Lee Glickstein

Be Heard Now! Lee Glickstein, 2000-01-03 As followers of Lee Glickstein's popular seminars attest, effective public speaking isn't the result of being over-prepared or having a slick delivery. It's actually a creative, interactive process relying on the speaker's natural presence and willingness to be in the moment. Now Glickstein shares his dramatically successful transformational speaking approach, showing that the key to successful public speaking lies in spiritual principles that emphasize self-realization and authenticity. **Be Heard Now!** teaches you how to: Heal your inner speaker and overcome your fear of exposure Project a genuine, personal presence to enhance your overall performance Develop a keen awareness of the audience and benefit from their response Use humor and vulnerability to captivate your listeners Apply four essential components to write a successful speech With Glickstein's compassionate, realistic approach, **Be Heard Now!** can help anyone become a confident, jitter-free public speaker whose ideas flow freely and persuasively.

Everyone Speaking the Word of God Witness Lee, 1987 God desires all men to come to the full knowledge of the truth. He also desires that we, as believers, would speak for Him. Everyone may speak for God and everyone can speak for God. In the Old Testament, when sixty-eight elders came before the Lord and began to speak for the Lord, Moses said to Joshua, Oh that all Jehovah's people were prophets (Num. 11:29). In the New Testament, Paul boldly stated, You can all prophesy one by one (1 Cor. 14:31). In Everyone Speaking

the Word of God, Witness Lee encourages the believers to begin to speak for God by speaking the Word of God. For this he stresses the need for training and even a solid and systematic education in the Word of God so the truths in the Word become the words in our mouth. He identifies ten categories of the Word that must become experiential to us through study, prayer, and the filling of the Spirit. These include the word of grace, the word of truth, the word of the gospel, the word of life, the healthy word, the edifying word, the word of righteousness, the word of knowledge, and the word of wisdom.
