The Smitten Kitchen Cookbook Deb Perelman,2012-10-30 NEW YORK TIMES BEST SELLER • Celebrated food blogger and best-selling cookbook author Deb Perelman knows just the thing for a Tuesday night, or your most special occasion—from salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe. “Innovative, creative, and effortlessly funny. —Cooking Light Deb Perelman loves to cook. She isn’t a chef or a restaurant owner—she’s never even waitressed. Cooking in her tiny Manhattan kitchen was, at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on Google? You’ll get more than three million results. Where do you start? What if you pick a recipe that’s downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new, plus a few favorites from the site—that guarantee delicious results every time. Gorgeously illustrated with hundreds of her beautiful color photographs, The Smitten Kitchen Cookbook is all about approachable, uncompromised home cooking. Here you’ll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you’ll bookmark and use so often they become your own, recipes you’ll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and the essential items you need for your own kitchen. From salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe Cake, Deb knows just the thing for a Tuesday night, or your most special occasion. The Things They Carried Tim O'Brien,2009-10-13 Look for O’Brien’s new book, American Fantastica, on sale October 24th A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O’Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Inside Out & Back Again Thanhha Lai,2013-03-01 Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Lofdoc's Stories: Short and Sweet Lofdoc,2014-02-17 The stories that I offer you are a veritable peek into the nonchalant (relaxed) world of the Author, Lofdoc. In contrast to the previous two books that have much emotional and personal confessions (book one, Medical and personal views); and many stories about animals, nature, and mystery stories (Book two, Fish Tales, and stories of the unusual); this third book, An Octogenarians Oracles, is written in a clear, unbiased friendly sort of way. There are stories that are nostalgic (Willow trees); there are stories that reflect and admonish (Regrets);

and there are just plain fun to read stories (water skiing, smile please, use it, or lose it). Over all, the book has many stories that will prompt comments such as: Yeah, I remember seeing that, or prompt a sighing reader to comment these stories are true, oh so true. And so dear readers, I have given you my very best efforts. I have tried to put in print almost all elements that characterize my life on this planet. To this end, I have incorporated all three books into a Trilogy titled: LOFDOCS STORIES SHORT AND SWEET Book one subtitle Medical and personal views Book two Fish tales and stories of the Unusual Book three An Octogenarians Oracles I, Lofdoc, (Lots of fishing Doc), an 87 year old Octogenarian, hope you will enjoy my humble efforts, as much as I have enjoyed writing them.
