

Sports Talk 1050 Wtka

Karin Nielsen-Saines

Sports-talk Radio in America ,2006 Sports-Talk Radio in America looks at major-, medium-, and small-market stations across the United States that feature an all-sports format, with a focus on the unique personalities and programming strategies that make each station successful. Broadcasters, journalists, and academics provide insight on how and why this media phenomenon has become an important influence of American culture, examining the guy talk broadcasting approach, the traditional sports-emphasis approach, HSOs (hot sports opinions), localism in broadcasting, how sports talk radio builds communities of listeners, and how reckless, on-air comments can actually build ratings.

Sports Talk Alan Eisenstock,2010-03-16 A Journey inside the World of Sports Talk Radio Their voices explode over the airwaves -- with names like Mike and the Mad Dog, the Stinkin' Genius, Hacksaw, and JT the Brick. They broadcast in drive time and downtime, from rush hour to the dead of night. And yet, millions of fans tune in around the clock to hear their favorite larger-than-life radio personalities rant, rave, critique, predict, and mix it up with callers -- the dedicated fans of sports talk radio. Never before has this cloistered world opened its doors to a no-holds-barred, behind-the-scenes, full-access look at itself. Noted journalist (and fan) Alan Eisenstock embarks on a journey through the American sports radio landscape and gives readers a front-row seat -- from breakfast at the kitchen table of Eddie Andelman, Boston's godfather of sports radio, to the WFAN commissary with Mike and the Mad Dog in New York; from the plush home game room of Chicago's hot dog-vendor-turned-#1 DJ Mike North to the empty 3 AM studio parking garage with nationally syndicated JT the Brick. Eisenstock goes into the studios, homes, and lives of these and many other of America's hottest and most-listened-to sports talk hosts. Filled with hilarious and entertaining tales of what makes these hosts tick -- as well as the unbelievable stories of how they got where they are today -- Sports Talk paints a picture the fans never see. Eisenstock shows us the blood, sweat, and tears of program directors with their reputations on the line; hosts searching for career security; and station managers who are always eyeing the bottom line. And, of course, there are stories of the rabid, obsessed, and off-the-wall fans. Whether you're a sports fan or a sports talk junkie, you'll be hooked from the first page.

Jock Around the Clock John Birchard,2010-11-29 Jock Around the Clock takes you back three decades to a time when satellite broadcasting and the concept of all sports all the time were brand-new. Its the story of how ESPN founders Bill and Scott Rasmussen, having been forced out of their TV sports network, turned to radio and gave birth to the all-sports network, Enterprise Radio. The story features names familiar to American sports fans as they gather to launch the network that would flash across the sky for a brief few months, then flame out, leaving behind the blueprint so many others have copied since.

A Rhetoric of Sports Talk Radio John D. Reffue,2005

Endzone John U. Bacon,2016-10-11 The paperback version of Endzone includes an all-new, 57-page Afterword covering Michigan's triumphant 2015 season, and never-dull 2016 off-season. Informed by exclusive, in-depth interviews with Jake Rudock, Blake O'Neill, Jake Butt, Jim and Sarah Harbaugh and his parents, the Afterword addresses the players' initial shock at Harbaugh's long practices, their renewed confidence, and the story behind the stunning finish to the Michigan State game, the Wolverines' comebacks against Minnesota and Indiana, and their Citrus Bowl victory over Florida. It also goes a long way to answering the question on everyone's mind: How long will Harbaugh stay in Ann Arbor? Bestselling author John U. Bacon's Endzone tells the story of how college football's most successful, richest and respected program almost lost all three in less than a decade - and entirely of its own doing. It is a story of hubris, greed, and betrayal - a tale more suited to Wall Street than the world's top public university. Endzone takes you inside the offices, the board rooms and the locker rooms of the University of Michigan Wolverines to see what happened, and why - with countless eye-opening, head-shaking scenes of conflict and conquest. But Endzone is also an inspiring story of redemption and revival. When those who loved Michigan football the most recognized it was being attacked from within, they rallied to reclaim the values that made it great for over a century -- values that went deeper than dollars. The list of heroes includes players, students, lettermen, fans and faculty - and the leaders who had the courage to listen to them. Their unprecedented uprising produced a new athletic director, and a new coach - the hottest in the land - who vindicated the fans' faith when he turned down more money and fame to return to the place he loved most: Michigan. If you love a good story, you'll want to dive into Endzone: The Rise, Fall and Return of Michigan Football.
