happened in Mantralaya, a dusty village of Andhra. Shri Raghavendra Theertha, walked to his Brindvana alive, sat in deep meditation and had it filled with sacred stones, sand and granite. He was 'buried alive' and continued to bless his devotees from within for another 300 years. How did the saint, philosopher, Yogi, scholar, poet, musician achieve this feat? This book narrates the remarkable life of Shri. Raghavendra Theertha and how he was inspired and guided by a more remarkable 13th century philosopher Shrimad Ananda Theertha who established Tatvavaada philosophy. **The Glory of Guru** Chintamani Shriram,2010-01-01  
Shree Akkalkot Swami Seva Mandal has been actively working in the social, religious and spiritual fields in Ambarnath since last 30 years. The Mandal motivated by the inspiration from Shree Swami Samarth Maharaj and belsing of reverend late Shree Udas Maharaj, has acquired 13 acres of land at Anandwadi, near Karjat-Kashele. Going to take shape on the very land is the grand 'Swamidham' which will house 1) A free medical check-up/aid centre 2) Charity meals for Adivasi children 3) Home for Sr. citizens (Vridhashram) 4) Orphanage

5) Vanvasi (Tribal) Welfare Asharam and school 6) Mobile clinic for 17 to 18 Adivasi villages around in the vicinity 7) Goshala (Cow Care centre) 8) Shree Akkalkot Swami Temple. The first two projects out of these are already operational. The doctors during the course of free medical check-up observed that many Adivasi children are malnourished. On subsequent inquiry it was revealed that they get their only meal of a day in the form of Khichadi (hotch-potch) of Upama in their schools and they have to go empty stomach for the rest of the day. They don't get even this much food on School Holidays. Taking this into consideration our Mandal has started organising 'Charity Meals' daily between 5.00 pm and 7.00 pm at 'Swamidham'. There are 17 to 18 villages around the vicinity, but for the present we are providing FREE MEAL to the children below 12 years of age of only 5 villages namely Anandwadi, Pimpalwadi, Thombrewadi, Katkarwadi & Mograj. The total number of children benefited are 192. All the generous devotees who wish to donate for this cause of 'Charity Meal' are requested to contact us. Donations in the form of Grains will also be accepted. Donations in the form of Money can be accepted lump sum or in the form of monthly donations. Our experience says that one square nutrition meal of a child costs Rs. 300/- per month. Donations can be given in cash, cheques or money transfers drawn in favour of 'Shri Akkalkotswami Seva Mandal' on our SB A/c No. 0201101345264, Canara Bank, Ambarnath Branch. Donations made to 'Swamidham' are eligible for income tax exemption Under Section 80G.

**God and Science** Sridharan T.K.R,2022-07-12 This book is about God and Science, exploring the concept of God with particular reference to Sanatana Dharma, also known as Hinduism. Sanatana Dharma is eternal religion, and irrespective of a particular individual's faith, universally it can be followed. Thus, Hinduism stands above all other religions and is a way of life that can be adopted, as it is universal in adaptability. A classic example is that of Dr. Annie Besant, the founder and president of the Theosophical Society of India, who remained a Christian despite adapting to the Hindu way of life. Want to know why we have to go to a temple to pray, why idol worship should be followed? The answers are here. Following Sanatana Dharma alone can give an individual God-realisation or liberation. The scientific basis of Sanatana Dharma is explored in detail in relevant chapters. In short, this book will be a lucid introduction to Sanatana Dharma.

Every believer of God will find it worth reading to have a conceptual understanding of God, prayer and the science behind them.

