**Seattle Sounders FC** ,

Sounders FC, Authentic Masterpiece Mike Gastineau,2013 It sounds like the start of a great joke: A minor-league sports executive, one of the richest men in the world, a stand-up comedian, and a Hollywood movie producer conspire to start a soccer team. But what Adrian Hanauer, Paul Allen, Drew Carey, and Joe Roth did when they started the Seattle Sounders FC was no joke. They meticulously planned the launch of the Major League Soccer (MLS) franchise with an eye toward some lofty goals. Then they stood back in amazement as they rocketed far beyond those goals buoyed by a team that ignored its expansion label and a fan base that wildly embraced them.Through interviews with key executives, athletes and fans, author Mike Gastineau tells the story leading up to the launch of Sounders FC, the MLS expansion franchise whose seemingly overnight success has captured the attention of the Seattle sports community, sports and entertainment executives, soccer followers across the country and the national news media.In Sounders FC Authentic Masterpiece, readers will learn: \* How a money-losing soccer club rocketed from the ranks of the minor leagues to Major League Soccer drawing sell-outs and regularly topping 50,000 fans per match.\* The unique relationships between the eclectic group of seasoned sports executives, Hollywood celebrities and bar room soccer fans who came together to build a sports culture that validated Major League Soccer in Seattle and across the country.\* The personalities of the players and coaches who took different paths to the team and turned their diversity into a winning team starting on opening night.Gastineau communicates to readers the entire history of events that led to the Sounders FC launch beginning with the role soccer fans played in securing a professional football stadium for the Seattle Seahawks. Also emphasized in the book are the soccer fans, bar owners and soccer subculture that existed in Seattle and was waiting to be acknowledge by mainstream professional sports leaders and media. The book also details how that soccer subculture directly impacted one of the biggest deals in MLS history, the signing of superstar Clint Dempsey in 2013. This is a story of sports, business, culture, timing, and luck. It demonstrates how powerful business people were able to check their egos and embrace their customers all for the sake of the fans, the city, and a soccer culture desperate to embrace a sports team that treated them with respect.

**Seattle Sounders FC** Marty Gitlin,2018 The Seattle Sounders were born in 2009. And they wasted no time becoming perhaps the greatest franchise in Major League Soccer. They have certainly been the most popular. The love from their fans has resulted in the largest attendance in each of their first eight seasons. Soccer is a passion in Seattle! That passion was rewarded in 2016. That is when the Sounders captured their first MLS crown. This book takes readers into the action. It places them on the field for a Fredy Montero goal and Kasey Keller save. It brings them closer to the 40,000 fans that stream into CenturyLink Field for every home game. It allows them to feel the excitement of a Seattle playoff victory. Just as the Sounders have been a winner every season, the reader can be a winner by learning all about one of the finest sports franchises ever.

**Seattle Sounders FC Our Moment** ,2017-04-01

**The Sound and the Glory** Matt Pentz,2019-03-05 A unique and comprehensive look at the Seattle Sounders franchise and its storied run for the Cup The Seattle Sounders were a sensation from the start, attracting crowds of sizes unlike any MLS team had ever seen. By the 2016 season, Seattle was averaging more than 42,000 fans per home game, the most of any soccer team in the Western Hemisphere, and more than behemoths like Chelsea F.C. and A.C. Milan overseas. But, for all of its early consistent success, Seattle had yet to actually win the league. In order to reach the ambitious goals the club set for itself, the Sounders needed the jolt of a championship. To get there would require tumult previously unknown to a club built on stability, a clash of egos, and a title run so unlikely it could hardly have been scripted. This is a Cinderella story for all MLS fans and every Sounder at heart.

**The Sports Strategist** Irving Rein,Ben Shields,Adam Grossman,2014 In The Sports Strategist: Developing Leaders for a High-Performance Industry, authors Irving Rein, Ben Shields, and Adam Grossman demonstrate that relying too much on winning is a losing long-term strategy for dealing with these challenges. Instead, they argue that sports organizations must focus on identifying and maximizing key factors that, unlike winning, can be controlled and shaped. By building a more well-rounded business, sports strategists will position themselves and their organizations for sustainable success in the industry. -- Inside Cover
