**Special Olympics** Adam Hellebuyck, Laura Deimel, 2019-08-01 Using the new C3 Framework for Social Studies Standards, Special Olympics in the Global Citizens: Sports series explores the topic through the lenses of History, Geography, Civics, and Economics. As they read, students will develop questions about the text, and use evidence from a variety of sources in order to form conclusions. Data-focused backmatter is included, as well as a table of contents, author biography, sidebars, bibliography, glossary, and index.

Special Olympics Florian Kiuppis, Daniela Schwarz, 2023-11-07 This book brings together academic work on Special Olympics and specifically on the social inclusion of people with intellectual disabilities in various sport contexts and other areas of life, by ways of both empirical research and theoretically informed papers. Inclusion in sport is a topic that is mostly explored in connection with the participation of people with disabilities in general. In public debates on inclusion and sport in the global society, participation is predominantly discussed in a normative way, e.g., in connection with the campaign The Revolution is Inclusion by Special Olympics, describing it as an “all-out effort to end discrimination against people with intellectual disabilities”. With this international collection, the authors seek to contribute to an interdisciplinary understanding of Special Olympics in Context of Inclusion Debates and establish a foundation for future scholarship. The chapters in this book can contribute to a new research agenda on Special Olympics, particularly participatory approaches. The chapters in this book were originally published in Sport in Society.

*1% Better* Chris Nikic, Nik Nikic, 2021-10-05 What would life look like if you measured your success by improvements instead of victories? Nik Nikic shares the incredible story of his son Chris's journey to become the first person with Down syndrome to ever complete an IRONMAN® triathlon, inspiring others to achieve their goals by getting 1 percent better every day. From the moment Chris Nikic was born, his parents knew he could achieve anything he set his mind to do. So when he became involved in triathlons with the Special Olympics, his dad, Nik, took on the role of coach and encouraged Chris to aim even higher. Together, they set their sights on making history—Chris becoming the first person with Down syndrome to complete an IRONMAN® triathlon. Written from Chris's father's perspective, Nik shares the 1% Better mindset that has helped Chris achieve many of his goals—and the underlying principles of the 1% Better system can help you pursue and achieve your dreams too! Through Chris and Nik's story, learn the benefits of applying the model to your own life and discover how to: Overcome the mental hurdles of pain Stay motivated using three irrefutable laws of motivation See failures as opportunities for improvement Form a lifelong habit of success You may never be the best. But you can be better than your best when you stop imposing self-limitations and begin the journey to reach your goals—one confident step at a time. Publisher's Note: 1% Better is written in Nik Nikic's voice. Chris and his accomplishments are the focus of 1% Better, and Chris is a coauthor of the book as he was interviewed by his father and the writer.

**More Alike Than Different** David Egan, 2020-09-07 In this inspiring memoir, David Egan tells his own story, giving us a window into a life spent pushing boundaries. With a family undaunted by his diagnosis of Down syndrome, Egan learned early to speak up for himself. He has since become a powerful advocate for all people with disabilities. His optimistic perspective rejected the limits of stereotypes and the expectations of others. He shares how the support of loving family and friends led him to overcome challenges and blaze new trails. It started with swimming and baseball, when he earned places on his neighborhood teams, competing fiercely and as a fully accepted teammate. He writes firsthand of the empowering feeling of being fully included in elementary school and at work as an adult. Egan has earned positions at prestigious companies and a distinguished fellowship on Capitol Hill. He sits on the boards of influential advocacy organizations. He

has addressed audiences worldwide and has played a powerful global advocacy role with Special Olympics. He allowed himself to dream big, and he encourages everyone to do the same. His lesson to all of us is to focus on our shared humanity despite our differences--and our diagnoses. This hopeful memoir will encourage everyone to make the most of their lives.

*The Call to Unite* Tim Shriver,Tom Rosshirt,2021-03-16 From some of our most prominent spiritual and religious leaders, poets and thinkers, singers and writers, a book of wisdom to light our way in dark times. AN OPEN FIELD PUBLICATION FROM MARIA SHRIVER At the start of 2020, in what felt already like an age of disorder, our world faced one of the gravest global challenges in a century. Covid-19 raced around the earth, and chaos erupted. Yet in the midst of this crisis, billions of human beings responded with love. Across the globe, people sought to connect, whether in person from a socially distant six feet or via a screen from 10,000 miles away. In that moment, Tim Shriver saw an opportunity for those hungry for community to answer a call to heal, a call to hope, a call to unite. He asked monks and nuns, artists and activists, nurses and doctors, ex-presidents and ex-cons to come together to share messages of inspiration, transformation, and love. This book captures the spirit of that 24-hour event. Featuring stories and insights from Bishop TD Jakes, Elizabeth Gilbert, Van Jones, Amy Grant, Dr. Rheeda Walker, Pastor Rick Warren, Rev. Jacqui Lewis, Jewel, Deepak Chopra and many others, *The Call to Unite* offers readers a book of wisdom to turn to in hard times - filled with prayers, poems, spiritual insights and lessons to live by that will stand the test of time. Those seeking affirmation, solace, and inspiration need only look inside for guidance in finding the light in any crisis. Only in embracing each other can we amplify the love that creates our global community. Only in coming together can we be our happiest, and our best.
