**A Course In Weight Loss** Marianne Williamson,2010 For so many people, whether your addiction is to a substance or merely to a certain way of thinking or acting, a profound humbling occurs when you realize that your problem is bigger than you are. The terror of realizing, even dimly, that you have no control over a self-destructive pattern of behavior that as much as you would want to, you simply cannot stop can mark a crucial turning point in your life. At that point, you go in one of two directions: either way, way down, or way, way up. . . . This book is for you if you know in your heart that you are an addict, and that you are powerless before your addictive behavior. As the title promises, Marianne Williamson looks at weight loss from a spiritual perspective, bringing you 30 lessons that can be done separately or in conjunction with any other serious spiritual path. These 30 lessons are completely separate from anything related to diet or exercise they will retrain your consciousness in the area of weight in order to break the cycle of overeating, dieting, and shame that rules so many lives. Finally, Marianne has brought you what you've been waiting for: help to heal your addiction once and for all!

**A Course In Weight Loss** Marianne Williamson,2012-01-01 If you are plagued by compulsive patterns of unwise eating, then this book is for you. In A Course in Weight Loss, best-selling author Marianne Williamson addresses the causal root of your weight-loss issues: a place within you where you have subconsciously forgotten your divine perfection. This forgetfulness has confused not only your mind but also your body, making you reach for that which cannot sustain you . . . and reject that which does. As your mind reclaims its spiritual intelligence, your body reclaims its natural intelligence as well. The 21 lessons in this book take you on a deep, sacred journey. One step at a time, you learn to shift your relationship with yourself—and your body—from one of fear to one of love. And you will begin to integrate the various parts of yourself—mind, body, and spirit—to become, once again, and in all ways, the beautiful and peaceful person you were created to be.

The Weigh Down Diet Gwen Shamblin,2009-09-30 Isn't your desire to overeat really spiritual hunger? "I can stop in the middle of a candy bar and have no desire to eat the second half if my stomach is not calling for it." - Gwen Shamblin Do you eat and eat and never feel full? Rise above the magnetic pull of the refrigerator and turn to the bounty offered to thousands who have embraced a liberating weight-reduction program in churches across America. The Weigh Down Diet gives new hope to millions who have failed on conventional diets and guides readers to the richer satisfaction that comes not from food, but from faith. Gwen Shamblin's The Weigh Down Diet is a groundbreaking approach to weight loss. People who have known no end to their hunger and who have no control over their late-night binges have learned through the Weigh Down Workshop that they can remove the irresistible desire for food. This is not a diet like others, because it is not food-focused. It contains chapters such as "It's Not Genetics or Your Mother's Fault," "I Feel Hungry All the Time," and "How to Eat Potato Chips and Chocolate." So, as you can see, here is a very different approach to weight loss. Weigh Down gives back hope to dieters who will learn that God did not put chocolate or lasagna on Earth to torture us – but rather for our enjoyment!

**The Religion of Thinness** Michelle Mary Lelwica,2013-10-18 With so many women approaching their diets, body image, and pursuit of a slender figure with slavish devotion, The Religion of Thinness is a timely addition to the discussion of our cultural obsession with weight loss. At the heart of this obsession is the belief that in order to be happy, one must be slim, and the attendant myths, rituals, images, and moral codes can leave some women with severe emotional damage. Idealized images in the media inspire devotees of this "religion" to experience guilt for behaviors that are biologically normal and necessary, and Lelwica offers two ways to combat this dangerous cultural message. Advising readers to look hard at the societal cues that cause them to obsess about their weight, and to remain mindful about their actions and needs, this book will not only help stop the cycle of guilt and shame associated with food, it will help readers to grow and accept their bodies as they are.

Many decided to take part in a simple prayer/weight-loss experiment he was conducting. The results were astonishing. Now Dr. Anderson has put his exciting Prayer Diet in book form. With The Prayer Diet, there is no regimen to follow. Instead, it asks readers to complete a few steps every day that address the emotional, mental, and spiritual essentials for lasting weight loss. In the fast-reading chapters of The Prayer Diet, Dr. Anderson will answer all readers' questions and provide encouragement as they slim down. He also includes a prayer maintenance program, to keep dieters from ever regaining the pounds they shed.
