Exploring South Carolina State Parks J L And Lin Stepp, 2021-04 This colorful guidebook offers a complete recreation guide to the opportunities available in South Carolina's parks for visitors and travelers, families, campers, hikers, nature lovers, history buffs, and outdoor enthusiasts. Best-selling authors J.L. and Lin Stepp so enjoyed visiting all the state parks in their home state of Tennessee, while writing their award-winning book *Discovering Tennessee State Parks*, that they decided to spread their wings and visit all the parks in South Carolina, too. The result is *Exploring South Carolina State Parks*, a guidebook providing detailed descriptions of each of the forty-seven state parks, along with descriptions of eight of South Carolina's national parks and historic sites. In a format similar to their Tennessee parks guide and their best-selling Smoky Mountain hiking guide, *The Afternoon Hiker*, the Stepps provide clear directions to get to every park, suggestions for interesting things to do and see while visiting or camping, tips and local insights about the area, and over 700 color illustrations to showcase the beauty of every park visited. The book is divided into four South Carolina regions, the Lowcountry, Midlands, Pee Dee, and Upstate. Each regional section has its own index and at the end of the book is a colorful map and an alphabetical index to help readers easily locate any park of interest. Based on the authors' own explorations and travels throughout

South Carolina, this guide offers a detailed personal account of the diverse and picturesque parks, all rich with history and beauty. So pack your bags and get ready for some fun looking through this guide and planning your upcoming trip to The Palmetto State. This is more than a publication of South Carolina state parks. It is the perfect guide for exploring what the parks have to offer in detail. For visitors and campers, the listing of the amenities, photos, and directions is a most valuable tool. As an avid camper, the Stepp's previous guidebook, *Discovering Tennessee State Parks*, helped me to find new hidden gems in my state. With this new guide, I'm looking forward to visiting as many South Carolina parks as I can! - Gloria Motter, Cades Cove Museum Director, historian and public speaker

North Carolina Adventure Weekends Jessie Johnson, Matt Schneider, 2017-11-07 North Carolina Adventure Weekends makes it easy for campers, hikers, cyclists, paddlers, and climbers to plan weekend after weekend of memorable outdoor trips. It's written for both novice and experienced adventurers who enjoy—or aspire to enjoy—a variety of outdoor pursuits but don't have time to spend hours researching the best destinations or can't get away for a long trip. Most outdoors enthusiasts enjoy a variety of activities, and this is the ideal resource for hikers who love to climb, paddlers who also pedal, and everyone who wants to get the most adventure out of a weekend. It's also ideal for couples, families, or groups who love sharing a weekend getaway but want to do different things. Many guidebooks focus on one specific activity, such as hiking, paddling, or camping, and North Carolina Adventure Weekends eliminates the need for weekend warriors to spend hours thumbing through multiple guidebooks and websites, trying to find the best options for their multisport weekend trips. Furthermore, regional guidebooks might offer suggestions on different outdoor activities but not pinpoint the best options for adventurers who only have a weekend to explore. With North Carolina Adventure Weekends, readers have numerous action-packed weekend itineraries at their fingertips. They'll know not only where to stay to be closest to the action, but also which adventures—hike routes, bike rides, paddle trips, climbing areas, etc.—are weekend-worthy. Each chapter highlights a focused geographic area and includes detailed directions, so readers can spend more time playing and less time driving from place to place. Adventurers will also learn where to stock up on supplies, what to do on a rainy day,

and where to go to rehash the weekend's adventures over an epic-worthy meal and a beer.

U. S. National Forest Campground Guide Fred Dow, Suzanne Dow, 2005 Whether you camp in a tent or a recreational vehicle (RV), there are campgrounds in U.S. National Forests to satisfy the needs of most campers. The U.S. National Forest Campground Guide, Southern Region, describes 216 developed campgrounds in 33 National Forests located in 14 southern states. Most of the campgrounds were personally visited and researched by the authors of this Guide. There are more than 50 items of information for each campground, narrative descriptions (including authors' anecdotes), maps displaying the relative location of the campgrounds, and quick look-up tables to help in the selection of a campground. In addition, there are sidebars throughout the Guide containing useful information about camping, the forests, things to do, and the authors' experiences.
