Performance and Participation Anna Harpin,Helen Nicholson,2017-09-16 This edited collection gathers together leading voices in theatre and performance studies to debate the politics of participation and find points of connection across a range of performative forms – including community theatre, live art, applied theatre, one-to-one performance and marathon running. Arranged in three sections, 'Recognising Participation', 'Labours of Participation', and 'Authoring Participation', the book raises productive questions about how and why audiences are encouraged to participate in creating the artistic work. This intersection, the authors suggest, blurs the boundaries between producer and consumer, promising modes of engagement that are at once political, social and aesthetic. Applying theoretical ideas to concrete discussions of practice, this is an ideal resource for undergraduate and postgraduate students of applied theatre, political and socially-engaged theatre, participatory theatre making and performance studies.

The Sound System Design Primer Josh Loar,2019-02-21 The Sound System Design Primer is an introduction to the many topics, technologies, and sub-disciplines that make up contemporary sound systems design. Written in clear, conversational language for those who do not have an engineering background, or who think more in language than in numbers, The Sound System Design Primer provides a solid foundation in this expanding discipline for students, early/mid-career system designers, creative and content designers seeking a better grasp on the technical side of things, and non-sound professionals who want or need to be able to speak intelligently with sound system designers.

On the Flip Side Nikki Carter,2011-10-24 Living your dreams is the hard part . . . Sunday Tolliver has a mega-smash album up for major awards--and her first few months as a college freshman are everything she hoped for. But juggling all this and her long-distance romance with boyfriend Sam is taking drama to mad-crazy levels. Hot up-and-coming video star DeShawn isn't letting Sunday's relationship keep him from getting close. And relentless online gossip is seriously shaking Sunday's trust in Sam. On top of that, her jealous diva cousin, Dreya, just won't stay out of Sunday's face--especially now that she's in the running for the same music awards. The only way Sunday can stop the madness and get back on track is to trust her instincts--and get a little help from her friends. . . This series is poised to 'blow up'. . . --Kirkus Praise for Nikki Carter . . .plenty of reality show-type drama. --Romantic Times on Doing My Own Thing Nikki Carter is a fresh, new voice. ?ReShonda Tate Billingsley, Essence® bestselling author
