**Spy Kit** Bennetts,2014-10-31 The inside story of the Bill Sutch spy scandal by the agent who potted him. In 1975 Kit Bennetts was one of the youngest officers ever to serve in the New Zealand Security

Intelligence Service. Fresh out of training, on routine surveillance duty one night he followed a big Mercedes from the Soviet Embassy in Wellington and witnessed a meeting between a KGB officer and an unknown man. That man turned out to be Dr William Sutch, one of New Zealand's most eminent citizens. Five months later, after more surveillance and a major sting, Sutch was arrested and charged with passing information to the Russians. A spectacular trial ensued – New Zealand's only espionage trial, ever – at which Sutch was acquitted, only to die seven months later. Thirty years on, and with the recent release of the Mitrokhin archives, fascination with the case and speculation about whether Sutch was indeed a KGB mole endures. Spy marks the first time an SIS officer has ever gone public. Fast paced, humorous, it details how the SIS got their man, only to lose the case against him in court.

**The Spy Set Up** Randy Beaumier, 2009 Sebastian Junger, and Bill Dombrowski, are two field agents for a new Federal Government Organization called N.U.T.S. (National Underground Terrorist Squad). It's their job to identify, apprehend, and in some cases, when necessary, eliminate the terrorists. They are basically counter spies for the government. Sebastian's wife, Rachel, wants a pair of diamond earrings for their 25th wedding

anniversary. Bill, Sebastian's partner, introduces Sebastian to a diamonds dealer who gets murdered. In an ironic twist, the spy, Sebastian, becomes the hunted and is Set Up for what just might be the perfect murder. Somebody is going to jail.

**355** Kit Sergeant, 2017-12-11 Who Was the Mysterious 355? Culper Ring members such as Robert Townsend and Hercules Mulligan are well known for the part they played in the Revolutionary War, but who was the mysterious 355 that could outwit them all? Inspired by many of the same characters featured in AMC's *Turn* and the Broadway musical *Hamilton*, *355: The Women of Washington's Spy Ring* chronicles the lives of three remarkable women who use daring, skill, and, yes, a bit of flirtation, to help liberate America. British sympathizer Margaret (Meg) Moncrieffe expects to find the carefree America she remembers as a youth when she returns from her Irish boarding school. Instead she finds the new country at war, with her father on one side and her new love, Aaron Burr, on the other. When her misguided attempt to end the war results in dire consequences for the Continental Army, Meg switches allegiances in order to amend the damage she caused. After her husband Jonathan is captured by the British and dies aboard one of the notorious prison ships, a pregnant Elizabeth Burgin realizes she is stronger than she once thought. When a prominent member of the Culper Ring enlists her help on a heist of the prison ships, Elizabeth readily accepts, putting herself and her family in jeopardy in order to save the lives of strangers. Patriot Sally Townsend wants nothing more than freedom for America. When her family is forced to take in enemy soldiers, Sally seizes the opportunity to garner information from them and pass it on to her brother, Robert, knowing that one false move could result in the noose for both of them. Instead of finding herself in danger when British intelligence officer Major

John André shows up at her family's doorstep, Sally finds herself falling in love. But Major André is playing the same dangerous game as her and Robert, albeit for the other side. Told from the viewpoints of these three women—including the one operating under the code name 355-355: The Women of Washington's Spy Ring is an absorbing tale of family, duty, love, and betrayal.
