Against Dogmatism Madhuri M. Yadlapati, 2013-11-15 Many contemporary discussions of religion take an absolute, intractable approach to belief and non-belief, which privileges faith and dogmatism while treating doubt as a threat to religious values. As Madhuri M. Yadlapati demonstrates, however, there is another way: a faith (or non-faith) that embraces doubt and its potential for exploring both the depths and heights of spiritual reflection and speculation. Through three distinct discussions of faith, doubt, and hope, Yadlapati explores what it means to live creatively and responsibly in the everyday world as limited, imaginative, and questioning creatures. She begins with a perceptive survey of diverse faith experiences in Islam, Buddhism, Judaism, Hinduism, and Protestant Christianity, then narrows her focus to Protestant Christianity and Hinduism to explore how the great thinkers of those faiths have embraced doubt in the service of spiritual transcendence. Defending the rich tapestry of faith and doubt against polarization, *Against Dogmatism* reveals a spiritual middle way, an approach native to the long-standing traditions in which faith and doubt are interwoven in constructive and dynamic ways.

American Baapu Rick Cormier, 2018-02-07 In 2014, when 15,000 travelers were stranded at airport in Dallas, Texas, my wife and I helped a young Bengali woman who was visiting the US for the first time. We saw to it that she reached her destination safely. We remained friends and grew close, staying in touch online. In 2015, she asked that we come to India to be in her wedding party as her American parents. It was an incredible way to experience India for the first time! At the request of a few Indian friends from an online forum, I wrote a short travelogue about that first experience in India. More than 100,000 Indians read what I wrote! Some were young people who became close online friends. Some wrote me about their personal issues. They began calling me Baapu, Baba, Angel Paa, Touji, Papa Rick, and Dad. I called them the sons and daughters of my heart. In 2017, we returned to India and stayed with the families of some of them in five different cities. This book tells that story.
