Pro Sports in 1993 David Ostrowsky, 2020-10-20 America and Canada both saw historic sports milestones in 1993. While the Dallas Cowboys and Chicago Bulls reigned supreme, the Toronto Blue Jays won a second consecutive World Series on a walk-off homer, and the Montreal Canadiens emerged as the last Canadian team to win a Stanley Cup. While stars like Michael Jordan, Wayne Gretzky and Joe Montana overcame physical and emotional challenges to make history, teams were performing unprecedented feats, from the Buffalo Bills' unrivaled comeback on Wild Card Weekend to the Baltimore Orioles' unveiling of their transformative ballpark design during All-Star Week. Drawing on original interviews with dozens of former players and coaches, this book revisits an exceptional sports year for fans across North America, with memorable stories involving some of the most iconic sports figures of the 1990s.

30 Second Timeout Kevin Wolma, 2020-05-06 One of the most challenging aspects of being a parent is navigating our way through the world of youth sports. In what activities do I involve my kids and at what age? When do I put them on a travel sports team? For which travel organization do we have our children play? How much money are we willing to spend? What if we do all of this and they still do not make the high school team? The purpose of this book is to communicate, explore, and advise on all of today's challenges accompanying our children's participation in athletics. My hope is that 30 Second Timeout is a valuable resource which will enhance not only your experience in educational athletics, but that of your children as well. This is an incredible odyssey, along which we will explore every possible emotion. We will sometimes be moved to cheer and we will sometimes encounter disappointment. We will, at times, feel anger and at other times, pride. Together, they all give each of us an opportunity to grow in areas we never thought possible. Please join me on this crazy but extremely rewarding journey we can all negotiate together.

It's Not Over 'Til It's Over Al Silverman,2004-01-27 Find inspiration in these “enjoyable” accounts of historic last-minute victories—both legendary and little-known—in the world of sports (Booklist). From a former editor of Sport magazine, this book is a journey through a century of athletic endeavor, from baseball to boxing and beyond—filled with true stories that remind us of some of the qualities that can help to create a champion: perseverance, determination, and hope. “Re-creations of 13 dramatic sports events from the 20th century . . . While Silverman has chosen to profile a handful of well-documented events, such as New York Giant Bobby Thompson's 1951 home run at the Polo Grounds, the first Ali-Frazier prizefight in 1971 and the 1980 US hockey team's Olympic victory over the Russians, the real value of the book lies in his depiction of such obscure or neglected events as the 1923 boxing match between Argentine Luis Firpo and American Jack Dempsey, and the 1968 Harvard-Yale football game . . . The best piece follows an unknown Native American Marine from Kansas who shocked himself and the world by winning the 10,000-meter road race at the 1964 Tokyo Olympics . . . He often tracks down and interviews event participants to provide perspective from both the victor and the vanquished.” —Publishers Weekly