THIRTHA YATRA RAMESH GANGASHETTY, 2019-10-30

India will just be a mere geography without its religious and spiritual ethos combined with moral values and civilization. If Bharat is known for its spiritual accomplishments and philosophical roots, one has to gratefully acknowledge the role played by its hallowed places of worship, holy rivers and magnificent mountain ranges which have inspired people for thousands of years. In particular, temples contributed in no small measure to Bharat's spiritual enlightenment, serving as a beacon to the rest of humanity. Every temple in this holy land has a story to tell, a legend to elevate our spirits and is a sacred space for all of us to experience inner joy. One can find the contribution of so many saints and rishis who devoted their entire life to many places of worship. In olden days, temples served as a great center for enriching all facets of human life—be it spiritual training or yoga; be it education; be it poetry and literature; be it fine arts and sculpture. There are thousands of fascinating temples, with great historical and spiritual backgrounds, spread all over the country. These temples can be divided into many groups, finding mention in innumerable scriptures. Which are they? Where are they located? This book is an attempt to collect and curate and tabulate information in brief which will certainly answer some of the queries a prospective yatri may have. All the information in the book was collated after

personal visits to these places by author.

**Hymn of Sri Raghavendra Swamy** Giridhar

Krishna,2024-01-09 Sri Raghavendra Swamy is a 16th century Hindu saint who propagated the dvaita (dualistic theism) philosophy of Sri Madhwacharya. He entered into his Brindavan (final resting place) alive in the town of Mantralayam, Andhra Pradesh, India in 1671. He has millions of devotees worldwide and a prayer on him was composed by his disciple Sri Appanacharya. **Another India** Chandan Gowda,2023-09-12 'A

product of immaculate scholarship, refined rumination and humane sensibility – drawing upon little known or forgotten bits of history, mythology, literature, and personal encounters with exceptional individuals, this excellent book urges us to reflect on our predicament as a people.' GEETANJALI SHREE 'Another India is a metaphor for rich cultural diversity. It is a tapestry that lucidly marks the criss-crossing of intellectual currents which run through people, memories and events – between the regions and the nation, between the particular and the universal.' GOPAL GURU 'This collection of essays, informed by an immersion in the texture of South Indian literary life and a vigorous humanism, provides an

unusual and wonderful introduction to the diverse lineages of Indian cultural and intellectual experiences.' PRATAP BHANU MEHTA 'Few books in the social sciences can connect culture, policy, politics and folklore and yet remain playful. Chandan Gowda's Another India represents such a cultural anthropology at its best. Effortlessly weaving the topical and the classical, and traversing the world of women Sufis, barbers, akhadas and also providing wonderful anecdotes and insights about legends like Ambedkar, Kuvempu and Lohia, this anthology is a festival of Indian diversity at its best. This is a brilliant book of insights, a book that elaborates how culture, people and creativity add to the making of the democratic imagination.' SHIV VISVANATHAN 'This playful assemblage of slices of local and translocal cultures of India – including the mythic and the folk – are accompanied by glimpses into some of the country's finest minds. Together they give the book a certain charm that is matched by the author's easy, empathic, non-judgemental style.' ASHIS NANDY "Ram is the perfection of the limited personality, Krishna of the exuberant personality and Siva of the non[1]dimensional personality." Lohia's elaboration of these "categories of perfection" is an absolute delight. During his entire career, Sir M Visversvaraya carried two pens on him, one of which belonged to the government and the other to him. He always used the former pen for office work and the latter for personal work. After possessing a devotee, a deity called Doddaswamy would start whistling with his fingers in his mouth. His devotees are to

address him only through whistles. Another deity from Gulbarga district, Gajalakshmi, expected her devotees to bare all their teeth in her presence. Free ranging, delightful and erudite, Another India opens up the varied dimensions of the past, discloses the subtle facets of religious cosmologies, reveals the plurality within Hinduism and suggests ways of reengaging tradition. It shares exciting stories about lesser-known and well-known figures in our country, from Bhimavva and Mastani Maa to Gandhi and Tagore. This book brings to you the many events, thoughts and people that have been waylaid in our frequent quests for single, mainstream narratives. It brings to you the intricate cultural universe of India, where creative dissent has shaped the ethos, where rich visions and values of living together continue to hold sway in our constant striving to be a better, more just polity and society.
