Chicago: America's Best Sports Town Brian Sandalow, 2018-06-12 Chicago sports teams have put their fans through hell at times, but that's only part of the story. Chicago: America's Best Sports Town recounts the athletes, coaches, triumphs, and heartbreaks that have kept fans coming back for more.

State Melissa Isaacson, 2019-08-13 With the passing of Title IX, a Chicago high school girls' basketball team becomes pioneers as they play for the championship in this sports memoir. Set against a backdrop of social change during the 1970s, State is a compelling first-person account of what it was like to live through both traditional gender discrimination in sports and the joy of the very first days of equality—or at least the closest that one high school girls' basketball team ever came to it. In 1975, freshman Melissa Isaacson—along with a group of other girls who'd spent summers with their noses pressed against the fences of Little League ball fields, unable to play—entered Niles West High School in suburban Chicago with one goal: make a team, any team. For “Missy,” that turned out to be the basketball team. Title IX had passed just three years earlier, prohibiting gender discrimination in education programs or activities, including athletics. As a result, states like Illinois began implementing varsity competition—and state tournaments—for girls' high school sports. At the time, Missy and her teammates didn't really understand the legislation. All they knew was they finally had opportunities—to play, to learn, to sweat, to lose, to win—and an identity: they were athletes. They were a team. And in 1979, they became state champions. With the intimate insights of the girl who lived it, the pacing of a born storyteller, and the painstaking reporting of a veteran sports journalist, Isaacson chronicles one high school team's journey to the state championship. In doing so, Isaacson shows us how a group of “tomboys” found themselves and each other, and how basketball rescued them from their collective frustrations and troubled homes, and forever altered the course of their lives. Praise for State “A beautiful story of basketball and life.” —Steve Kerr, head coach, Golden State Warriors “Isaacson perfectly captures the birth of Title IX and a time when high school girls were starting to gain equality in sports and in the classroom, showing us how opportunities on the court can light a path for girls to become their authentic selves in all aspects of their lives.” —Billie Jean King, founder of the Billie Jean King Leadership Initiative “The book is special because Isaacson captures the special bond that formed among the female athletes. Not only were they teammates, they were pioneers of a sort A wonderful book that is both eye-opening history and a moving and deeply personal memoir.” —Booklist, starred review “An intimate, at times inspiring account.” —Kirkus Reviews

From Black Sox to Three-Peats Ron Rapoport, 2013-08-30 Bears, Bulls, Cubs, Sox, Blackhawks—there's no city like Chicago when it comes to sports. Generation after generation, Chicagoans pass down their almost religious allegiances to teams, stadiums, and players and their never-say-die attitude, along with the stories of the city's best (and worst) sports moments. And every one of those moments—every come-from-behind victory or crushing defeat—has been chronicled by Chicago's unparalleled sportswriters. In From Black Sox to Three-Peats, veteran Chicago sports columnist Ron Rapoport assembles one hundred of the best columns and articles from the Tribune, Sun-Times, Daily News, Defender, and other papers to tell the unforgettable story of a century of Chicago sports. From Ring Lardner to Rick Telander, Westbrook Pegler to Bob Verdi, Mike Royko to Hugh Fullerton, Melissa Isaacson to Brent Musburger, and on and on, this collection reminds us that Chicago sports fans have enjoyed a wealth of talent not just on the field, but in the press box as well. Through their stories we relive the betrayal of the Black Sox, the cocksure power of the '85 Bears,

the assassin's efficiency of Jordan's Bulls, the Blackhawks' stunning reclamation of the Stanley Cup, the Cubs' century of futility—all as seen in the moment, described and interpreted on the spot by some of the most talented columnists ever to grace a sports page. Sports are the most ephemeral of news events: once you know the outcome, the drama is gone. But every once in a while, there are those games, those teams, those players that make it into something more—and great writers can transform those fleeting moments into lasting stories that become part of the very identity of a city. From Black Sox to Three-Peats is Chicago history at its most exciting and celebratory. No sports fan should be without it.

Louis Sullivan's Idea Tim Samuelson, 2021-09-07 A visual compendium revealing the philosophy and life of America's renowned architect The story of Louis H. Sullivan is considered one of the great American tragedies. While Sullivan reshaped architectural thought and practice and contributed significantly to the foundations of modern architecture, he suffered a sad and lonely death. Many have since missed his aim: that of bringing buildings to life. What mattered most to Sullivan were not the buildings but the philosophy behind their creation. Once, he unconcernedly stated that if he lived long enough, he would get to see all of his works destroyed. He added: Only the idea is the important thing. In *Louis Sullivan's Idea*, Chicago architectural historian Tim Samuelson and artist/writer Chris Ware present Sullivan's commitment to his discipline of thought as the guiding force behind his work, and this collection of photographs, original documentation, and drawings all date from the period of Sullivan's life, 1856-1924, that many rarely or have never seen before. The book includes a full-size foldout facsimile reproduction of Louis Sullivan's last architectural commission and the only surviving working drawing done in his own hand.

Super Bowl Blueprints Bill Polian, Vic Carucci, 2021-11-30 A straight-from-the-source look at how NFL dynasties are built In *Super Bowl Blueprints*, Hall of Fame general manager Bill Polian and veteran football scribe Vic Carucci sit down with the architects of the greatest teams of all time, digging into how these dynastic squads did what they did, with more insight and access than any football book in history. Polian, the architect of the Super Bowl XLI-champion Indianapolis Colts, provides a rare glimpse inside the locker rooms, coaches' room, and front offices for the key moments that defined the modern NFL. Whether Polian is discussing variations of the no-huddle with Jim Kelly and Peyton Manning or the culture of the Steel Curtain with Terry Bradshaw and Mean Joe Greene or different versions of Bill Walsh's West Coast offense with Mike Holmgren and Steve Young, his command of the game mixed with the perceptions of these legends creates a book like no other. Tom Flores, Ron Wolf, and Mike Haynes debate how Al Davis built the iconic Raiders franchise, while Jimmy Johnson, Jerry Jones, Troy Aikman, and more share how tension and football IQ were married to create the unstoppable Cowboys teams of the '90s. *Super Bowl Blueprints* tells the story of championship football—how it's attained and what it takes—through the voices of Bill Parcells, Marv Levy, Art Rooney II, Charles Haley, Doug Williams, John Mara, Charley Casserly, Joe Theismann, Harry Carson, Tom Moore, Brian Billick, Frank Reich, Dwight Freeney, Joe Gibbs, Tony Dungy, and many more!

In *Pee Wees: Confessions of a Hockey Parent*, Cohen takes us through a season of hard-fought competition in Fairfield County, Connecticut, an affluent suburb of New York City. Part memoir and part exploration of youth sports and the exploding popularity of American hockey, *Pee Wees* follows the ups and downs of the Ridgefield Bears, the twelve-year-old boys and girls on the team, and the parents watching, cheering, conniving, and cursing in the stands. Secretariat William Nack,2010-08-31 Secretariat is an elegantly crafted, exhilarating tale of speed and power, grace and greatness, told with such immediacy that the reader is lost in the rush of horses and the clatter and ring of the grandstand. --Laura Hillenbrand, bestselling author of Seabiscuit Updated with a new preface by the author In 1973, Secretariat, the greatest champion in horse-racing history, won the Triple Crown. The only horse to ever grace the covers of Time, Newsweek, and Sports Illustrated in the same week, he also still holds the record for the fastest times in both the Kentucky Derby and the Belmont Stakes.
