This Book Has Balls Michael Rapaport,2017-10-24 The sports world according to Michael Rapaport—actor, Top 50 podcaster, award-winning film maker, and sports fanatic—from the greatest and downright worst athletes, players, teams, and jerseys, but minus statistics, analytics, or anything else that isn't pure hustle in this “hell of a book” (Shaquille O'Neal). In 1979, nine-year-old Michael Rapaport decided he was going to do whatever it took to be a pro baller. He practiced and practiced, but by the time he was fifteen, he realized there was no place for a slow, white Jewish kid in the NBA. So, he found another way to channel his obsession with sports: talking trash. In the “crazy, passionate, funny and intense” (Colin Cowherd) This Book Has Balls, Rapaport uses his signature smack-talk style and in-your-face humor to discuss everything from why LeBron will never be like Mike, that Tiger needs the ladies to get his golf game back, and how he once thought Mary Lou Retton was his true love. And, of course, why next year will be the year the New York Knicks win the championship. This book is a series of rants—some controversial, some affectionate, but all incredibly hilarious. “Something is wrong with Michael Rapaport but that’s what makes him right,” (Charlamagne tha God).

Football - Play It Forward Mac Millar,2014 This is Mac's first book. Not surprising, since he is 10. Inspired to create a soccer website, Mac sought a worthwhile purpose. This is the story of how Mac: built a website; raised funds; arranged for the Australian soldiers to take soccer balls to Afghanistan; met the Governor of Queensland; won a United Nations Association of Australia award; delivered soccer balls to the children of refugees in Australian detention centres and his experiences matching it with some of Australia's highest profile media personalities. About the Author: At the age of 9, Mac was inspired to send soccer balls to kids in need around the world. With a little bit of help from his family Mac achieved something quite astounding: soccer balls to kids in Afghanistan, Solomon Islands, Nauru, Manus Island, Zimbabwe and the children of refugees in Australian detention centres. Mac is a talented soccer player who one day wants to play for the Socceroos and Manchester United. He also loves playing cricket and tennis. Mac's philosophy is: One world. One game. You Gotta Have Balls Brandon Steiner,2012-09-10 A Brooklyn kid hustles his way to the top of a sports marketing and memorabilia empire Brandon Steiner went from a kid who sat in the nosebleed seats at Yankee and Shea Stadiums to CEO of Steiner Sports Marketing Inc., one of the largest sports marketing and memorabilia companies in the United States, with an inventory of more than 10,000 collectibles. You Gotta Have Balls details Steiner's multiple entrepreneurial adventures, where he has both learned and taught others his fair share of rules. Along the way, he developed some of the most innovative approaches to business—methods that many of today's companies would be wise to observe and employ themselves. You Gotta Have Balls follows Steiner on his pathway to success by demonstrating the business philosophies that allowed him to become the powerful magnate that he is. These ideals include: First to market is everything Ask What Else? when working with clients to enhance relationships and elicit more business Don't expand just for the sake of expanding; do it in areas and industries where your passion lies How to train employees while they're in the minor leagues to prepare them for the majors Learn to clearly identify ways to help others rather than sell to them, to align employees and partners with their strengths, and to discover a path where you're most likely to succeed.

What Size Balls Do I Need? Steve Morris,2020-08-04 In What Size Balls Do I Need? Coach Steve Morris delivers a perspective injection for parents and coaches trying to navigate the \$17 billion youth sports industry. The pressure to choose programs that will position budding athletes for success and glory can be all-consuming. Teasing that our sons and daughters have a better chance of owning a professional team than playing on one, Coach Steve gives parents permission to relax and focus on the fun within the ten-year window of their kids' participation in sports. Using the wisdom gained from navigating thousands of girls and boys and their parents through the gauntlet of youth sports, he has created a book filled with humor and personal stories that tackles crucial topics like: Why potential and expectation are the two dirtiest words in youth sports How to recognize a toxic coach and the steps to take to protect your child Why we need to rethink our definitions of victory and success The most precarious part of the game - the ride home The dangers of living vicariously through your child (and how not to be that parent) Who gets to the next level and how do they do it What the post-Covid landscape of youth sports will look likeCoach Steve seeks to tame the national frenzy surrounding youth sports and return sanity, balance and fun to the one arena where everyone gets to be a kid.
