Spend It! Cinders McLeod,2022-02-15 A charming introduction to simple money concepts in which a bunny learns he can't buy everything he wants with his allowance! Sonny gets three whole carrots a week for his allowance and wants to buy everything! But he quickly discovers his money won't go that far, and he has to make some choices. That doesn't sound like much fun to Sonny, especially when he learns that the bouncy castle he's been eyeing goes for ONE HUNDRED carrots. Ridiculous! But eventually, after a little math and a little more thinking, he has a blast discovering what's really important to him and worth spending his carrots on. This is one of the four books in the internationally acclaimed Moneybunny Books series that also includes Earn It!, Give It!, and Save It!
