**Global Status Report on Road Safety 2018** World Health Organization,2019-01-10 The Global status report on road safety 2018 launched by WHO in December 2018 highlights that the number of annual road traffic deaths has reached 1.35 million. Road traffic injuries are now the leading killer of people aged 5-29 years. The burden is disproportionately borne by pedestrians cyclists and motorcyclists in particular those living in developing countries. The report suggests that the price paid for mobility is too high especially because proven measures exist. Drastic action is needed to put these measures in place to meet any future global target that might be set and save lives.

**The Urban Transport Crisis in Emerging Economies** Dorina Pojani,Dominic Stead,2016-11-18 This edited volume discusses urban transport issues, policies, and initiatives in twelve of the world's major emerging economies – Brazil, China, Colombia, India, Indonesia, Iran, Mexico, Nigeria, Russia, South Africa, Turkey, and Vietnam - countries with large populations that have recently experienced large changes in urban structure, motorization and all the associated social, economic, and environmental impacts in positive and negative senses. Contributions on each of these twelve countries focus on one or more major cities per country. This book aims to fill a gap in the transport literature that is crucial to understanding the needs of a large portion of the world's urban population, especially in view of the southward shift in economic power. Readers will develop a better understanding of urban transport problems and policies in nations where development levels are below those of richer countries (mainly in the northern hemisphere) but where the rate of economic growth is often increasing at a faster rate than the wealthiest nations.

**Thebes** Gareth Jandrell,Sophocles,,Aeschylus,2014-02-10 I mean, what is Thebes? A theocracy? No. A meritocracy? Certainly not. A monarchy? Kind of. A patriarchy? Less and less so. Thebes is many things, and to revolutionise that? Well, how? From Oedipus to Antigone, the story of Thebes remains a fascinating exploration of fate, morality and chaos, two and a half thousand years after the saga was originally written. The first domino falls as Oedipus realises he has unwittingly fulfilled a cruel and unusual prophecy. As control of Thebes is handed to Creon, his sons fight each other for the kingdom and his daughter Antigone is determined to serve the honour of her family to the bitter end. This version weaves together Sophocles and Aeschylus to present the full, visceral and bloody account of the Oedipus dynasty.

**Tinseland** Micah K. Hart, 2010-03 Tinseland is a modern day Christmas adventure story. Christopher is a young boy who has just been chosen by Santa Claus to help save Christmas. Join him on his perilous quest against the evil forces of Grummire and his minions. On your journey you will meet memorable characters and experience a different twist to the traditional Christmas story. Will they succeed? A delight to both the young reader and parents creating memories, the fate of Christmas awaits Christopher, and you... Author's Note: I wrote the Tinseland story for my then eight-year-old son, and revised it when my daughter was old enough to enjoy. It has become a part of our Christmas tradition. Each chapter is short enough to read at bedtime and allows a 'cliffhanger' effect for the next reading. Many young readers, eager to find out what happens, end up reading it in a couple sessions. I hope you enjoy Tinseland and that it brings a little extra Christmas joy to you and your family. Micah
