## **Country Music Broke My Brain** Gerry

House, 2014-03-04 Nashville is filled with stars and lovers and writers and dreamers. Nashville is also teeming with lunatics and grifters and dip wads and moochers. Gerry House fits easily into at least half of those categories. Someone would probably have to be brain-damaged or really damn talented to try to entertain professional entertainers over a decades-long radio show in Music City, USA. Fortunately, House is little of both. Host of the nationally syndicated, top-rated morning show, "Gerry House & The Foundation for more than 25 years, he has won virtually every broadcasting award there is including a place in the National Association of Broadcasters Hall of Fame. Gerry also spent that time deep inside the songwriting and recording world in Nashville. In *Country Music Broke My Brain*, Gerry tells his stories from the other side of the microphone. He reveals never-aired, never-before published conversations with country music's biggest names—Johnny Cash, Brad Paisley, and Reba McEntire to name a few—and leaves you with his own crazy antics that will either have you laughing or shaking your head in disbelief. With exclusive celebrity stories, humorous trivia and anecdotes, and broadcasting wisdom, this book is a treat for country music fans or for anyone who wants a good laugh.
