Passion to Dance James Neufeld,2011-10-23 This is the story of the National Ballet of Canada – the people, the determination, and how at sixty it is still creating new work while still representing the classics. Passion to Dance is the story of the National Ballet of Canada – the people who dreamt the company into existence, the determination needed to keep it afloat, the bumps on the road to its success, and above all, its passion for dance as a living, evolving art form. From catch-as-catch-can beginnings – borrowed quarters, tiny stages, enormous dreams the National Ballet has emerged as one of North America's foremost dance troupes. The company at sixty is a company of its time, engaged in creating challenging new work, yet committed to maintaining the classics of the past, favourites like Swan Lake, The Nutcracker, and The Sleeping Beauty. One hundred and fifty photographs from the company's archives illustrate this definitive history, filled with eyewitness accounts, backstage glimpses, and fascinating detail. This is a record of one of Canada's boldest cultural experiments, a book to enjoy now and keep forever.

Kindred Spirits Brenna Moore, 2021-07-02 Kindred Spirits focuses on a network of Catholic historians,

theologians, poets, and activists who pushed against both the far-right surge in interwar Europe as well as the secularizing tendencies of the leftist movements active in the early to mid-twentieth century. Brenna Moore focuses on how this group sought a middle way anchored in spiritual friendship-religiously meaningful friendship conceived of as uniquely capable of engaging the social and political challenges of the era. For this interconnected group, spiritual friendship was inseparable from their resistance to European xenophobia and nationalism in the 1930s, anti-racist activism in the US in the 1930s and 1940s, and solidarity with Muslims during the Algerian War in 1954-1962. Friendship was a key to both divine and human realms, a means of accessing the transcendent while also engaging with our social and political existence. The project primarily centers on France, but members of this group also hailed from Russia, Egypt, Syria, and New York. Some of the core figures are well-known-philosopher Jacques Maritain, influential Islamicist Louis Massignon-while others are lost to history. More than a simple idealized portrait of a remarkable group of Catholic intellectuals from the past, Kindred Spirits is a deep dive into both the beauty and the flaws of a vibrant social network worth recovering from historical obscurity--
