**Focus 2022 World Film Market Trends** Martin Kanzler, Patrizia Simone, 2022-05-18 [bilingual edition ENG / FRE] Focus 2022: an anniversary issue! This FOCUS marks a double anniversary for the European Audiovisual Observatory: this year we celebrate the 25th edition of this publication and also the 30th anniversary of the Observatory itself. The fact that FOCUS goes back 25 years in our history proves that the film market is of crucial importance to our work! In 25 years, we have constantly expanded our film-related expertise and services, and in parallel the scope of our data collection. This was only possible due to our invaluable networks, especially the EFARN, which therefore deserves our sincere thanks on the occasion of these anniversaries. The FOCUS report, however, would not have developed as it did without the vision of our partner, the Marché du Film and in particular Jérôme Paillard, its longstanding Executive Director, whom we will always link to this publication even after his imminent retirement. Thank you Jérôme for all these years of wonderfully easy cooperation! We are looking forward to continuing our work with your successor Guillaume Esmiol and the exceptional staff that he "inherits" from you.

Susanne Nikoltchev, Executive Director of the European Audiovisual Observatory
