The Social Communication Intervention Programme Resource Catherine Adams,Jacqueline

Gaile,2024-03-29 The Social Communication

Intervention Programme (SCIP) has been developed to support school-aged children (6-11 years) with social communication, pragmatic, and language needs. SCIP provides a rationale and method for providing specialist level pragmatics and language therapy for these children who have significant social communication differences. The SCIP model is introduced in The Social Communication Intervention Programme Manual, and this book

presents the content of the intervention programme itself, using a nested structure of 150 adaptable therapy activities. It contains the complete set of resources required to plan and deliver the interventions set out in the companion book, including forms, activities, and ready-made information sheets. Content can also be downloaded and printed for easy use. Used alongside The Social Communication Intervention Programme Manual, this book offers a truly practical, tried-and-tested model to provide targeted, individualised intervention for children with social communication challenges. It is an essential tool for speech and language therapists, specialist teachers, and psychologists who are working with children with social communication, pragmatic, and language needs. For the most effective use, The SCIP Resource should be purchased alongside The SCIP Manual.

The Road Love Traveled Clifton Bullock, 2014-09-25 The Road Love Traveled is a story of deception, lust, greed and gentrification told through the life of Lawrence Blake, a single father living in the Anacostia neighborhood of Washington, DC. Tired of the same ol' same ol', Lawrence wants something different. His love life is stale, and with his son out of state on summer vacation, he takes the opportunity to try to make some changes. He begins with a night on the town. Lawrence recruits his best friend, Howard, to join him in the rat race chase to find some new skins. Lawrence ends up finding what he's looking for, but the greed of lust causes everything to change. The Road Love Traveled gives the world a first-hand look of what a man goes through to make decisions for a better life. Full of laughter, bad choices, suspense, jealous ex-girlfriends, good friends, broken hearts, rogue law enforcement and

the apocalyptic virus known as gentrification, you will learn the reality of how lies will smear and destroy love's results.
