My Little Squeak Rebecca Tonks, 2022-05-18 A

beautifully illustrated story of a little boy searching for his voice and finding it in an unexpected way. This book reminds little ones that even through anxiety and difference, with the help of a friend, joy can be found.

Note from the author Rebecca Tonks. My Little Squeak is inspired by the most beautiful child who I came across during one of my school visits. The main character featured in my story is a little boy struggling to find his voice. With the help of an unexpected friend, he finds the confidence he needs. The child behind this story really stayed on my mind and I felt it was important to write the book to show that even with difference and anxiety, happiness and fun can be found. Following all the challenges we've faced over

the last couple of years with Covid-19, mental health, particularly in children, has become a much needed and important focus. By writing and illustrating this story, I hope other little ones with similar struggles, may not feel so isolated and different.

Meant to Be Lauren Morrill, 2012-11-13 A girl with it all planned out discovers a romance she never expected in this funny debut about a class trip to London that HelloGiggles.com says you'll love "if you're into swoony romances with a little bit of history thrown in." This spring break, Julia's rules are about to get defenestrated (SAT word: to be thrown from a window) when she's partnered with her personal nemesis, class-clown Jason, on a school trip to London. After one wild party, Julia starts receiving romantic texts . . . from an unknown number! Jason promises to help discover the identity of her mysterious new suitor if she agrees to break a few rules along the way. And thus begins a wild goose chase through London, leading Julia closer and closer to the biggest surprise of all: true love. Because sometimes the things you least expect are the most meant to be. *** Readers of Jennifer E. Smith and Stephanie Perkins will revel in this debate about love ruled by the stars or as a matter of the heart. --Shelf Awareness Fun, fresh and irresistibly romantic. STB (SURE to be) loved! --Sarah Mlynowski "Star-crossed characters,

hilarious dialogue, and a perfect London setting. I loved Meant to Be!" –Robin Benway, author of Emmy & Oliver

A Castle in the Air Kelley Armstrong,2023-10-31 Portia Hastings has spent her life rescuing her younger sister from one scrape or another. Now, she has to step through time to do it, following Miranda from the nineteenth century to the eighteenth. Almost immediately, Portia is beset by highwaymen, which might be the most exciting thing to happen to her in a long time, even if she'd never admit it. When one of the highwaymen is injured, Portia makes the inexcusable mistake of helping him—she is trained as a doctor after all. Her travel companions abandon her, and she's left at the mercy of a highwayman who demands she continue tending to his compatriot's wounds. Portia soon finds herself at a crumbling castle inhabited by the destitute Earl of Ravensford. Benedict Sterling is in desperate need of money, and his solution is a ball, where a wealthy bride will win the title of countess, even if it does come with one thunderously ill-tempered earl. Portia agrees to a scheme to help Benedict look like a slightly more appealing bridegroom, while she continues to search for Miranda. Then there's the small matter of the castle, complete with a ghost intent on driving her out. But once Portia sets her mind on something, she's not going anywhere.

Gef! Christopher Josiffe,2021-02-24 An exhaustive investigation of the case of Gef, a "talking mongoose" or "man-weasel," who appeared to a family living on the Isle of Man. "I am the fifth dimension! I am the eighth wonder of the world!" During the mid-1930s, British and overseas

newspapers were full of incredible stories about Gef, a “talking mongoose” or “man-weasel” who had allegedly appeared in the home of the Irvings, a farming family in a remote district of the Isle of Man. The creature was said to speak in several languages, to sing, to steal objects from nearby farms, and to eavesdrop on local people. Despite written reports, magazine articles and books, several photographs, fur samples and paw prints, voluminous correspondence, and signed eyewitness statements, there is still no consensus as to what was really happening to the Irving family. Was it a hoax? An extreme case of folie à plusieurs? A poltergeist? The possession of an animal by an evil spirit? Now you can read all the evidence and decide for yourself. Seven years' research and interviews, photographs (many previously unseen), interviews with surviving witnesses, visits to the site—all are presented in this book, the first examination of the case for seventy years. In the words of its mischievous, enigmatic subject, “If you knew what I know, you'd know a hell of a lot!

Mutuwhenua Patricia Grace, 2010 *Mutuwhenua* is the story of Ripeka, who leaves her extended family and its traditional lifestyle to marry Graeme, a Pakeha schoolteacher. In the strange world of the city, Ripeka discovers that she cannot make the break from her whanau, that the old ways are too strong. The first novel by a Maori woman ever published, *Mutuwhenua* is a powerful, moving story of contrasts between old and new, young and old, Maori and Pakeha.

The Night of Wishes Michael Ende, 2017-10-03 From the author of *The Neverending Story*, a book that reminds us that “magic—be it good or bad—is no simple matter.” It's New Year's Eve at the Villa Nightmare but Beelzebub Preposteror is in no mood for celebration. As the Shadow Sorcery Minister, Preposteror has a duty to perform a

certain number of evil deeds in service to the Minister of Pitch Darkness. But this year, to his horror, he's nowhere near meeting that quota. Preposteror has all but given up when who should make an unexpected visit but his aunt, the witch Tyrannia Vampirella. She has come with a diabolical proposal that just might be the solution to Preposteror's dilemma: together they will brew the fabled Notion Potion, "one of the most ancient and powerful evil spells in the universe," and their every evil wish will be granted. The only thing that stands in their way is a most unlikely team—a cat named Mauricio di Mauro and a raven known as Jacob Scribble, who have just hours to thwart the plans of their sorcerer masters and save the world from destruction.

Arab Modernism as World Cinema Peter

Limbrick,2020-03-10 Arab Modernism as World Cinema explores the radically beautiful films of Moroccan filmmaker Moumen Smihi, demonstrating the importance of Moroccan and Arab film cultures in histories of world cinema. Addressing the legacy of the Nahda or "Arab Renaissance" of the nineteenth and early twentieth century—when Arab writers and artists reenergized Arab culture by engaging with other languages and societies—Peter Limbrick argues that Smihi's films take up the spirit of the Nahda for a new age. Examining Smihi's oeuvre, which enacts an exchange of images and ideas between Arab and non-Arab cultures, Limbrick rethinks the relation of Arab cinema to modernism and further engages debates about the use of modernist forms by filmmakers in the Global South. This original study offers new routes for thinking about world cinema and modernism in the Middle East and North Africa, and about Arab cinema in the world.
