccer club. From soccer basics to crazy stories, you'll learn all about Minnesota United FC. This young team is poised to become a league powerhouse. With bright photos and fun facts, this book will fill you in on the history of the team, as well as what you can expect next season.

*The United States of Soccer* Phil West,2016-11-01 "A brisk and informative look at Major League Soccer's first twenty years . . . West gives MLS fans a worthy chronicle." (Booklist). In 1988, FIFA decreed that the 1994 World Cup would be played in the United States - with the condition that the U.S. would start a new professional league. The North American Soccer League had failed just four years prior, and the prospects of launching a new league for Americans, who didn't share the rest of the world's love for soccer, were both exciting and daunting. The United States of Soccer is the engaging history of Major League Soccer's bootstrap origins prior to its 1996 launch, its near-demise in the early 2000s, and its surprising resilience and growth as it won recognition from soccer fans around the world. The book also explores the origin of MLS's superfans who set the tone within MLS stadiums and defining what it is to be a North American soccer fan. Phil West chronicles those fans' voices - intermingled with league officials, former players and coaches, journalists, and newspaper accounts - to detail MLS's remarkable journey.

**Rock 'n' Roll Soccer** Ian Plenderleith,2015-09-22 A Big Hair and Plastic Grass for soccer fans, this raucous history recounts the hype and chaos surrounding the rapid rise and cataclysmic fall of the NASL

**Soccer** Heather Williams,2019-08 In Soccer: A Guide for Players and Fans, young readers can dive into one of the world's most popular sports. Readers will find easy-to-read explanations of soccer's beginnings, basic rules and strategies, and how they can suit up and get on the pitch. This book features colorful photos, fun facts, and informative sidebars, and aspiring soccer players will take what they learn from it and head straight to the goal!

*Soccer Culture in America* Yuya Kiuchi,2013-12-07 What does the world’s favorite sport mean in the United States? Despite the common belief that it is only a women’s sport, an immigrants’ sport, a small kids’ sport—or that hating soccer is very American, the new essays in this volume attest that soccer indeed is a very American and very popular sport, around since the 1940s. The all-new essays address issues concerning the business of the game, the meaning of men’s and women’s professional, national, high school and youth soccer, the community formed by the game, the media, the referees, the hooliganism and the treatment of the sport in academe.

**MLS** Jon Marthaler,2020-08-01 This title tells the story of Major League Soccer, from its origins in the 1990s to its modern explosion in popularity. Readers will learn about the history of American professional soccer, the league's greatest stars, and the incredible growth MLS has undergone in the first decades of the twenty-first century. Features include infographics, a glossary, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

**Seattle Sounders** Jeff Savage,2018-08-01 The Seattle Sounders are one of the most popular teams in Major League Soccer (MLS). Fans fill the stadium at every game, and the Sounders have broken many records for game attendance. Discover more about the team through photos of the action and engaging storylines in this thrilling title.

The Soccer Starter William C. Summers,2015-10-03 Soccer is the fastest growing sport in America: almost nine million children between the ages of six and eleven play, making it second in that age group behind basketball. But because of its only recent explosion in popularity, many coaches are about as inexperienced as the children on their teams. Directed toward the inexperienced soccer coach, but useful for anyone interested in improving their coaching (and players’) abilities, this work addresses both the physical and mental aspects of the game. It provides a detailed overview of the fundamental skills of controlling, shielding, defending, turning, feinting, dribbling, passing, shooting, and defending, and gives keys to smart play and sportsmanship for coaches and players. It also provides tips for: adapting the game to different age groups, structuring and running practices, getting the most out of each match, and answering the most common questions asked by coaches and parents. Illustrations and diagrams supplement the text.

**US Women's Professional Soccer** Jon Marthaler,2019-01-01 Learn more about the different women's professional soccer leagues in the United States over the years along with the stars that played in them. This book includes informative sidebars, high-energy photos, and a glossary. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

Alive and Kicking Harvey Araton,2001 In the tradition of the bestselling In These Girls, a New York Times sports columnist takes a provocative look at a group of suburban soccer-playing moms in a compelling narrative of the national sports phenomenon. of photos.

*North American Soccer League Encyclopedia* Colin Jose,North American Soccer League,2003

**Soccer in a Football World** David Wangerin,2008-03-15 David Beckham’s arrival in Los Angeles represents the latest attempt to jump-start soccer in the United States where, David Wangerin says, it “remains a minority sport.” With the rest of the globe so resolutely attached to the game, why is soccer still mostly dismissed by Americans? Calling himself “a soccer fan born in the wrong country at nearly the wrong time,” Wangerin writes with wit and passion about the sport’s struggle for acceptance in Soccer in a Football World. A Wisconsin native, he traces the fragile history of the game from its early capitulation to gridiron on college campuses to the United States’ impressive performance at the 2002 World Cup. Placing soccer in the context of American sport in general, he chronicles its enduring struggle alongside the country’s more familiar pursuits and recounts the shifting attitudes toward the “foreign” game. His story is one that will enrich the perspective of anyone whose heart beats for the sport, and is curious as to where the game has been in America—and where it might be headed.

**The Soccer Diaries** Michael J. Agovino,2014-06-01 Although soccer had long been the world’s game when Michael J. Agovino first encountered it in 1982, here it was just a poor cousin to American football, to be found on obscure UHF channels and in foreign magazines. But as Agovino himself passionately pursued soccer, Americans got wise and turned it into one of the most popular sports in the country. Agovino’s love affair with soccer is a portrait of the game’s culture and an intimate history of the sport’s coming of age in the United States. Agovino’s quest takes him from the unkempt field in the Bronx where he taught himself to play to some of the sport’s most storied venues and historic matches. With Agovino we travel from school fields to Giants Stadium, then from England to Germany, Italy, and Spain, along the way taking in the final days of the North American Soccer League, the 1994 World Cup, and the birth of Major League Soccer. Offering the perspective of fan, player, and journalist, Agovino chronicles his obsession with the sport and its phenomenal evolution.

Soccer Joseph A. Luxbacher,2013-09-04 Master key techniques on the soccer field with Soccer: Steps to Success. This comprehensive guide features step-by-step instruction on becoming skilled in individual techniques and team tactics. Improve your abilities in dribbling, passing, receiving, shooting, defending, tackling, heading, and goalkeeping with the help of detailed descriptions and full-color photos and illustrations of all fundamental techniques. Then learn how and when to apply those skills in game situations, such as winning one-on-one matchups, attacking, and defending. More than 180 exercises and small-sided games test your readiness to progress to the next step through the use of an easy-to-follow scoring system. Become a total player able to perform a variety of skills and execute tactics consistently. One of the sport’s most popular resources, Soccer: Steps to Success has helped more than 100,000 players take their game to the next level.
